

DAECIA DUSTER

TO US, REAL PEOPLE

All-New Dacia Duster goes further: more robust, more outdoor, more technology both inside and out. It allows you to go anywhere, thanks to its connectivity, its 4x4 performance, and its new equipment. With the new hybrid version, it is also more eco-smart than ever.

THE REDESIGNED ICONIC SUV

All-New Dacia Duster continues its success story and increases its versatility with its iconic design and its excellent off-road capabilities. Its Starkle® side protectors and wheel arches showcase its powerful SUV nature. Bursting with practicality for all your adventures, All New Duster comes with roof bars as standard. Chose the Extreme trim and these become Dacia's clever modular design allowing each switching from lengthways to crossways.

Y-shaped brand light

* Copper door mirrors (standard on Extreme versions)

NEW INTERIOR EXPERIENCE

For the interior of its flagship, Dacia has focused on ergonomics, design, and your well-being on board. The driver has a carefully oriented 10" central* display for easy access. The 7" digital cluster* keeps driving information in sight.

* available from Expression

The new steering wheel design makes driving more comfortable. In terms of styling, the new Y-shaped headlight graphics are seen on the door panels as well as air vents.

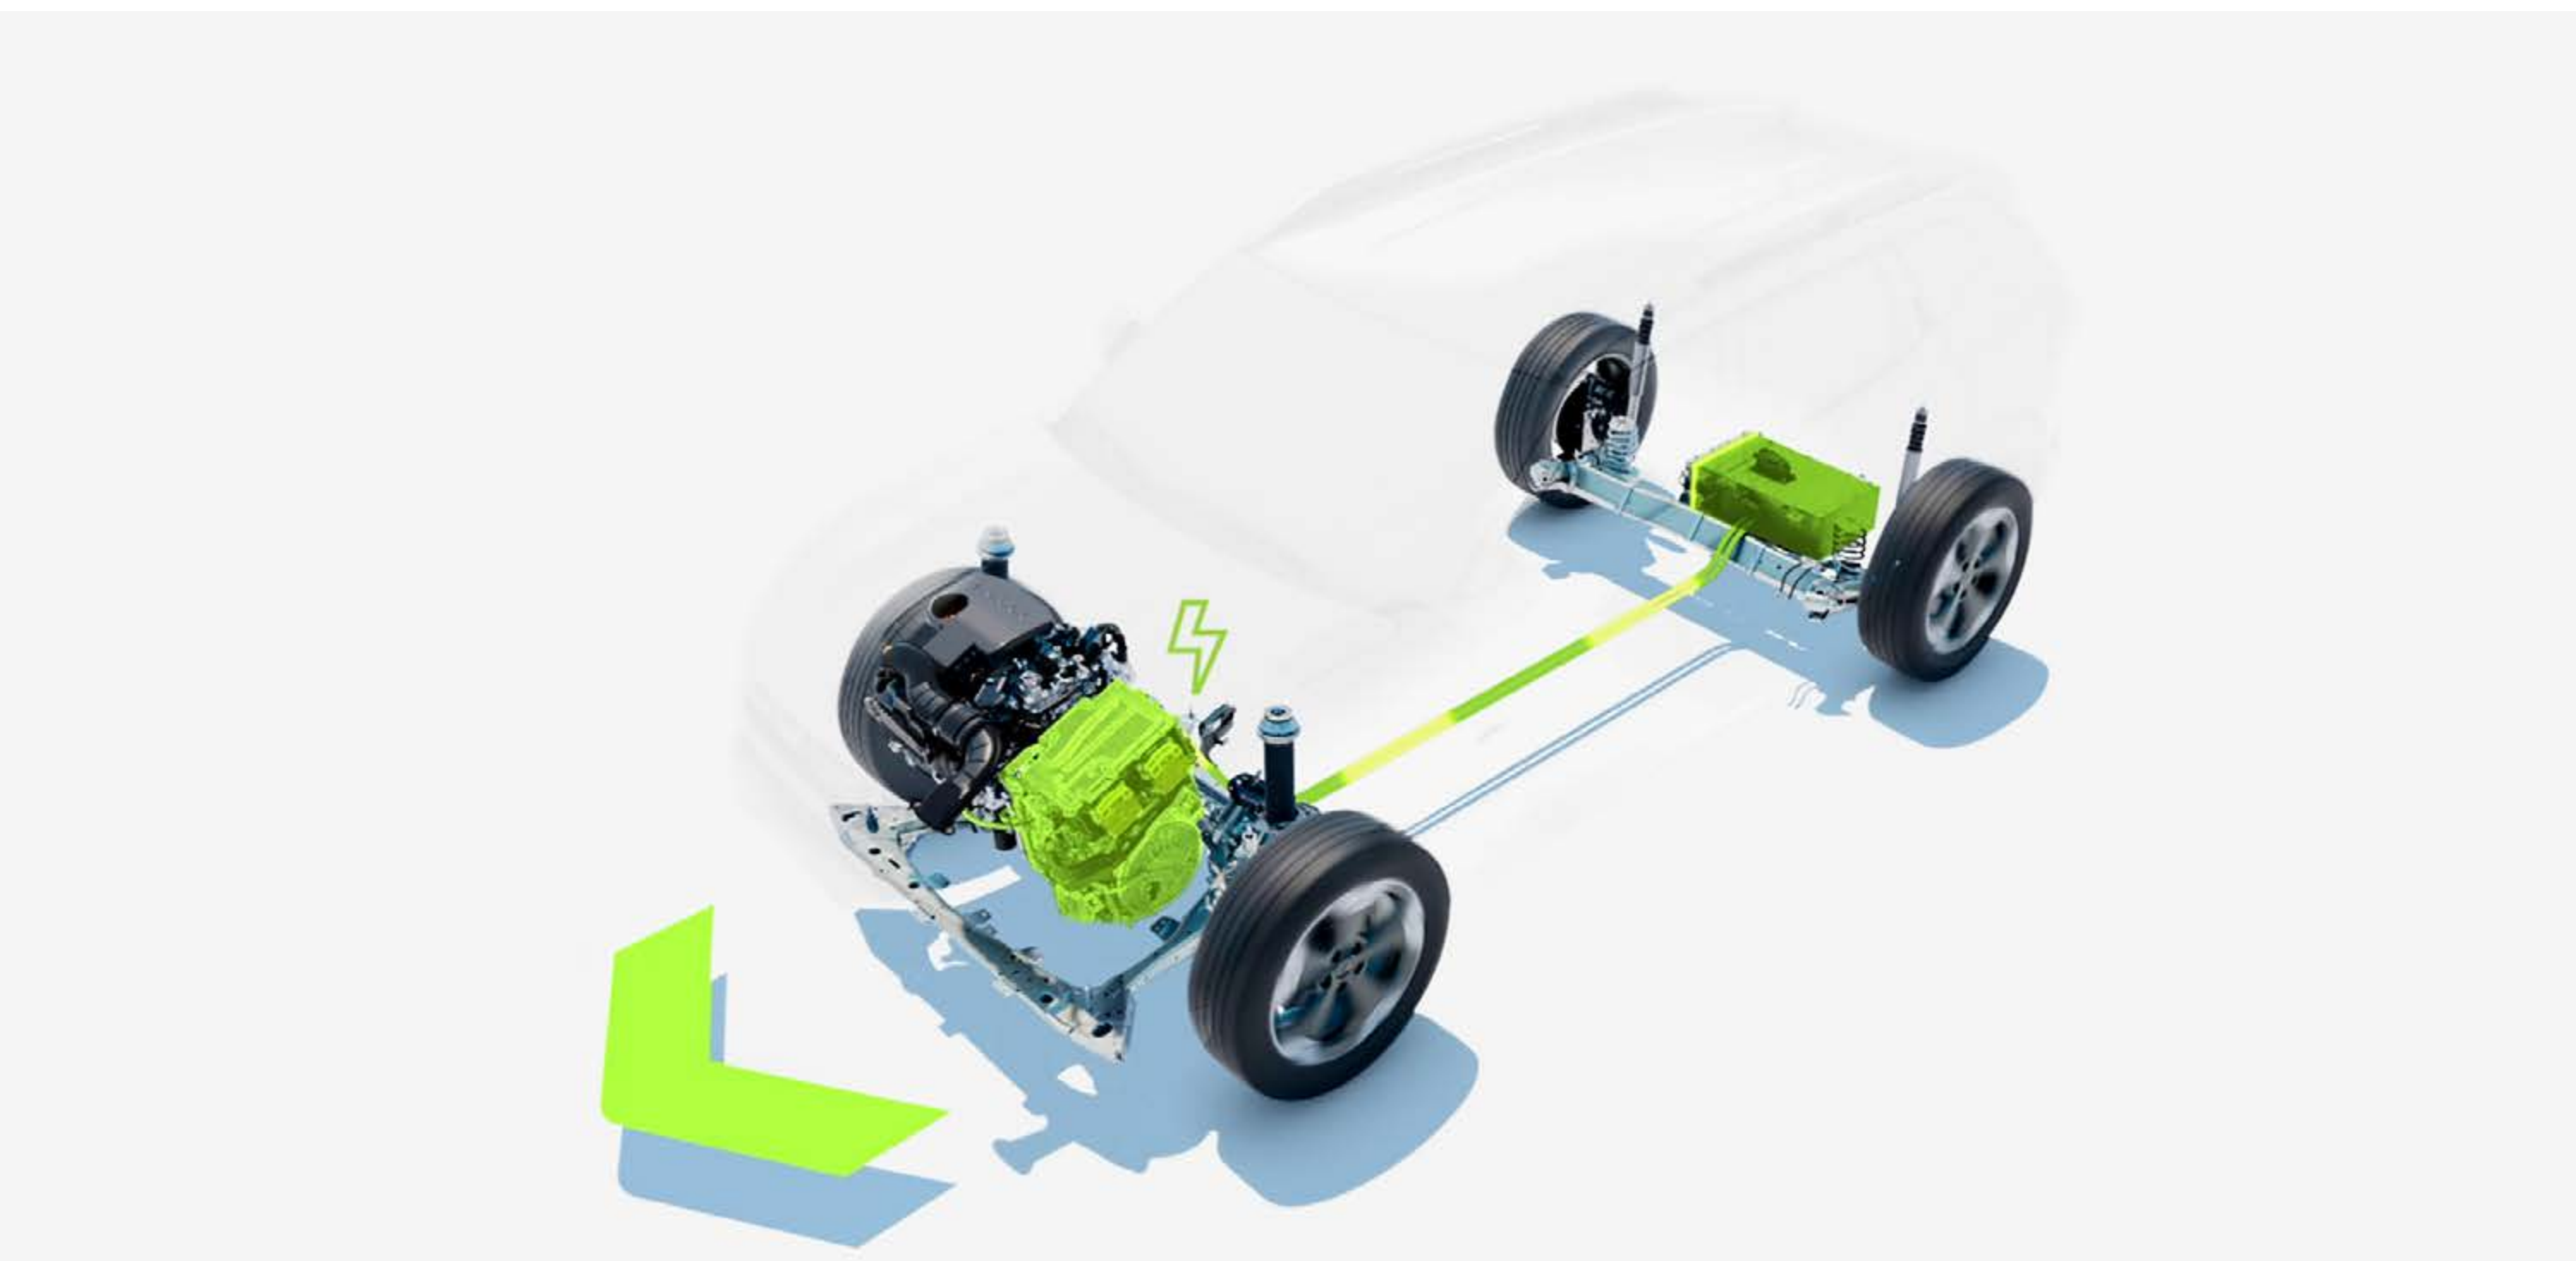

In Extreme version, washable MicroCloud plastic-coated fabric upholstery

AVAILABLE IN HYBRID

For the first time, All-New Dacia Duster comes equipped with a full hybrid 140 engine. Enjoy a more dynamic version with no charging constraints. You will be able to drive up to 80 % in fully electric mode in an urban environment and reduce your fuel consumption by up to 40 %*. This hybrid engine is coupled to an innovative clutchless automatic gearbox that makes driving even more comfortable.

All-New Duster is also available with TCe 100 Bi-Fuel Engines, as well as TCe 130 petrol 4x2 and 4x4 versions assisted by a mild hybrid system to optimise fuel consumption in the most energy-intensive driving phases.

The battery recharges during braking and deceleration.

* Driving in urban environments, compared with an equivalent internal combustion engine.

A TRUE OFF-ROAD VEHICLE

In its 4x4 version, All-New Duster will enable you to tackle all situations quickly with its new driving mode selector. With a high ground clearance of up to 217 mm, an approach angle of up to 31° for climbing slopes in 4x4 mode, Starkle® anti-scratch materials: All New Duster is ready for adventure on the road and off the beaten track.

You can always control your vehicle's angle via the "all road info" menu on the 10" central touch screen* computer and through the direct access to the mutiview camera**.

- * 10" touch screen available from expression
- ** Multiview camera available from Journey version

Touchscreen with 4x4 information: slope angles and power per axle

Driving mode selection button
* on 4x4 versions only.

