

NEW **CITROËN C3**

INSPIRÉ PAR **VOUS**

During the 90s Le Tone had a major hit, "Joli Dragon", and devoted himself to music for 15 years before progressively moving towards illustrative art. Since 2011 his creations have been exhibited in famous places such as the Pompidou centre. An admirer of artists who know how to make the best use of colour, Le Tone confesses to having a weakness for black and white, which he uses to tell simple stories by using felt pen drawings in notebooks.

1974

Citroën launches CX. It's the ultimate mix of technical innovation and advanced design with the engine and gearbox positioned together at the front. Sophisticated hydropneumatic suspension, concave rear screen and a futuristic dashboard help it to succeed amongst more ordinary rivals.

2019

The spectacular design of the 100% electric 19_19 Concept is inspired by aeronautics and pushes comfort to the extreme, with a lounge on-the-move experience created by intelligent suspension. It also provides autonomous driving, a personal assistant and a range of 500 miles.

CITROËN
Origins

Discover the models that make up Citroën's extraordinary history, from 1919 to the present day.

1934

Citroën revolutionises the automotive landscape with Traction Avant. The famous name relates to its ground breaking front wheel drive engineering.

1939

Citroën launches 'TUB', a supremely practical modern design with a sliding side door: its successor is the famous Type H, above, launched in 1948.

1948

The much-loved 2 CV is created as a "safe and economical vehicle, able to carry 4 people on-board and 50 kg of luggage". More than 5 million are made.

1955

Unveiled to a stunned public at the 1955 Paris Motor Show, DS takes futuristic design to new heights. Its stunning aerodynamic shape, created by Flaminio Bertone, earns it the nickname 'flying saucer'. Under the skin it's just as advanced.

1968

It's a golden age for light and agile vehicles like Ami 6, Dyane and Mehari, a unique design for all roads and multi-purpose use.

2014

Citroën C4 Cactus was awarded the "World Car Design of The Year" title in April 2015, confirming that this car challenged the status quo with its bold and innovative style.

A CITROËN FOR EVERYONE

Around town or across the country, every Citroën provides pure comfort and a welcoming environment. It's always been this way.

DESIGN

New Citroën C3 rewrites the urban-car rulebook with its strong personality and robust, dynamic look, accentuated and reinforced by its large wheels. Its side Airbump® panels, three air-filled bumps low down on the door further define C3's style while protecting its bodywork. The design of this protective system is reflected in the new quarter-panel detail, highlighting the visual coherence of New Citroën C3. At the front, the high, horizontal bonnet gives a look that is full of reassurance.

Find all New Citroën C3 videos by scanning the code with your smartphone.

NEW FRONT DESIGN

More assertive and dynamic, the front of New Citroën C3 is inspired by the CXPÉRIENCE concept car. The chevrons and the chrome strips run right through to the LED day-running lights, emphasising the vehicle's width. Its new LED headlights add a hi-tech look, while the front fog lights, located in the lower part of the front end, feature colour surrounds.

PROTECTION IMPACT

AIRBUMP®*

The new design of the Airbump® side panels develops the robust look that characterises the exterior style of New Citroën C3. Even better, they effectively protect the bodywork from everyday knocks. Each panel is now made up of three sculpted capsules, and are located low down on the doors and with the first capsule highlighted with either a White, Red or Anodised Emerald surround to match the colour chosen for the fog light surrounds.

** New Citroën C3 is available with or without Airbump®.*

A WIDE RANGE OF CUSTOMISATION

Choose from discreet or a bold appearance thanks to the vast range of exterior colour combinations available on New Citroën C3. Choosing your ideal C3 is easy thanks to ready-made colour packs that matches exterior highlights with a bi-tone roof. Or if you'd like, feel free to mix up colour packs, roof colours and body colours making a total of 97 colour combinations possible*.

**Some combinations available by special order only.*

97 COMBINATIONS

Elixir Red and Spring Blue are two of the colours that supplement the customisation palette for New Citroën C3. The Anodised Emerald Colour Pack joins the existing Black, White and Red Colour Packs. To enhance the bi-tone range, Emerald Blue is now offered in addition to Opal White, Onyx Black and Sport Red.

