# Live life to the full

The all-new Civic e:HEV embodies self-charging hybrid technology at its most advanced with responsiveness and efficiency built-in. Every drive delivers exhilaration with pleasure and because e:HEV gives you **a full hybrid experience**, the Civic can run exclusively on smooth, silent electric power unlike a mild hybrid.

Now in its 11th generation, the Civic benefits from a quarter century of Honda hybrid knowhow with the resultant e:HEV technology supplying the perfect balance of performance and economy every time you get behind the wheel.

Furthermore, the Civic's sporty dynamics are wrapped in a stunning fastback body that demands attention. With the Civic name as your badge of approval, isn't it time to find out more?

The Honda Civic

# The power of now

Honda e:HEV technology means you can enjoy the benefits of electrified motoring, such as instant power, all of the time. As a **self-charging hybrid** that makes its own electricity, you'll never need to connect to the mains – it's maximum energy with minimum fuss. The all-new Civic really is the driver's hybrid.

# A balanced approach

A true all-rounder, the all-new Civic's driving modes offer extra performance or economy on demand.

Switching effortlessly between **Normal**, **Sport**, **Econ** and **Individual** allows you to tailor your drive to suit your preference and get the best performance from the e:HEV system.

Normal demonstrates a perfectly engineered balance of performance and efficiency, while Sport offers greater acceleration and Econ works to improve fuel efficiency. Choose Individual to fine-tune steering weight and throttle response and drive the way you want.

ADVANCED  
SENSING SAFETY  
TECHNOLOGIES

# A total sense of **safety**

Equipped with the full suite of Honda SENSING safety technology, the all-new Civic signals our desire to prioritise the person. At Honda, our human-centric approach informs everything we do and is the essence of every car we put on the road. **Honda SENSING technology** includes:

#### **Collision Mitigation Braking System**

Reduces the possibility of colliding with another vehicle, pedestrian or cyclist by alerting you and reducing speed.

#### **Collision and Rear Mitigation Throttle Control**

Recognises obstacles ahead of or behind the vehicle, and issues audio and visual alerts when stationary or moving at less than 6 mph.

#### **Road Departure Mitigation System**

A warning system that flags the possibility of your vehicle crossing over lane or road boundary markings.

#### **Intelligent Speed Limiter**

Automatically sets the speed limit as detected by the traffic sign recognition system.

#### **Adaptive Cruise Control with Low-Speed Following**

Maintains a constant speed and a set following interval behind a vehicle in front, and can decelerate and stop the car autonomously if needed.

#### **Traffic Jam Assist**

Reduces the driver's workload in low-speed, congested traffic by steering to keep the vehicle in its lane.

#### **Adaptive Driving Beam\***

Reduces unwelcome glare by using the on-board camera to detect vehicles in front and automatically switches the headlights' individual LEDs on and off to provide the most suitable spread of light.

#### **Parking Sensor System**

The front and rear parking sensors monitor obstacles around your Civic to make positioning your car simpler and less stressful. Coupled to this is the rear-view camera that displays a clear view of the space behind you on the 9" touchscreen.

# Protection Pack

We call it the Protection Pack for good reason. This pack, which contains Side Body Trims in body colour, Mud Flaps (front and rear), Boot Sill Decorations, front and rear All-season Mats and a Foldable Boot Mat protects your Civic from dinks and scratches. The accessories are all made from **tough quality materials**.

## **DOOR SILL TRIMS**

The Door Sill Trims add a personal touch to your car while protecting the door sills from marks and scratches. They are crafted from brushed stainless steel and have an eye-catching, polished Civic logo. This kit includes: front and rear trims.

#### REAR BUMPER STEP PROTECTOR

Constantly loading and unloading the boot can cause annoying little dinks and scratches. Protect your car's bodywork with this neat Rear Bumper Step Protector.

#### BOOT SILL DECORATIONS

The Boot Sill Decorations are a practical and stylish accessory for the boot. They protect against scratches and bumps. With an attractive brushed stainless steel finish, it fits perfectly onto the boot's lining.

#### FRONT AND REAR MUD FLAPS

Protect your car against dirt and stones with these subtle Front and Rear Mud Flaps. They're a great long-term protection feature.

Items in the pack are also available separately.

Alloy wheels are sold separately. Model shown is Honda Civic 2.0 i-MMD Hybrid Sport in Premium Crystal Blue Metallic. Left hand drive images are shown for illustration purposes only. In the UK, vehicle will be right hand drive.