A More Digital and Connected On-board experience

All-New Dacia Duster makes your daily life easier with the new Media Nav Live multimedia system*. On its large 10" central touchscreen, you can easily access to the real time traffic navigation with up-to-date maps**. Enjoy the wireless smartphone replication for both Android Auto™ and Apple CarPlay™ to make your journeys easier. You can also benefit from practical connected services such as remote vehicle location or the display of the milage information through your MY Dacia app. You can also benefit from the new 3D sound system developed by Arkamys® 6 speakers that will bring out the best in your favourite tunes.

Duster's Essential version, comes with a multimedia system that can be controlled from your smartphone. This multimedia system includes : digital radio, 4 speakers, Bluetooth®, steering wheel controls and voice recognition. To go even further, download the new Media Control smartphone app.

* Available from Journey

** Included and updated for 8 years.

Android Auto™ is a trademark of Google Inc. Apple CarPlay™ is trademark of Apple Inc.

NEW YOUCLIP ATTACHMENT SYSTEM

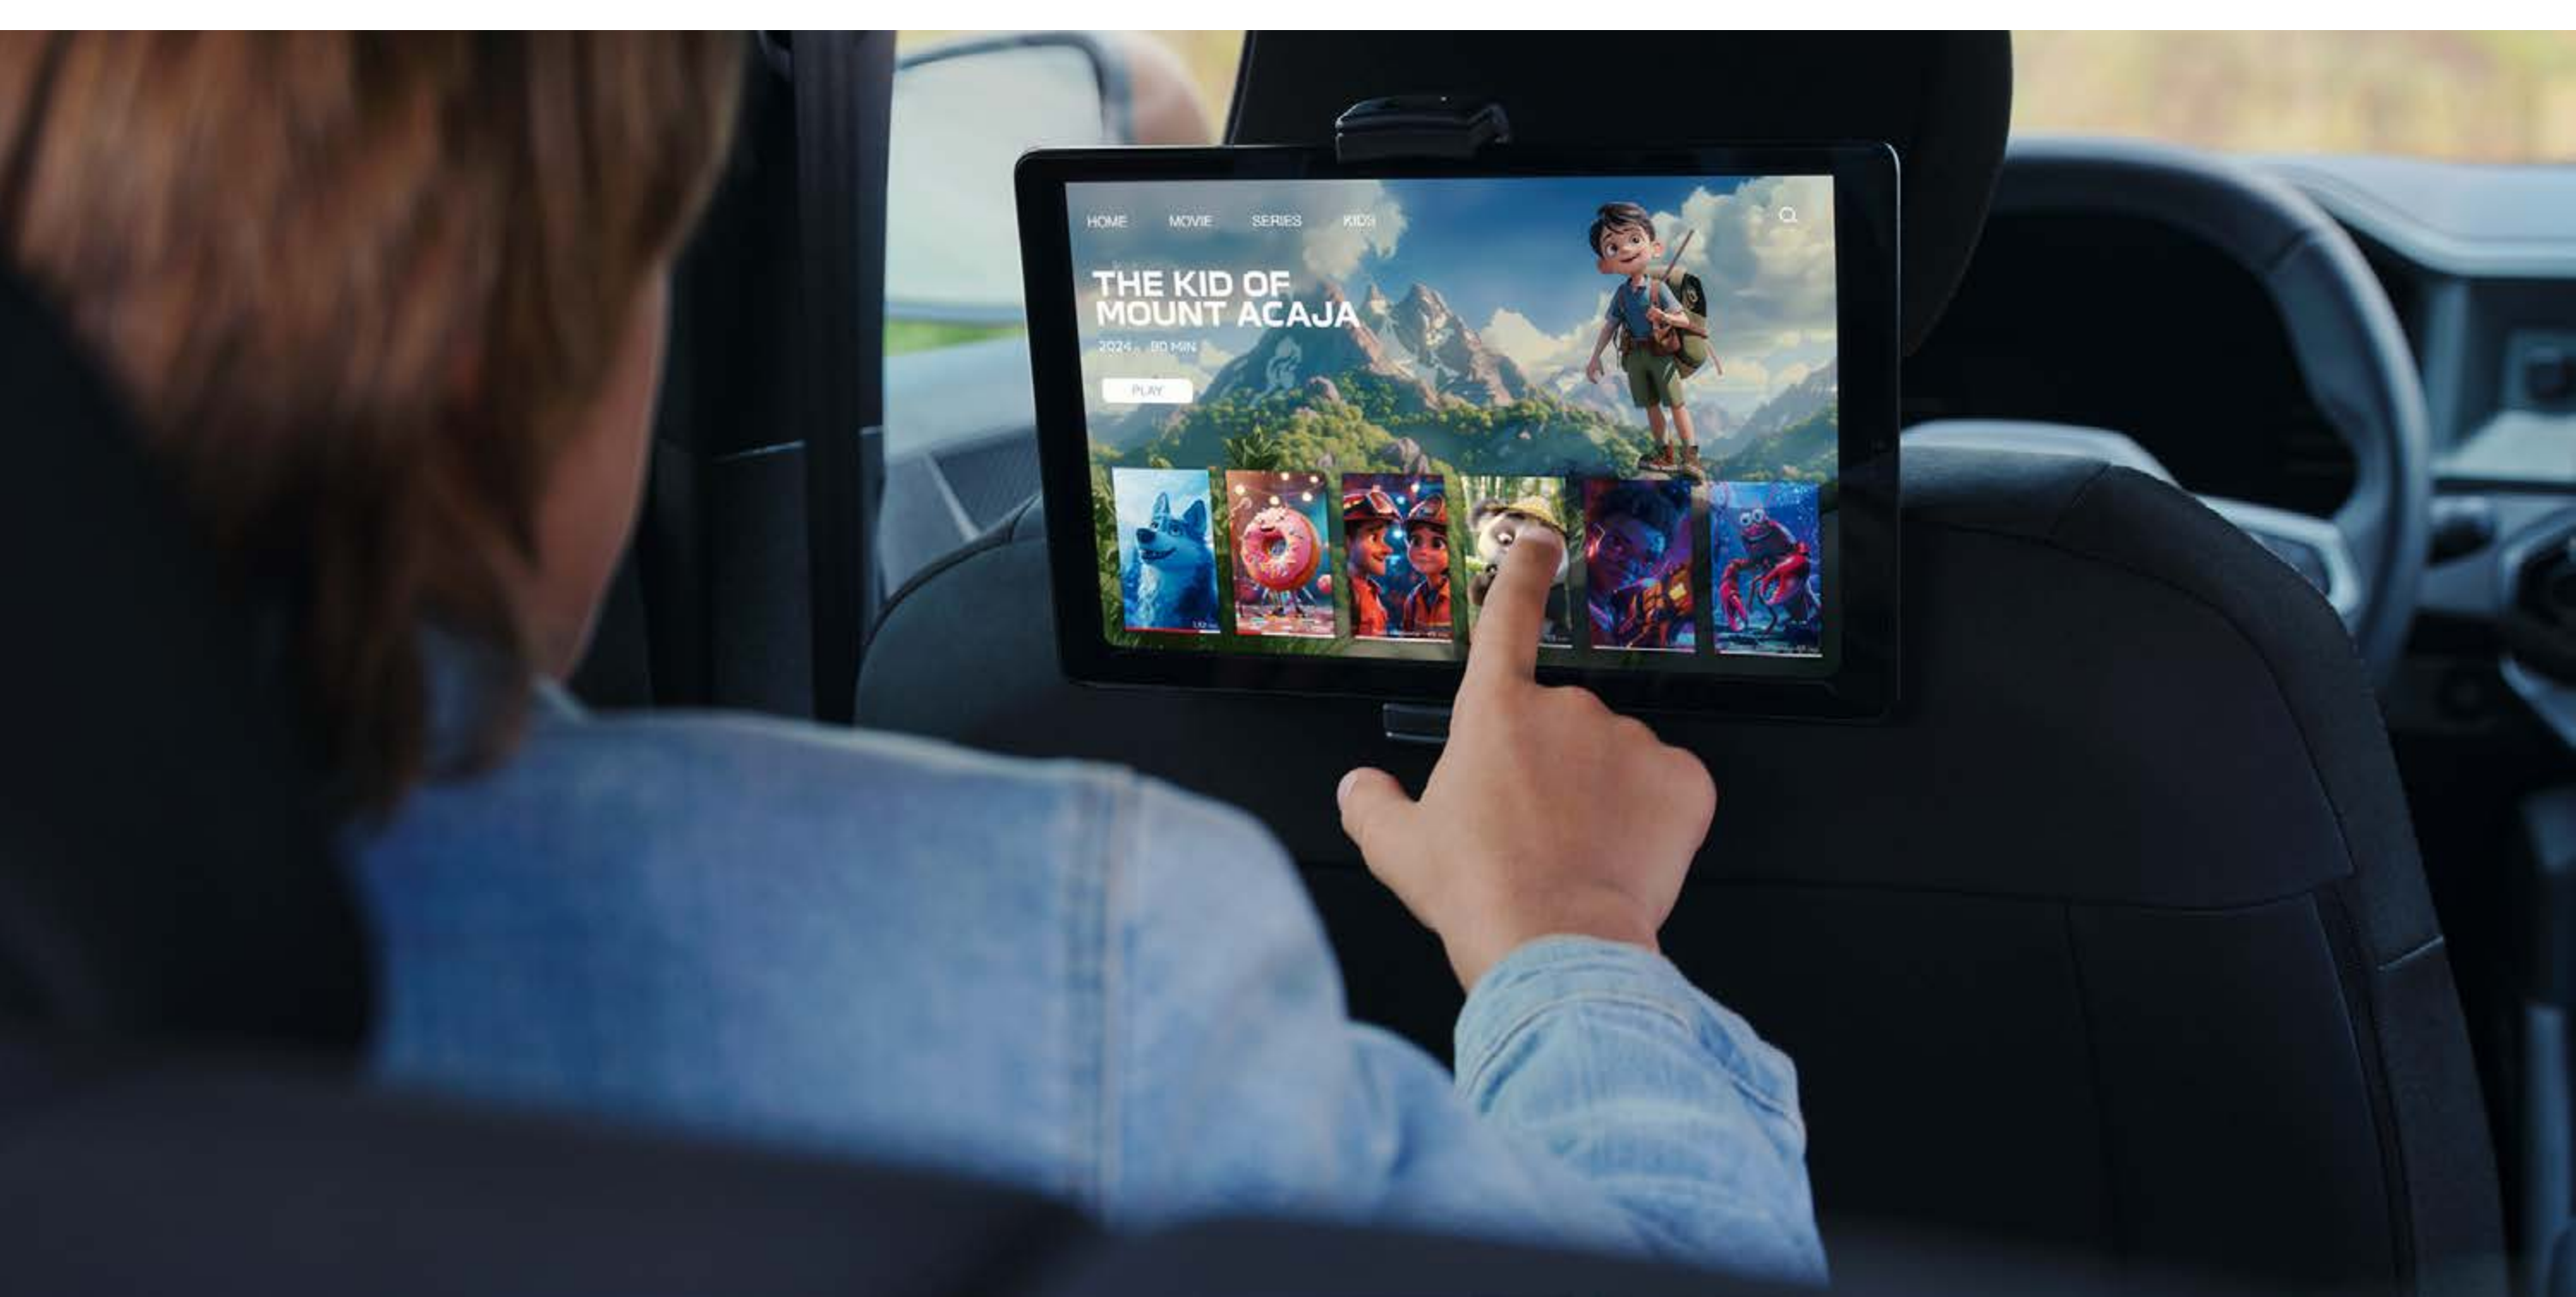

With the New YouClip attachment systems, designed to organise your interior with a wide variety of accessories developed for the YouClip range. These can be easily clipped on the 5** attachments points, which are distributed throughout well-chosen places in the car including the boot. 2 additional points behind the headrests, available as accessories, extend the system to give you a maximum of 7 YouClip points. These additional points are perfect for your tablets or phones, with our multimedia tablet holder or our smartphone induction charger. For even more comfort, a stunning 3-in-1 YouClip accessory* combines a cup holder, lamp and hook, which can be detached and used separately wherever needed.