7 EXTERIOR COLOURS

4 BI-TONE ROOF COLOURS

Note that the colour chosen for the roof will match the door mirror shells and the rear quarter panel finish.

Choosing a roof colour brings a colour pack that complements it as standard, so for example Emerald roof brings the Anodised Emerald colour pack. If you want to combine your chosen roof colour with a different colour pack, please ask your Dealer.

4 COLOUR PACKS

The Colour Packs surround both the fog lights and the Airbump® panels.

3 ROOF DECALS

NEW

Personalise the roof of your New Citroën C3 with a choice of three graphic themes: Red, Emerald or Techwood.

3 INTERIOR AMBIANCES

3

The exterior customisation range for New Citroën C3 is matched inside, with an interior designed to act as a real living space, where peace of mind is guaranteed. The passenger compartment immerses its occupants in a cocoon of comfort. Each interior ambiance features bespoke dashboard, seats and door trims, creating a warm and welcoming environment for all passengers.

In addition to the refined look of the standard ambiance, New Citroën C3 offers two new interior ambiances that each include unique seat trims and colour touches.

The 'Techwood' ambiance brings a subtle level of elegance to New Citroën C3, created using high-quality materials with its Scandinavian-inspired wood-effect dash-board inlay, combined with the light coloured upper seat trim. The 'Techwood' ambiance provides passengers with a fresh and modern interior living space**.

As for the Emerald ambiance, a more dynamic environment is created thanks to contrasting dominant dark colours with colourful touches throughout. The seats are trimmed with a 3D-mesh technical textile, and a black leather-effect dashboard inlay finishes the look**.

*Standard on Flair Plus.
**Optional.

COMFORT

The Citroënist
Est. 1919

FILTER
OUT STRESS

MAKE LIFE
ON BOARD EASIER

LIGHTEN
THE MENTAL LOAD

IMPROVE
THE FLOW

Contemporary and welcoming, New Citroën C3's interior has been designed to ensure serenity reigns supreme. The CITROËN ADVANCED COMFORT® programme delivers innovative, technological and intelligent solutions to create wellbeing for drivers and passengers alike, and confirm Citroën's driving-comfort credentials. Four main themes are at the heart of this comfort engineering: the cocoon effect, practicality, fluidity and peace of mind.

ADVANCED COMFORT SEATS

New Citroën C3 benefits from seats with wide cushions and backrests, inspired by the furniture industry. Their design, a 100% Citroën innovation, guarantees the continued softness of the seat cushion, without any sagging. The Advanced Comfort seats provide unparalleled driving comfort on both short and long journeys, with passengers in the front also benefiting from optimum lumbar support.

SPACIOUS AND COMPACT 3.99M

New Citroën C3 delivers a remarkable feeling of interior space, both in the front and in the rear, with its generous legroom particularly notable.

Agile and manoeuvrable, New Citroën C3 has compact dimensions which are ideal for an urban environment, with a length of just of 3.99m. For even greater practicality, it is fitted with electric folding door mirrors*.

**According to version.*

A 300L BOOT

New Citroën C3 can be part of whatever you're doing, with its generous 300 litre boot volume, ideal for taking all your luggage. And to make life on board easier, New Citroën C3 takes its inspiration from your everyday life: storage compartments have been designed to be as functional as possible. For example, handy storage compartments in and around the centre console free up as much space as possible.

TECHNO LOGY

The comfort and safety of those on board is enhanced by ergonomic controls and intuitive technology that helps guarantee a smooth and calm experience. New Citroën C3 has many connected innovations, and 11 driving aids which improve everyday driving.

CONNECTIVITY

CITROËN CONNECT ASSIST for greater peace of mind

Citroën Connect Box groups together the emergency call and roadside assistance services local to your country and is available 24 hours a day, seven days a week. Citroën Connect Box can send the precise location of your vehicle in the event of a breakdown, illness or accident and can automatically provide a rapid emergency response if required. Stay connected with the MyCitroën app, which can show the remaining fuel, current MPG, last known vehicle location and a personalised maintenance plan. Both of these services are provided free of charge.