# Protection & Safety

Stay covered: with Side Body Trims that ward off marks and scratches and a Windshield Cover that ensures a clear view in any weather, these items offer **protection from the elements** and day-to-day wear and tear.

## 1. Side Body Trims

There's nothing worse than a scratch or dink in your car's bodywork. The Side Body Trims are made from soft, impact-resistant material and provide side protection for your car as well as adding a design feature.

## 2. Windshield Cover

Designed to shield your Civic against the elements, the Windshield Cover will protect the mirrors and front side windows from heavy weather, and features the Civic logo.

# Cargo Pack

If you frequently transport luggage or specialised equipment, the Cargo Pack will help keep it **organised** and **secure**. The pack includes a Boot Tray and Boot Tray Dividers.

**1. Boot Tray**

This waterproof anti-slip Boot Tray is perfectly shaped to fit your car's rear storage space and will protect the boot from dirt and scratches. It has raised edges and features the Civic logo.

**2. Boot Tray Dividers**

The addition of Boot Tray Dividers prevents your cargo from sliding around and keeps it in place at all times.

# Transport

**Presence and practicality:** as well as standout looks, the Civic is equipped for wherever you're going and whatever you're doing.

**1. Detachable Tow Bar with 13-Pin Trailer Harness**

With this Detachable Tow Bar, you can tow your caravan or trailer with no worries at all. It's less visible when detached too. Maximum towing capacity: 750kg. Maximum vertical load: 75kg.

**2. Thule Bicycle Carrier – Easyfold XT**

This Bicycle Carrier, which is Thule certified by Honda, carries two bicycles, is simple to install and easily foldable for storage. It has a tilting function for effortless boot access and an anti-theft locking system. It comes with a 13-pin connector and requires a 13-pin trailer harness.

**3. Roof Carrier**

Expand your car's carrying capacity with a secure Roof Carrier. It includes four locks. Maximum load capacity: 60kg or maximum one bicycle.

**4. Thule Roofbox 400L Motion XT M Type**

This sturdy, waterproof box, which is Thule certified by Honda, gives you an extra 400 litres of storage space. It features the PowerClick system for easy mounting, an anti-theft lock and Dual-Side opening. Its dimensions are 175cm length, 86.5cm width and 46cm height.

**5. Foldable Boot Mat**

The Foldable Boot Mat offers protection to your boot and to the complete loading floor in case the rear seats are folded down. This boot mat is reversible as well: one side is made of tufted carpet and the other has a water-repellent, anti-slip pattern. In addition, this mat comes with a flexible flap to prevent scratches on your bumper when (un)loading your car.

# White Premium Illumination Pack

The Premium Illumination Pack combines both interior and exterior illumination items. **This pack includes:** a complete suite of illuminated elements for the Front Foot and Under Seat, Door Sill Trims, a Cup Holder and Console. The Door Lining Illuminations create a cool white ambient atmosphere in your car and the finishing touch is the Illuminated Civic Pattern Projector.

#### WHITE DOOR LINING ILLUMINATIONS

By turning on the ignition, the door lining becomes illuminated, fitted to the door handles and door pockets, emitting a cool white light.

#### WHITE CUP HOLDER AND CONSOLE ILLUMINATION

By turning on the ignition and headlights, the bottom of the cup holders and the storage box in the centre console become illuminated, bringing a cool white light to the interior of your car.

#### WHITE FRONT FOOT AND UNDER SEAT LIGHTS

By unlocking the doors, the area under the seat and the complete front footwell become illuminated with a bright cool white light. While driving with the headlights on, the light output is dimmed by 50% to avoid distraction. When the headlights are off, these lights are switched off as well.

#### WHITE ILLUMINATED DOOR SILL TRIMS

The Illuminated Door Sill Trims are crafted in brushed stainless steel and have a white illuminated Civic logo. They are protecting the Door Sills from marks and scratches. This kit includes illuminated front and non-illuminated rear trims.

#### ILLUMINATED CIVIC PATTERN PROJECTOR

By opening the front doors, the Civic pattern is projected on the ground with a bright white glow creating more visibility in the dark when getting in and out of your car.

These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specifications, including colours, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor or Dealer, copies of which may be obtained from them on request. This publicity material applies to the UK only Trade Descriptions Act (1968). Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer especially if your model selection is dependent upon one of the features advertised.