* standard on Extreme

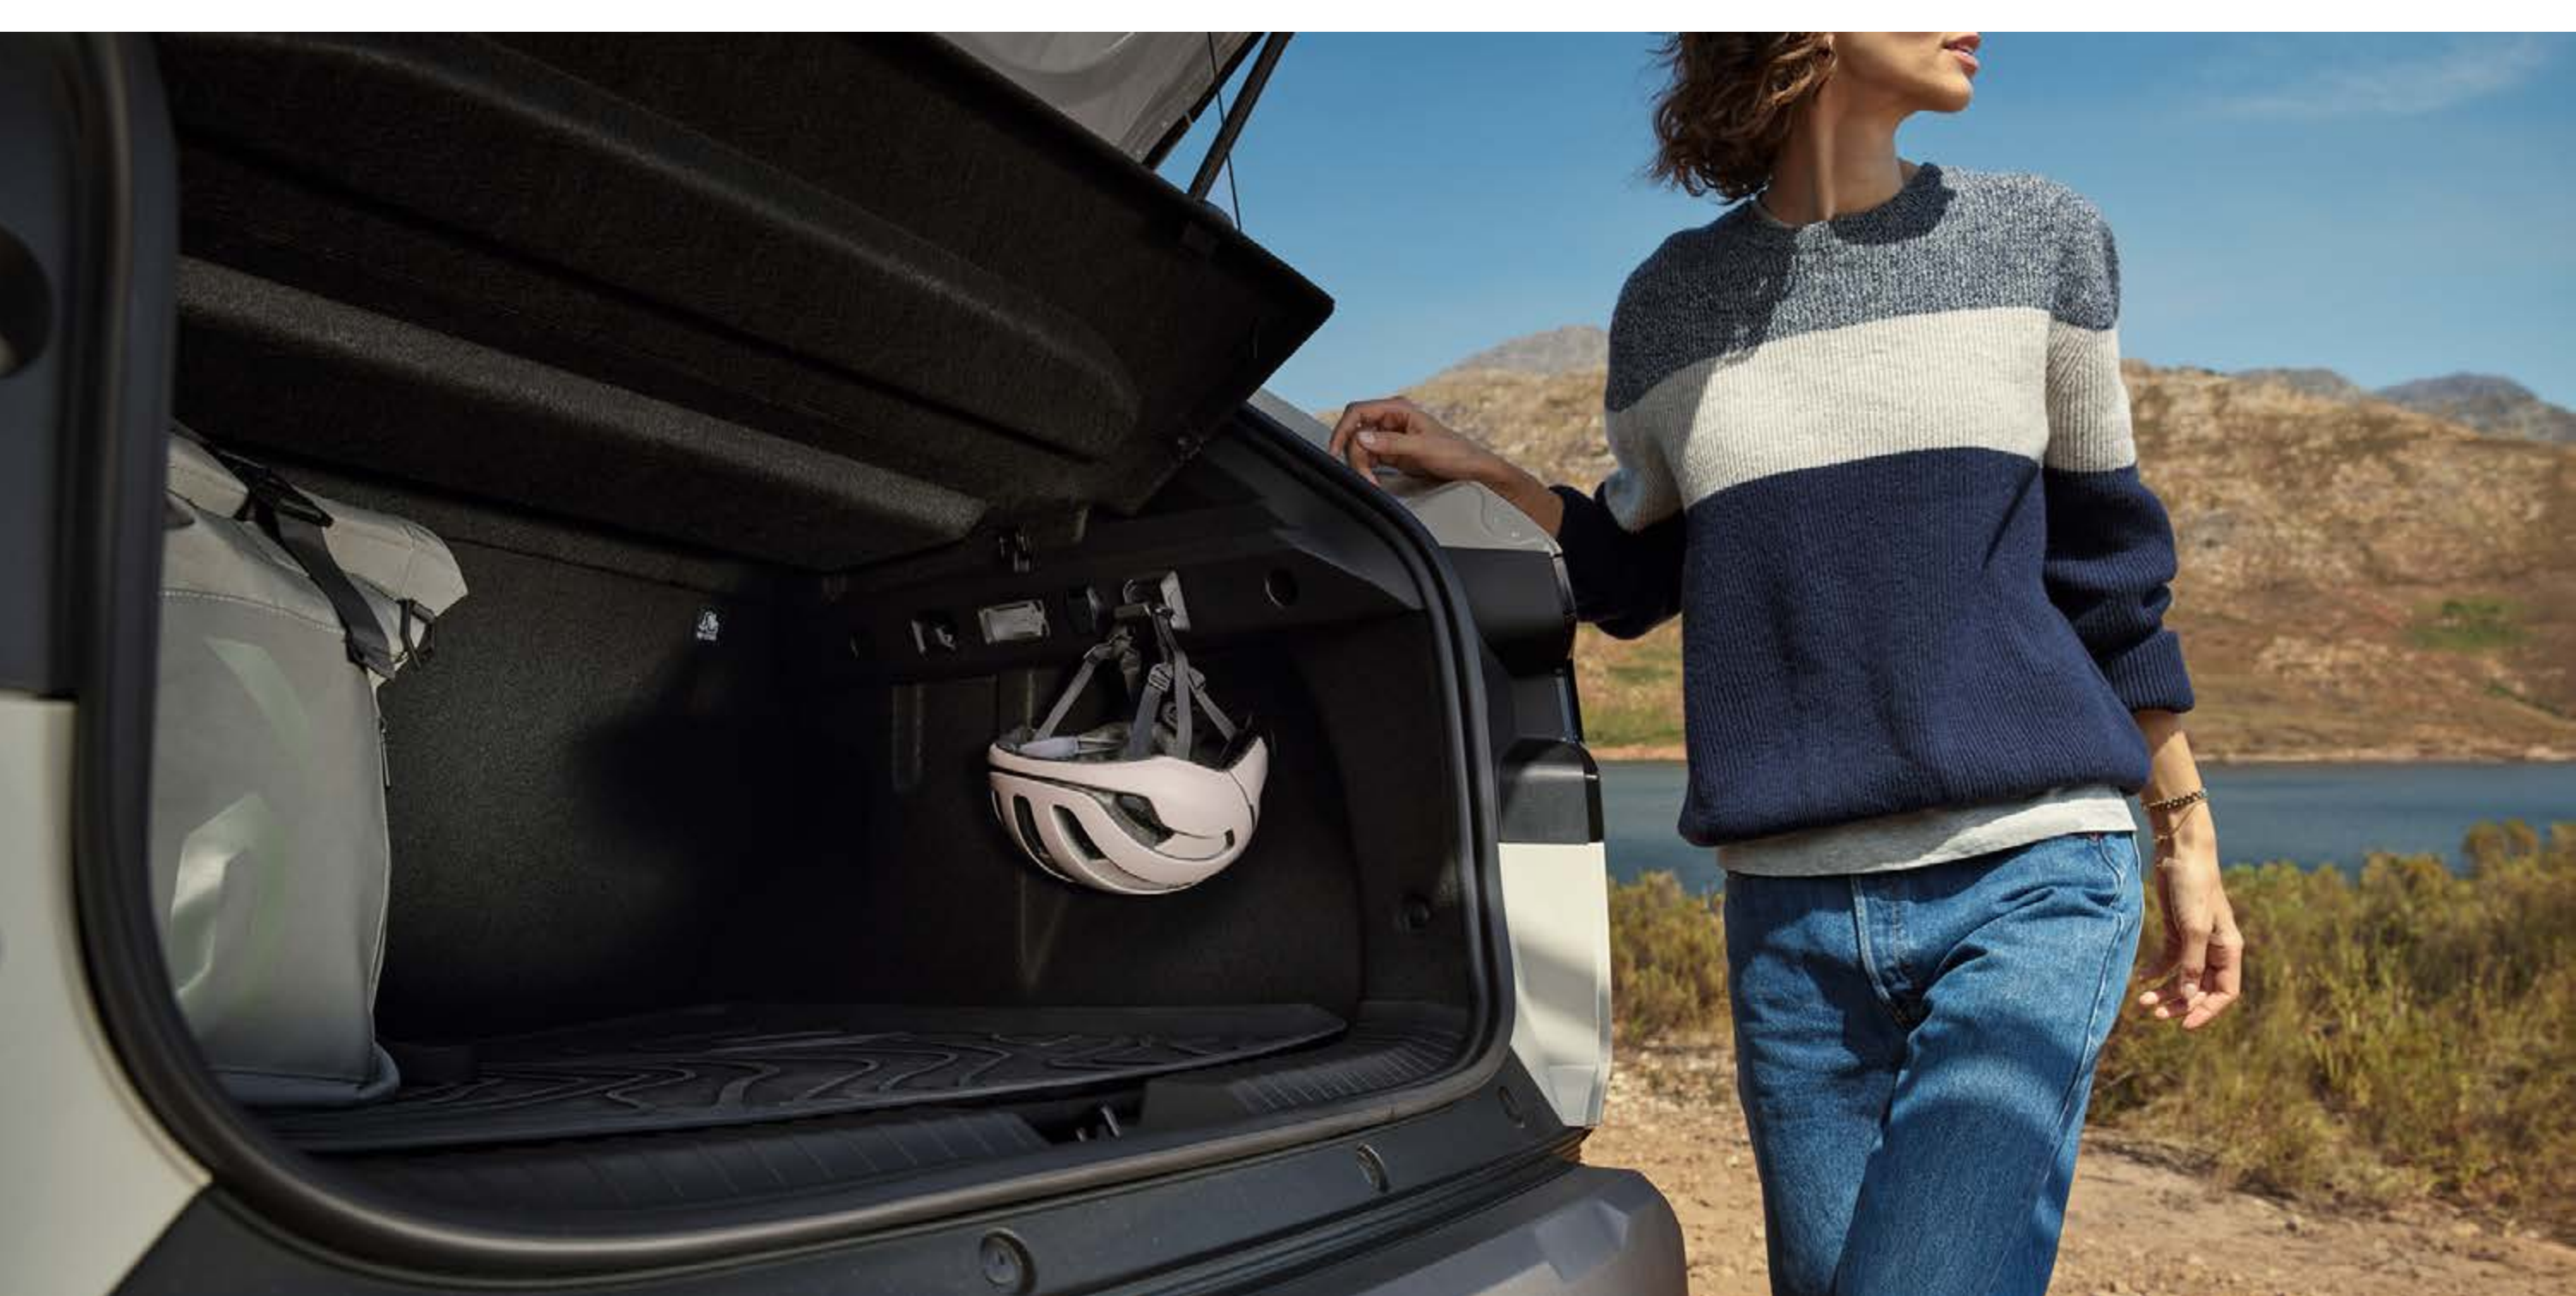

** 3 points on Essential

The YouClip range offers several other new accessories, including a YouClip smartphone holder or a YouClip bag, practical for organising on-board activities.

YouClip - multimedia tablet holder

YouClip - hook

04. SPACIOUSNESS

FOR ALL YOUR SPACE NEEDS

Enjoy the roominess with a spacious interior space, cleverly designed for your comfort and that of your passengers. Whatever your requirements, its modular design makes it perfectly versatile.

The generously roomy interior features plenty of rear legroom, a boot with a maximum capacity of 517 litres VDA and a flat floor.

Even more space with the adjustable roof bars to take everything you want.

longitudinal roof bars - from Essential Modular only on Extreme

OUTDOOR PERSPECTIVES WITH THE InNature RANGE

Travelling is unique with All-New Duster. Enjoy comfortable nights in the countryside with the Sleep Pack from the InNature accessories range and its removable double bed, 1.90 m long by 1.30 m wide. It can be set up by one person in less than two minutes, and comes with a retractable table at the rear for your breakfasts, as well as generous storage space of 160 litres in the hybrid version and 175 litres for the other engines.

Don't forget the blackout blinds sold as accessories to block out light and glare.

For a more spacious base camp, the Dacia hatchback tent connects to your Duster when the boot is open, creating 10 m² of protected sleeping space for up to 3 more people at the rear of the vehicle.

Freedom also means being able to take everything you need. Choose Dacia's exclusive InNature roof rack. It can be easily attached using our modular roof bars in traverse position, or to the transversal roof bars that are available as an accessory and accept a load of up to 80 kg.

Opaque blackout blinds

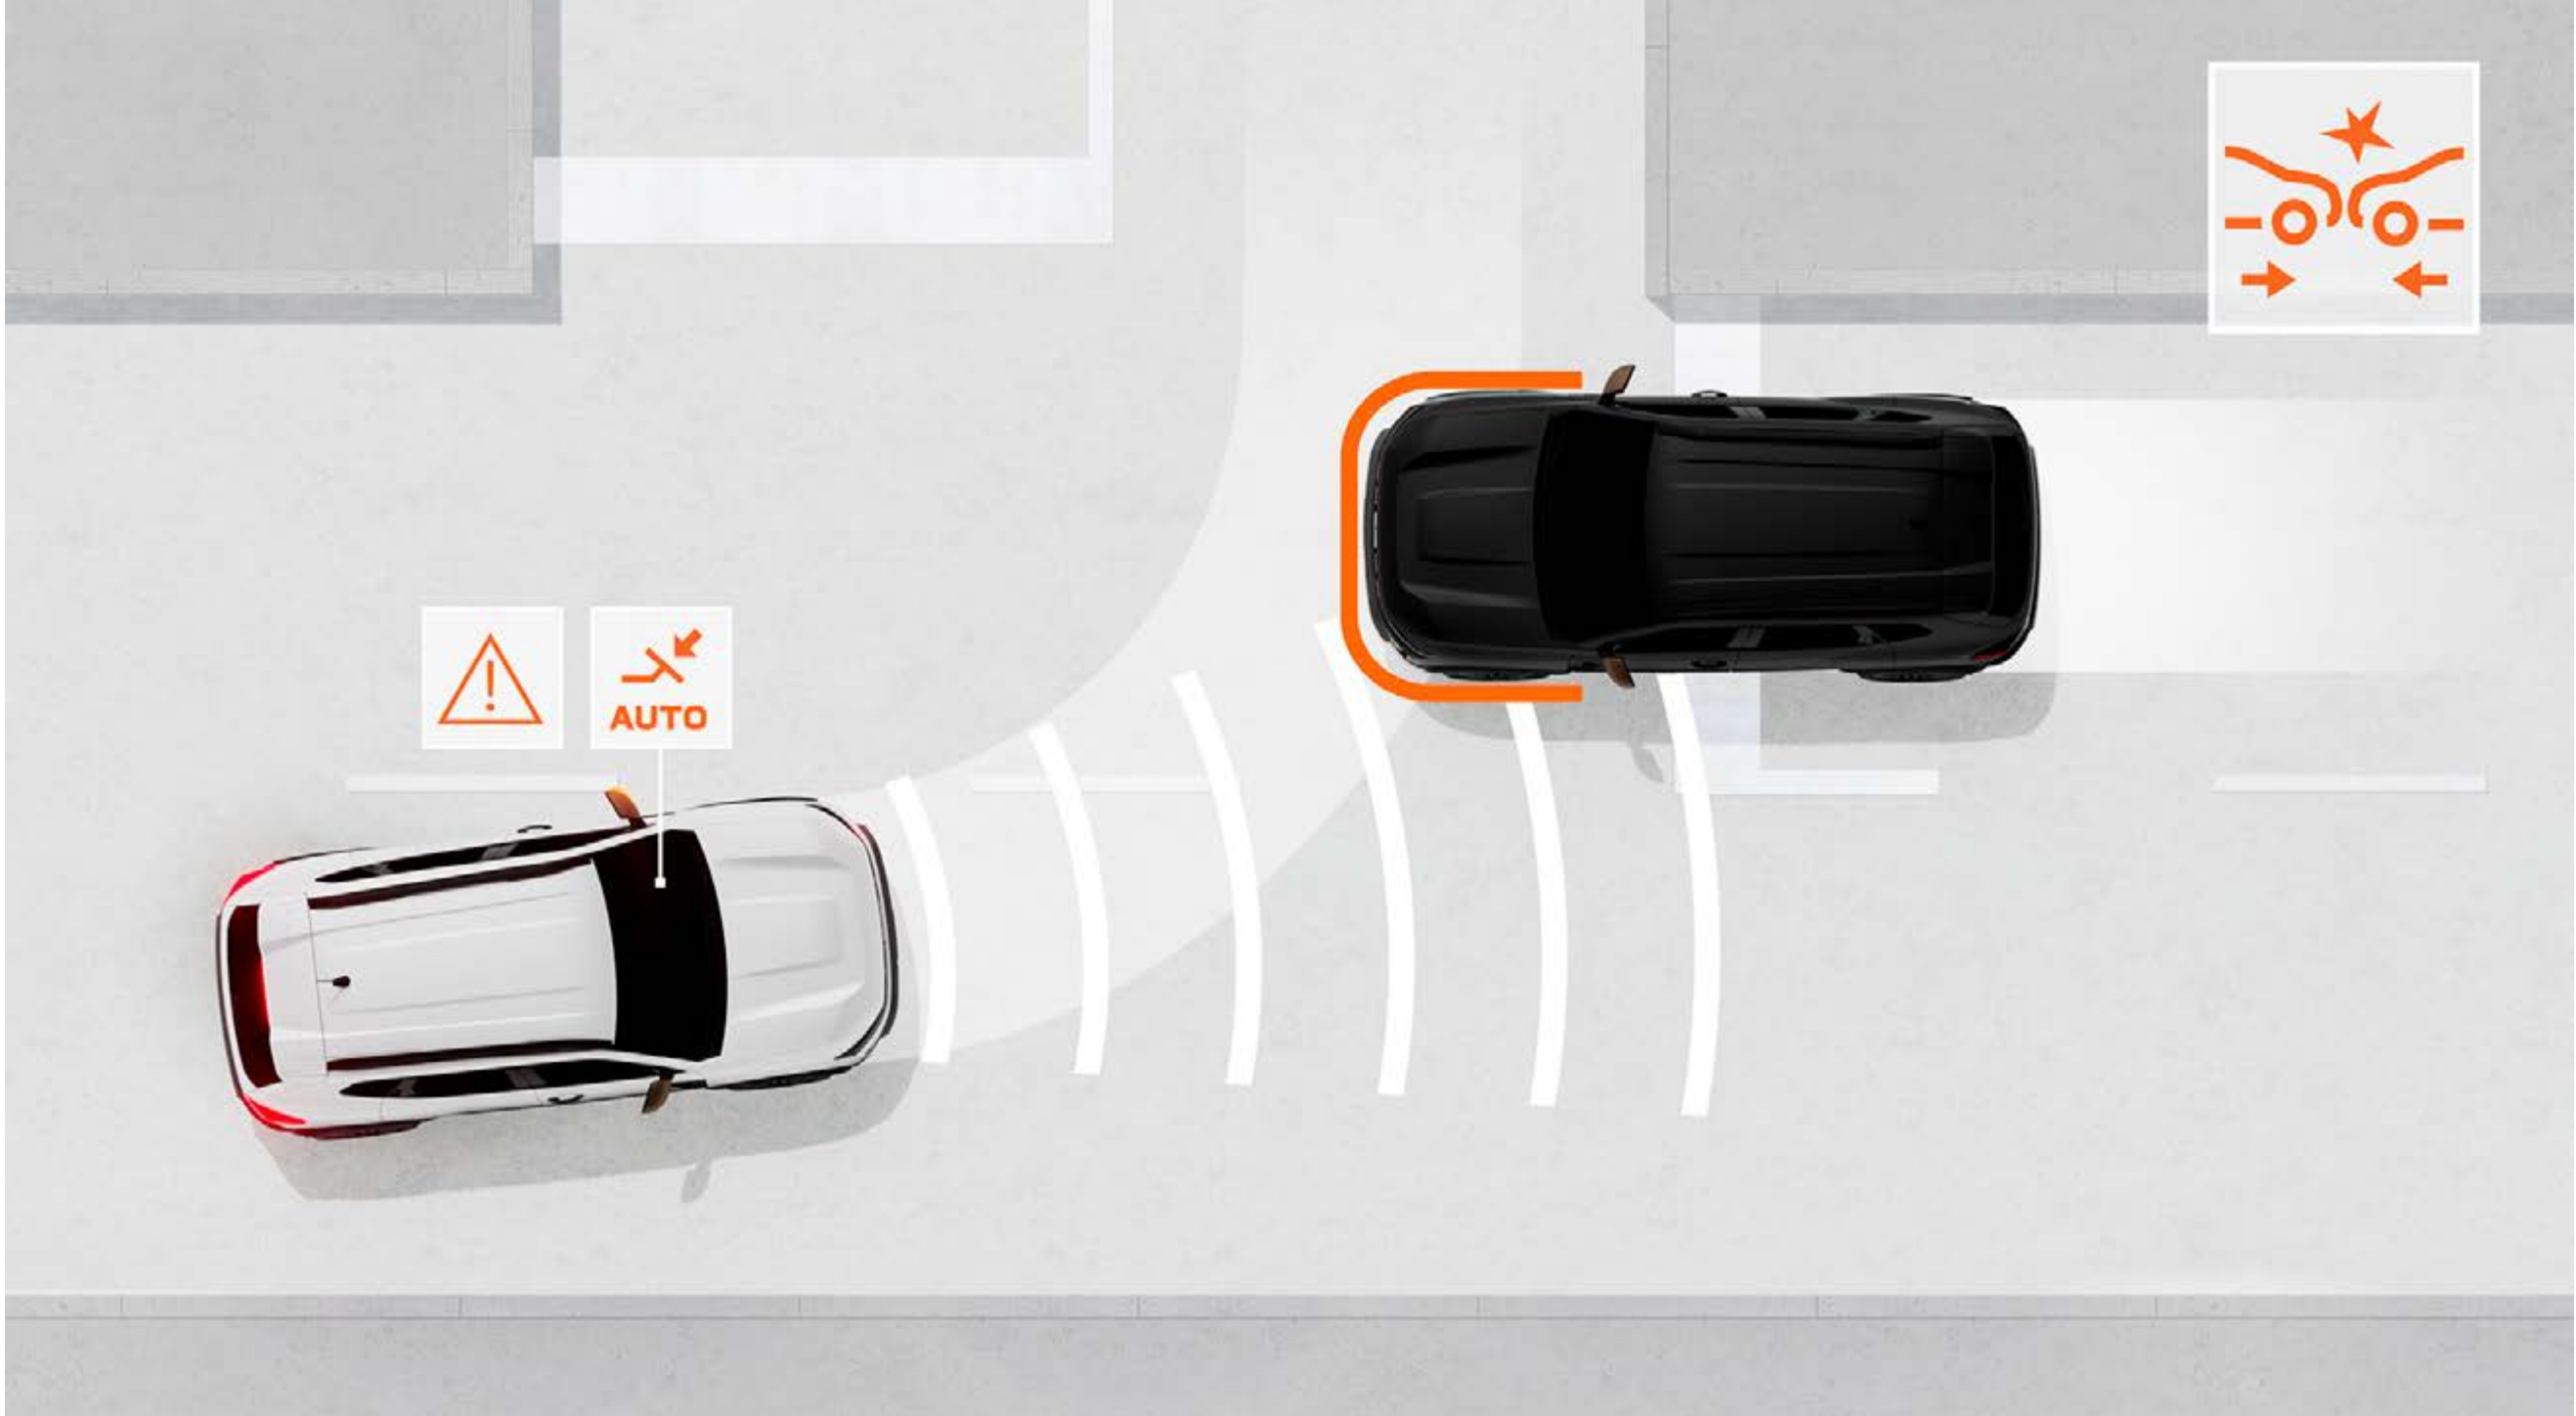

Dacia tailgate tent (up to 3 people in the bedroom area)

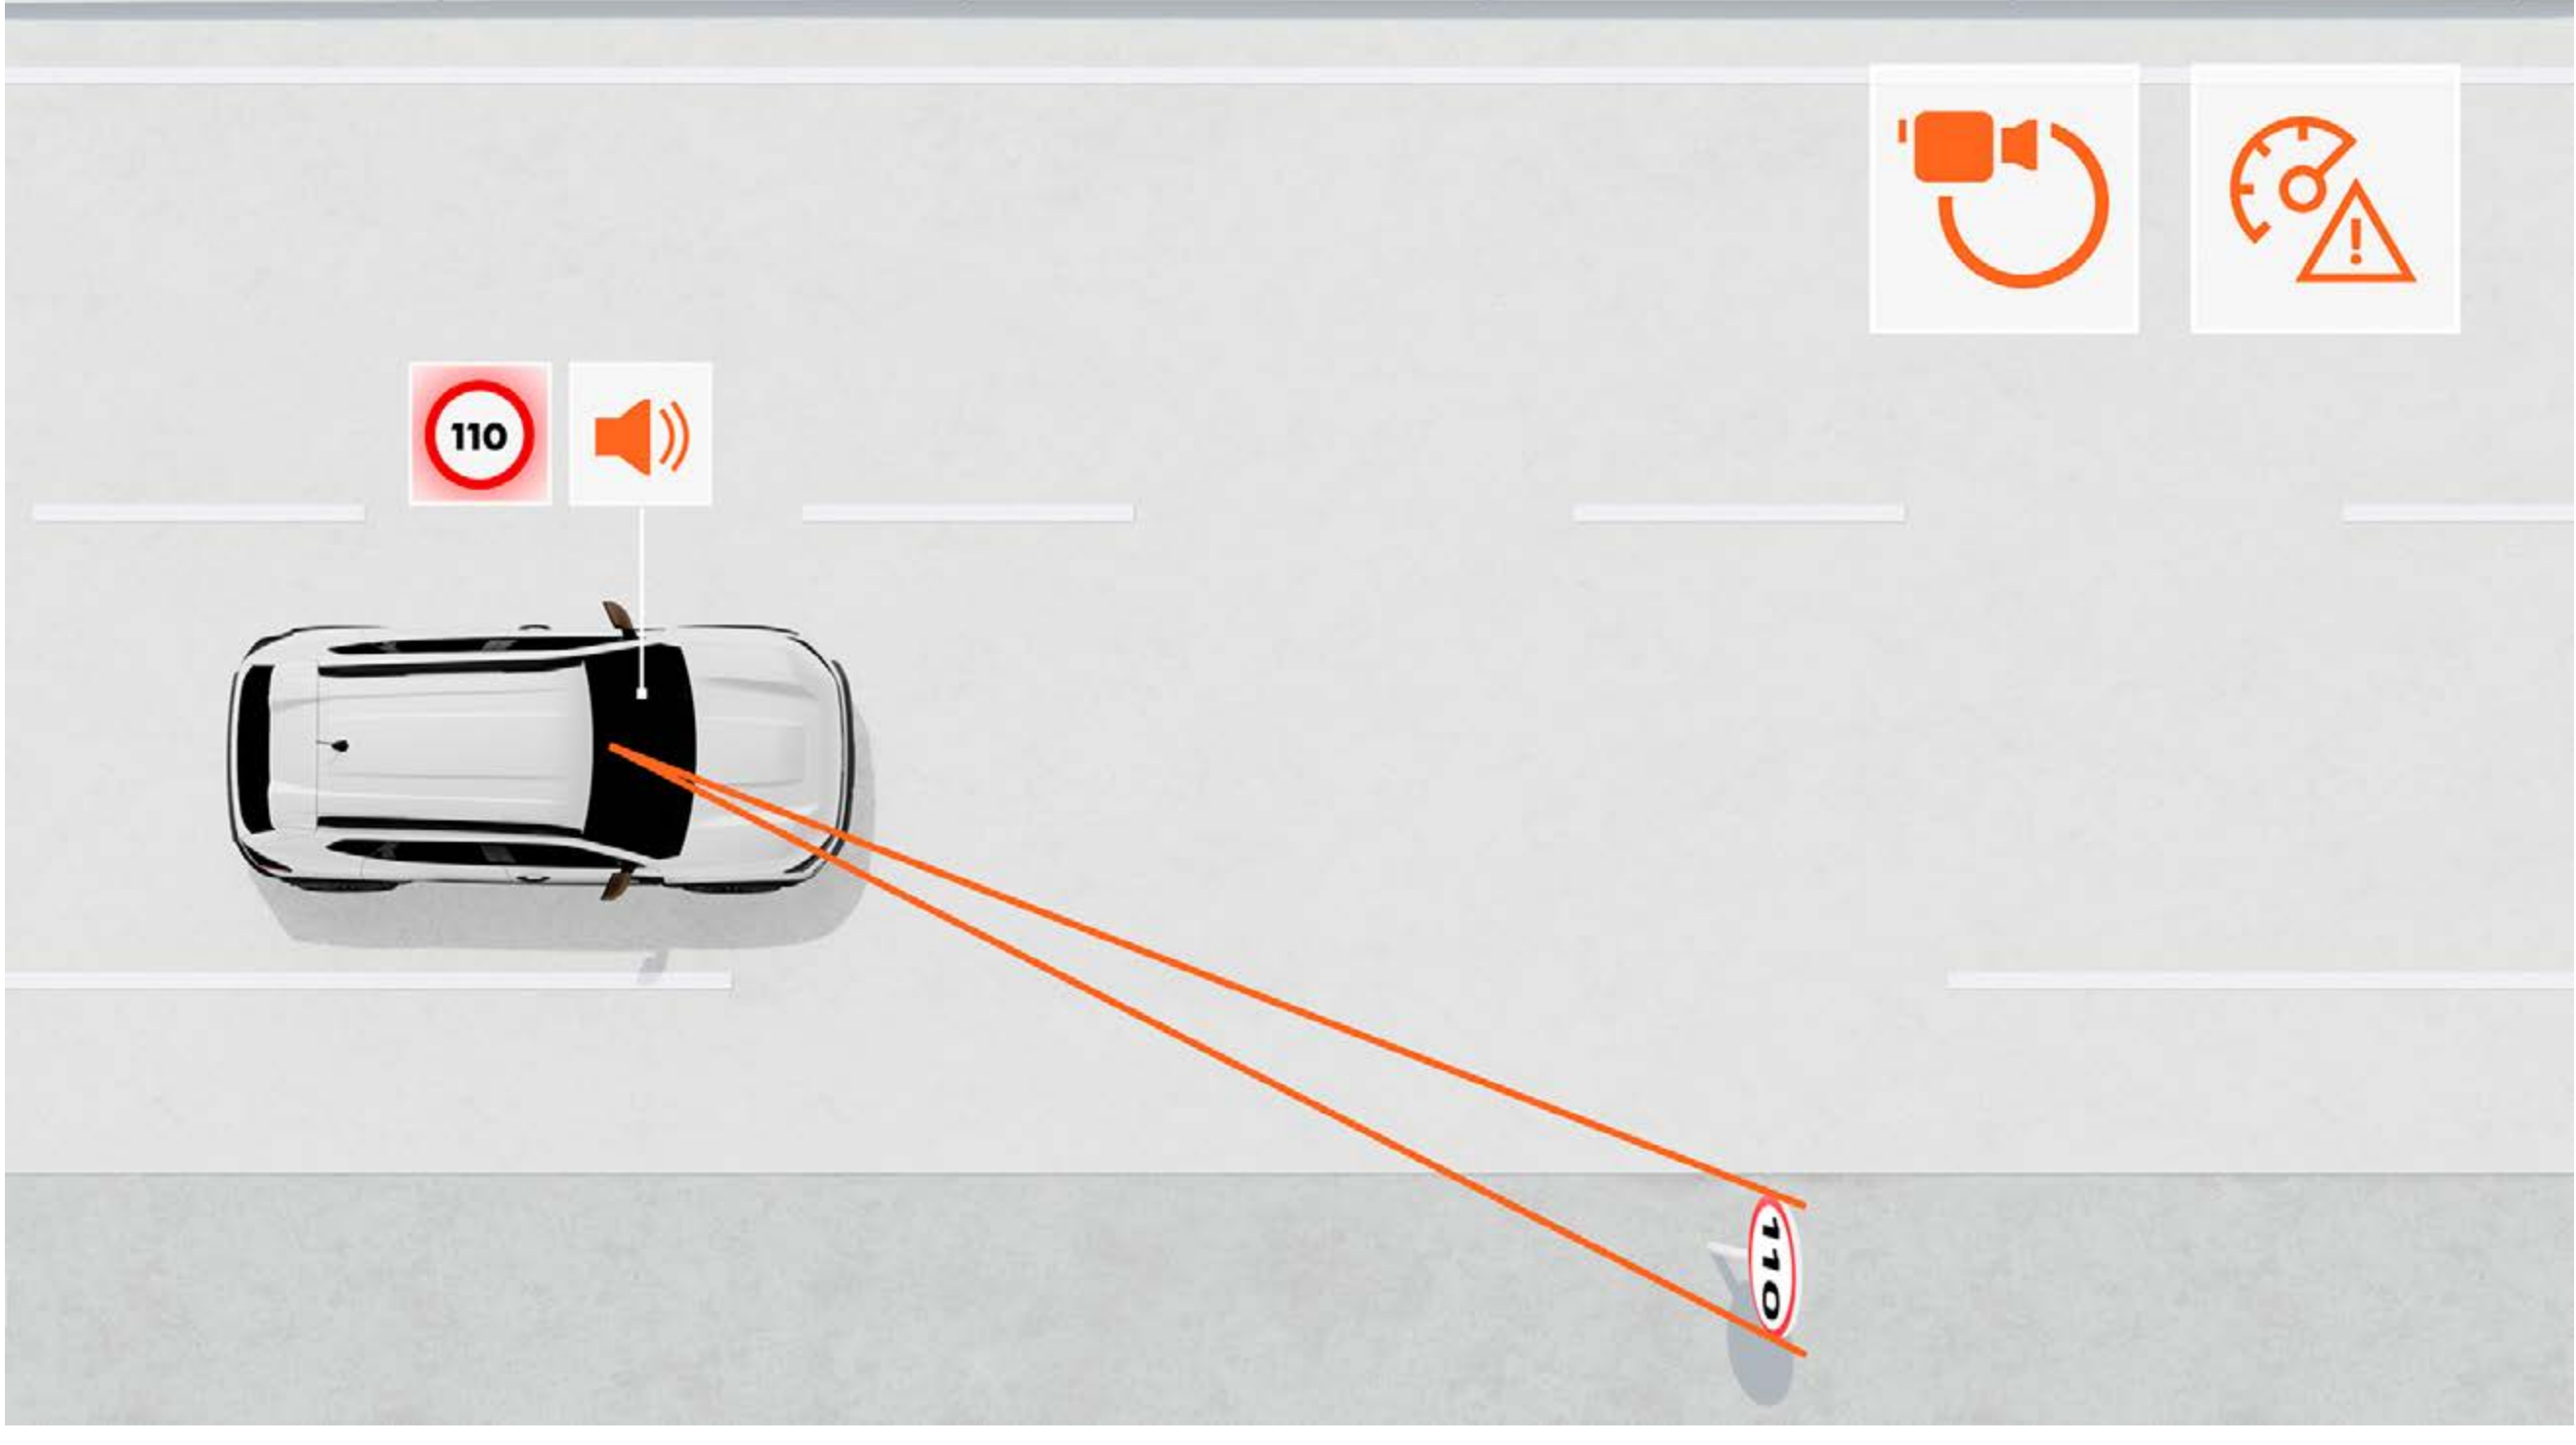

Roof rack

DRIVE IN COMPLETE SAFETY

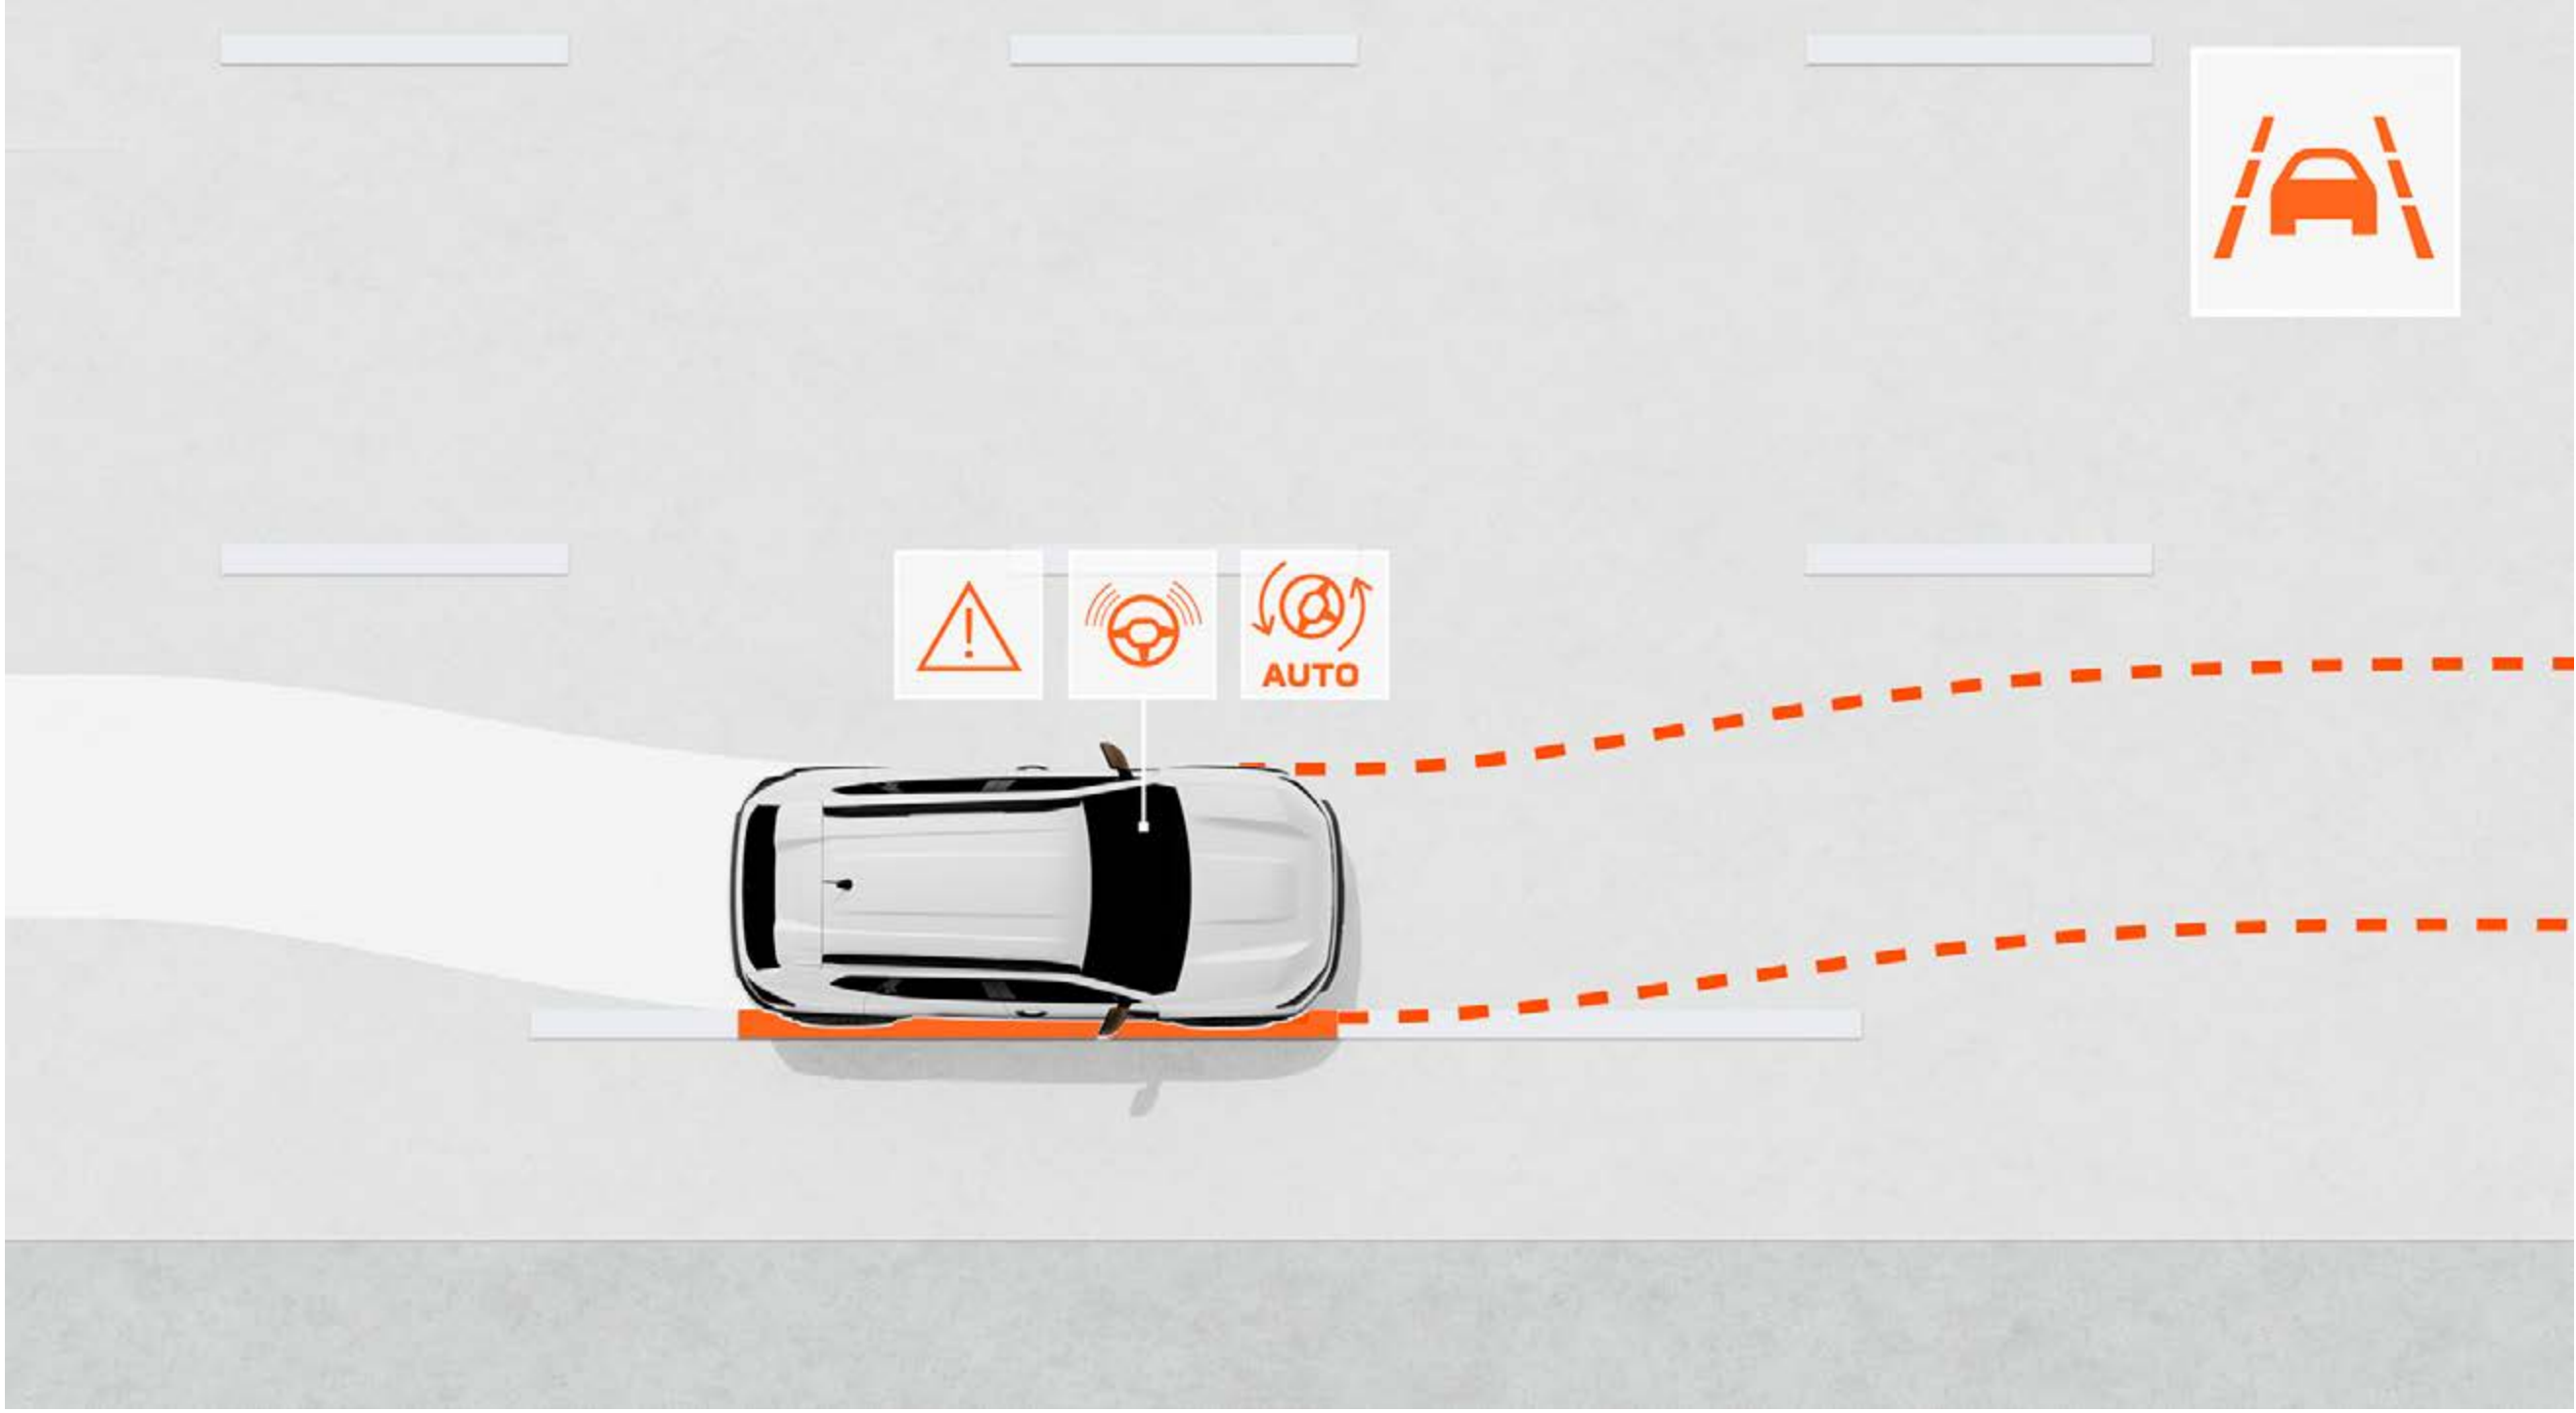

In order to complete the range of equipment already present on board for your safety and your driving comfort, All-New Dacia Duster is equipped with new-generation driving aids. Using the My Safety button you can disable some of these aids at any time. Every journey with Dacia is a worry-free experience.

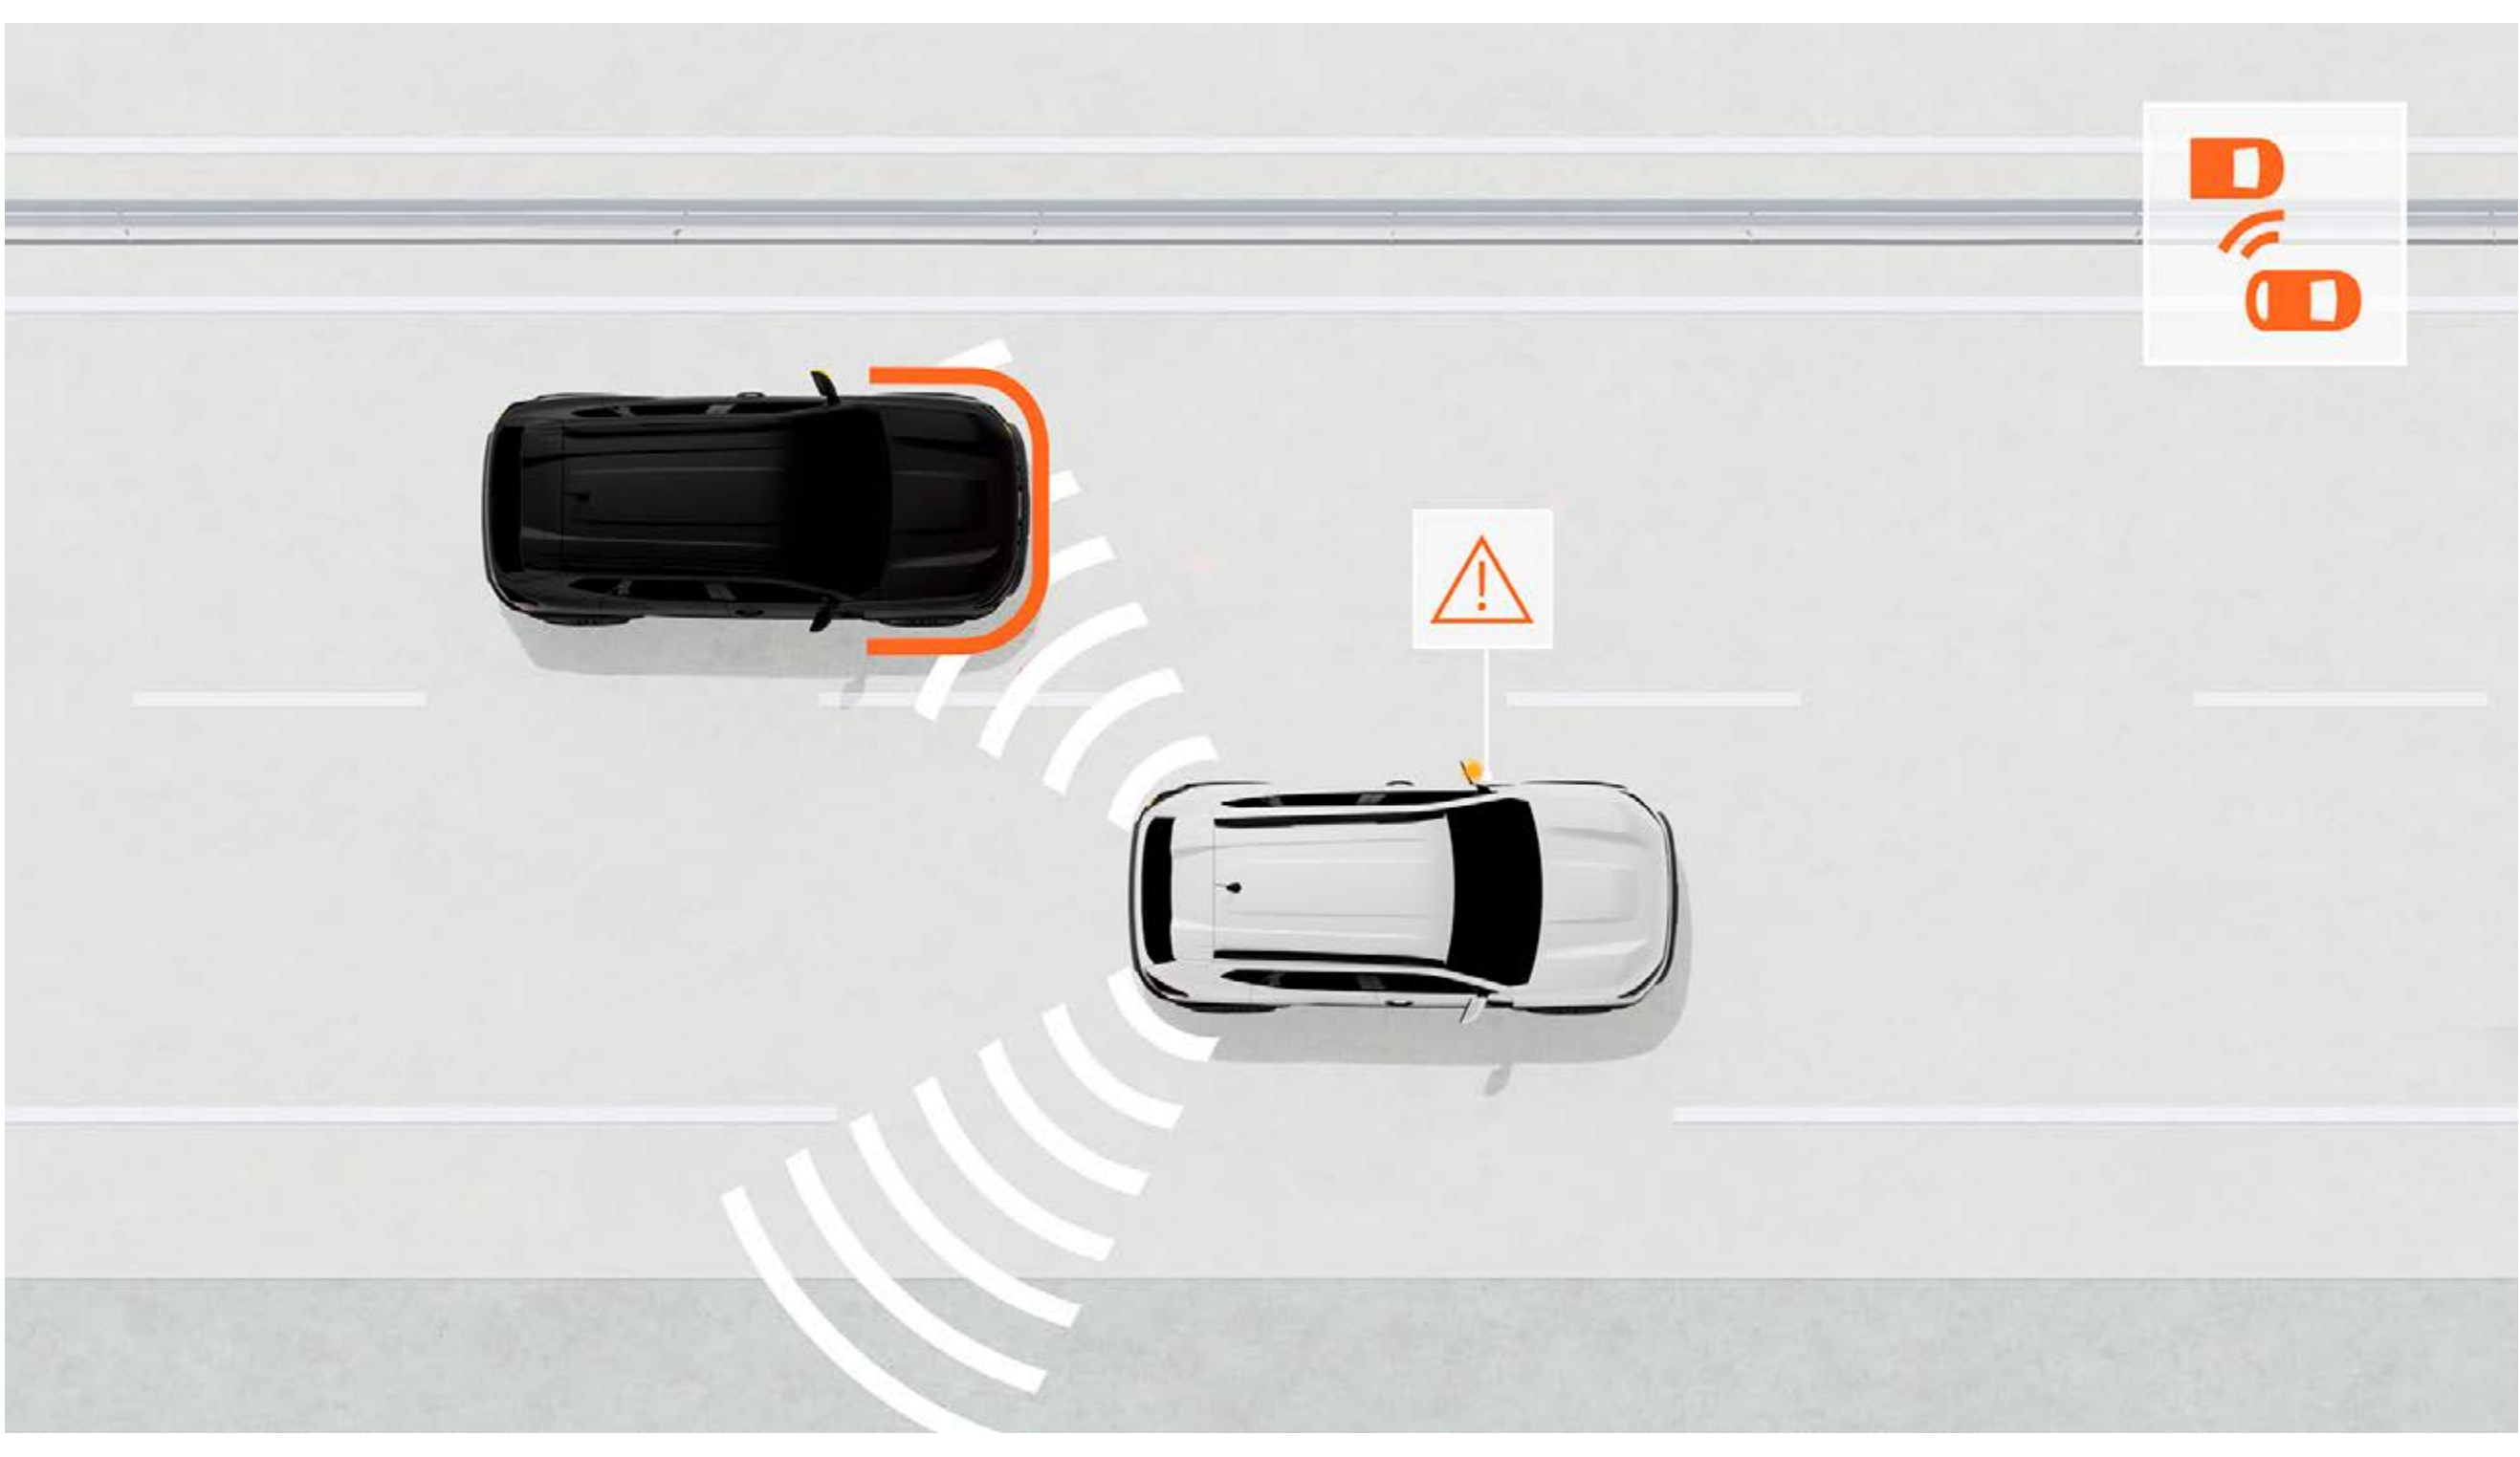

ACTIVE EMERGENCY BRAKING (AEB)
This system prevents the risk of frontal collisions involving other vehicles, pedestrians or cyclists straight ahead and at junctions. It alerts the driver and can automatically brake the vehicle if necessary.

TRAFFIC SIGN RECOGNITION WITH SPEED ALERT
This system provides a reliable real-time indication of the maximum speed on the road and warns the driver if they exceed the speed limit with visual and audible alerts (which can be disabled).

LANE KEEPING ASSIST AND LANE DEPARTURE WARNING
This aid monitors the vehicle's path in its lane and warns the driver if it unintentionally crosses a white line. If necessary, it can also correct the vehicle's trajectory with an automatic steering action.

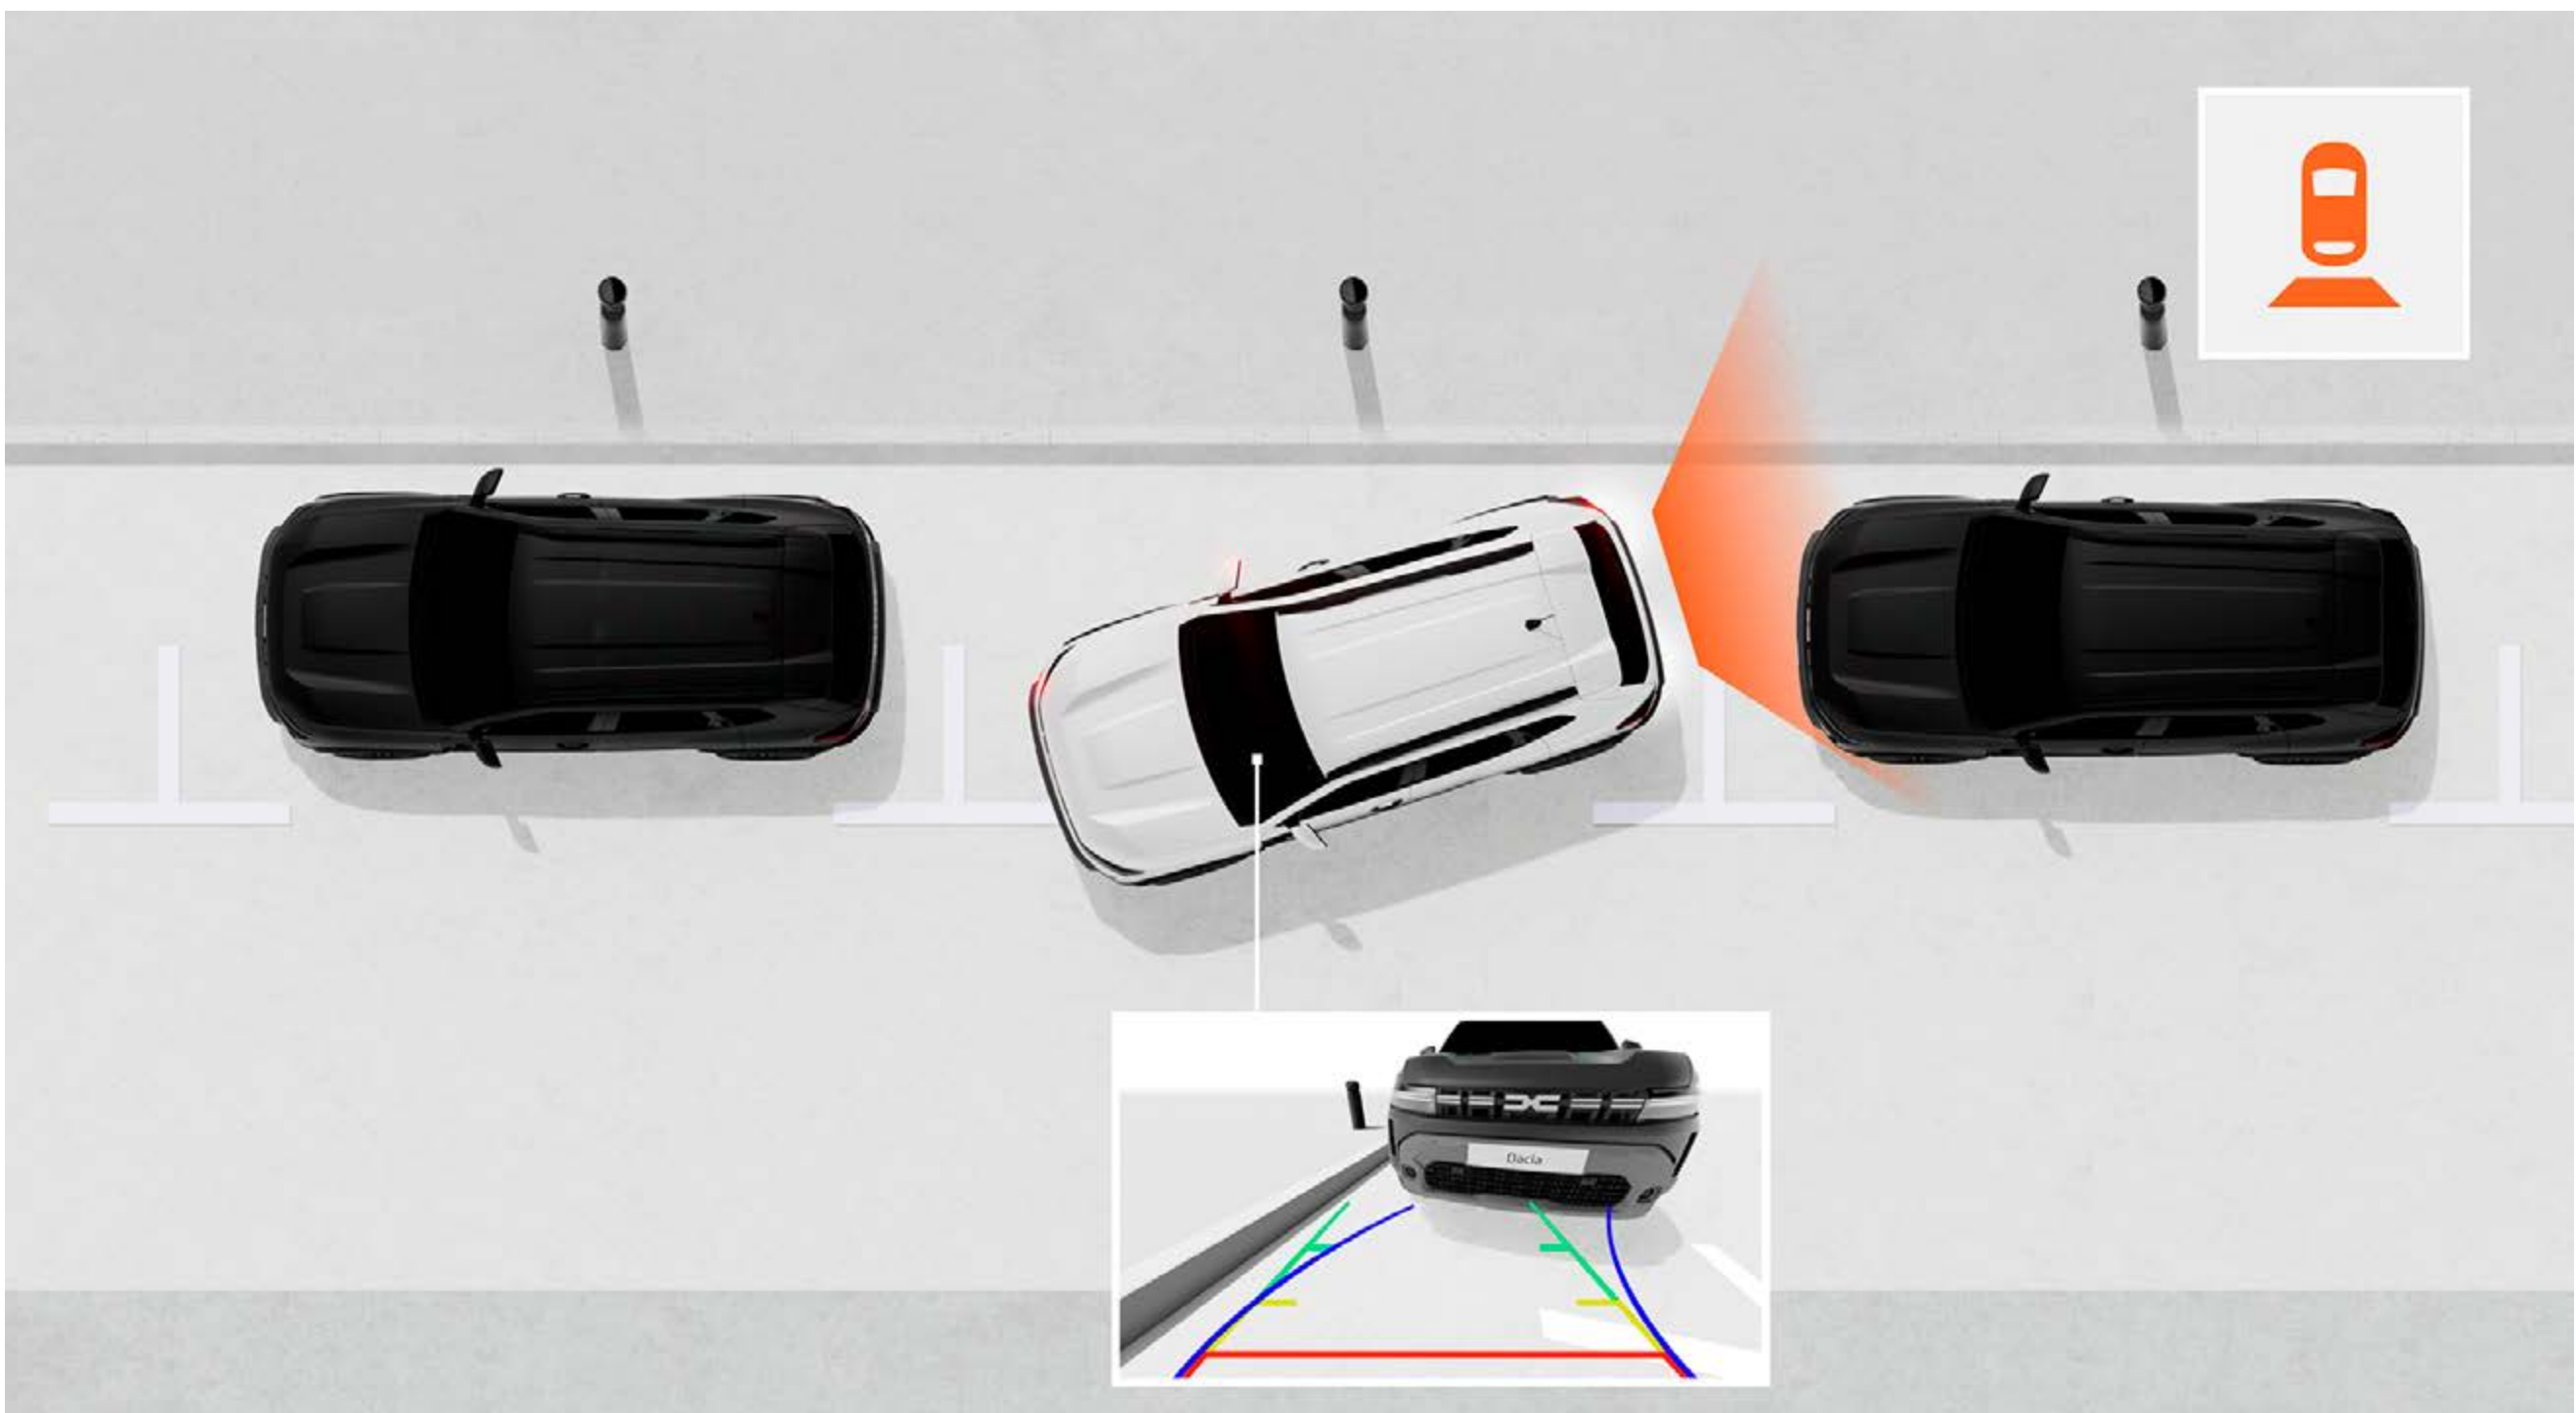

BLIND SPOT WARNING
This aid monitors the driver's areas of restricted vision to warn them with a visual signal if another vehicle or road user is in the area, allowing them to make lane changes safely.

* A only available on Journey and Extreme

HILL DESCENT SPEED MONITORING
In steep descents, this system limits the speed taken by the vehicle without having to use the brake pedal.

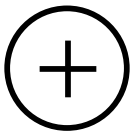

MULTIVIEW CAMERA
The MultiView Camera gives you more eyes! It provides front, rear and side views, helping you detect holes, rocks or obstacles that are not always easy to see, and making driving easier for you.*

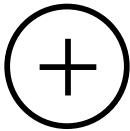

* standard on Journey and Extreme

- Black electrically-heated and defrosting door mirrors
- ECO-LED front headlights
- Wheel arch protection and snorkel in Starkle®

INTERIOR DESIGN

- Special Essential upholstery
- Black air vents
- Steel Grey interior door handles

ON-BOARD EXPERIENCE

- One-touch driver-seat window control
- Electric front passenger window
- 3 YouClip attachment points
- Remote central door locking
- Electric power-assisted steering with variable assistance
- Height-adjustable driver's seat
- Height- and depth-adjustable steering wheel
- Foldable key
- Analogue instrument cluster with 3.5" TFT screen
- New Media Control: DAB digital radio, jack and 1 USB-C sockets, 4 speakers, Bluetooth® telephone with side controls on the steering wheel, Dacia Media Control smartphone app
- USB connection for data transfer and charging

- Smartphone holder on dashboard
- 1/3-2/3 split folding rear bench seat
- Manual air conditioning system
- Luggage space cover

SAFETY AND DRIVING ASSISTANCE

- 6 airbags (driver and passenger front, curtain and side airbags)
- My Safety button to manage driver-assistance systems
- Anti-locking braking system (ABS) + Emergency Brake Assist (EBA)
- Automatic emergency braking (AEBS) with pedestrian/cyclist detection
- Electronic Stability Control (ESC) + Anti-Skid Regulation (ASR)
- Emergency call (E-call)
- Event (accident) data logger
- Vehicle pre-configuration for alcolock immobiliser
- Traffic sign recognition and speeding alert
- Lane change warning
- Lane keeping assist
- Driver fatigue detection system
- Front / rear "Rescue Code®" QR Code
- Automatic headlighting
- Eco-Mode, Stop & Start and gear change indicator
- Isofix attachment system on rear side seats
- Tyre inflation kit
- Soft feel steering wheel with speed limiter and cruise control and steering wheel controls
- Rear parking sensors

EXPRESSION

(1) Petrol engines with particle filter (DPF): to reduce particle emissions, the new direct injection petrol engines now include a particle filter in the exhaust line. The filter retains the particles present in the exhaust gases, then burns them via automatic and regular regeneration. The particulate filter requires no maintenance. (2) The vehicle's starter and battery are adjusted for use with the Stop & Start system. (3) Official consumption and emissions according to applicable regulations. (4) WLTP (Worldwide Harmonized Light Vehicle Test Procedures): this new protocol provides results much closer to those found in daily use compared to the NEDC protocol. CO₂ emissions are certified using a standard, regulatory method. This method is identical for all manufacturers and enables vehicles to be compared. (5) The payload indicated is at the lowest equipment level. (6) According to ISO standard 3832.
* Combined power of internal combustion and electric engines. ** Maximum speed with electric overtorque for a limited period of time. *** Maximum speed on internal combustion engine only.

ENJOY THE RIDE WITH DACIA ZEN

DACIA ZEN ENABLES OWNERS TO ENJOY UP TO SEVEN YEARS OF WARRANTY

- Brand new Dacia Zen warranty offers Dacia owners up to seven years of cover
- It's applicable to all Dacia models under six years old which have covered less than 75,000 miles
- Warranty is complimentary with every service completed at an official Dacia retailer
- Dacia Zen is available to owners of qualifying vehicles even if their Dacia has been previously serviced outside of the official Dacia retail network

WHO BETTER TO LOOK AFTER YOUR DACIA, THAN DACIA?

Are you the proud owner of a new or used Dacia? If your vehicle is less than 6 years old and has covered less than 75,000 miles you can get up to 7 years warranty with Dacia*

It's simple. Get your Dacia serviced by one of our expert retailers after your standard 3-year warranty expires and enjoy a Dacia ZEN warranty for a year or 18,000 miles (whichever comes sooner).

Enjoy the ride with Dacia ZEN.

Your Dacia is less than 6-years old and has done less than 75,000 miles

Have your next manufacturer service carried out in our retailer network

Get an additional 1-year of warranty*

*Warranty activated following service at participating Dacia Dealers. Valid for 1 year or 18,000 miles (whichever comes first). Vehicles over 6 years old or 75,000 miles not eligible. Full T&Cs apply.

[BOOK A SERVICE](#)

WE'VE GOT YOU COVERED

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Dacia range is one tough cookie. To prove it, you get a 3-year* warranty (or 60,000 miles, if you reach that first). This means we will replace any part which has been deemed by a Dacia approved dealer to be defective due to a manufacturing fault, free of charge. To keep the good times rolling, you can extend your warranty up to 7 years for a great price. We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Dacia will stay looking good-as-new for years to come.

ROADSIDE ASSISTANCE

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in the UK or Northern Ireland. This offer also stands for the first 3 years/60,000 milesΔ after you buy your new Dacia.

DACIA CAR INSURANCE 1

Dacia Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, your Dacia will be repaired at a Dacia Approved Bodyshop using only Dacia approved parts and approved repair methods. This maintains your Dacia's safety rating, protects its resale value and helps to maintain its Dacia warranty^.

Dacia Insurance also offers a courtesy car for the duration of a repair at a Dacia Approved Bodyshop.

Dacia car insurance: 0330 102 7795 www.daciacarinsurance.co.uk

Lines are open Mon - Thurs 8.30am - 7pm, Fri 9am - 6pm, Sat 9am - 5pm

SERVICING

Dacia Service Plans are the ultimate hassle free way to take care of your vehicle. Depending on the Service plan you purchase (grid below) your servicing needs are covered and you benefit from;

- Inflation Proof Servicing – You know exactly what you'll pay and there are no hidden costs
- Peace of Mind – No matter where life takes you, we'll be there in over 5000 workshops across Europe
- Dacia Expertise & Quality – Our highly trained technicians know your Dacia inside out

The Dacia Service Plan contains Dacia services in-line with the manufacturer's service schedule, plus comes with a complimentary vehicle health check to ensure your Dacia is in the best condition possible.

SERVICE PLAN^	Monthly payments	
3 years / 30,000 miles Service Plan		£13.99 per month
3 years / 45,000 miles Service Plan		£21.99 per month

4 years / 60,000 miles Service Plan +1 MOT		£23.99 per month

EXTENDED WARRANTY	Total Retail Price	
4 years / 100,000 miles†		£490
5 years / 100,000 miles†		£565
6 years / 100,000 miles†		£715

Dacia Extended warranty ends when you reach the age or mileage limit (whichever comes first).

SERVICE INTERVALS◊

Annual servicing **OR** servicing at 18,000 miles (whichever comes first)

Service Schedule◊	Year 1	Year 2	Year 3
	Change Cabin Filter	Change Oil + Oil Filter	Change Cabin filter + Brake Fluid
	Year 4	Year 5	Year 6
	Change Oil + Oil filter + Air filter (36k miles) + Spark Plugs (36k miles)	Change Cabin filter + Coolant (90k miles)	Change Oil + Oil Filter + Brake Fluid + Accessory Belt (90k miles)

*Dacia warranty ends when you reach the age or mileage limit (whichever comes first), from date of registration. Subject to status, terms and conditions apply. For full Dacia Extended Warranty Terms and Conditions visit www.dacia.co.uk/warranty-and-assistance/warranty

ΔRoadside assistance for the first 3 year / 60,000 miles, which ever is reached first, from date of registration. For full Terms and Conditions visit www.dacia.co.uk/warranty-and-assistance/assistance

† Dacia Extended warranties are available to purchase from first date of registration up to end of manufacturer warranty. For full Dacia Extended Warranty Terms and Conditions visit www.dacia.co.uk/warranty-and-assistance/warranty

^ The Service plan offer is available for eligible retail vehicles only and valid at participating dealers only. Vehicles must be ordered between 2 July to 30 September and registered by 31 December 2024. The Dacia Service plan covers the manufacturer's minimum maintenance programme requirements for the term of the Service plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/- 1 month or 1,000 miles of the service interval and can only be carried out at a Dacia Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. For Service plan full Terms & Conditions visit www.dacia.co.uk/services-and-finance/service-plan. Cannot be part exchanged, refunded or transferred.

◊ The service schedule and intervals are specific to the version and derivative of vehicle. Check with your Dacia retailer to confirm the service schedule / intervals as the above is an indicative guideline.

1 Dacia Insurance is arranged and administered by Verex Insurance Services Ltd, which is registered in England and Wales No. 05686831 at Batchworth House, Church Street, Rickmansworth, Herts, WD3 1JE and authorised and regulated by the Financial Conduct Authority, No. 487185. Verex Insurance Services Ltd arranges policies from a panel of insurers, details are available on request.

^If your insurer uses non-approved parts which subsequently fail, they may not be covered under your manufacturer's warranty.