CITROËN CONNECT NAV for greater comfort

The intuitive and modern 7-inch touchscreen, located in the centre of the dashboard, includes the new generation connected and touch-sensitive navigation*. You can use your voice to control Navigation**, Telephone and Radio, and it is linked with connected services such as TomTom Traffic to provide real-time traffic information, and visual and audible danger zone alerts (according to local legislation).

**Navigation depends on versions.*

***Only available with Citroën Connect Nav.*

CITROËN CONNECT PLAY for more enjoyment

Using Mirror Screen technology, you can connect your smartphone to duplicate its functions on the central screen of New Citroën C3. You can then access your multimedia content and manage your smartphone and its compatible apps directly using the touchscreen in the car. This technology works with Apple CarPlay™ and Android Auto.

In addition, New Citroën C3 has Citroën ConnectedCAM® technology*. Using this connected camera, you can capture images or videos (up to 20 seconds) of the scene in front of you and then post them to social networks via the free ConnectedCAM® Citroën app, or keep them for your own memories. In the event of an accident, the camera automatically saves a video clip beginning 30 seconds before the incident, and ending one minute afterwards. The clip is triggered by the vehicle rapidly decelerating, and can be used as evidence.

**Optional according to version.*

⊘ CAN BE DEACTIVATED

FRONT PARKING ASSISTANCE*

Designed for easier urban driving, this system is made up of six sensors and emits an audible warning to let the driver know when the car is approaching nearby objects to ensure safe parking manoeuvres.

BLIND SPOT MONITORING SYSTEM*

Very useful on high-speed roads or on motorways, this monitoring system lets the driver know that there is a vehicle in one of their blind spots via an orange light located in the door mirrors.

LANE DEPARTURE WARNING

Active at speeds above 37mph, the system detects if the vehicle crosses either a continuous or broken white line on the road without an indicator being used. It then warns the driver with a sound and a visible display on the instrument panel.

COFFEE BREAK ALERT

The system warns the driver when it is time to take a break, after two hours of continuous driving at over 40 mph.

CRUISE CONTROL/ SPEED LIMITER WITH SPEED LIMIT SETTING FEATURE

This cruise control system recognises when a speed limit changes and recommends the new speed limit as the selected cruise control speed.

SPEED LIMIT RECOGNITION AND RECOMMENDATION

This system can read speed limit signs and then relay this information to the driver via the instrument panel.

* Optional according to version.

11 SAFETY AND DRIVING AID SYSTEMS

⊘ CAN BE DEACTIVATED

⊘ CAN BE DEACTIVATED

⊘ CAN BE DEACTIVATED

ACTIVE SAFETY BRAKE*

This emergency braking system reduces the risk of collisions. It works at speeds above 3mph and detects stationary or moving objects and pedestrians. If the system detects a potential collision, a warning is given to the driver. If they do not react to this, the system automatically applies the vehicle's brakes.

DRIVER ATTENTION WARNING*

This system analyses the trajectory of the vehicle on the road. An audible and visual alert warns the driver if the system detects a reduction in attention.

AUTO INTELLIGENT BEAM HEADLIGHTS*

This function switches between main and dipped beams, depending on the traffic situation, when the system detects an oncoming vehicle.

REVERSING CAMERA*

When the driver engages reverse gear, the camera shows the rear view on the 7-inch touchscreen, with colour guide lines according to the proximity of obstacles.

HILL START ASSIST

This prevents the vehicle rolling on a hill when the brake pedal is released. Hill Start Assist acts on gradients of over 3% by holding the vehicle stationary for around two seconds. In this time the driver can calmly move from the brake pedal to the accelerator pedal.

* According to version.

EFFICIENT ENGINES

New Citroën C3 offers incomparable driving pleasure around town, whilst also performing impressively on the open road thanks to its PureTech petrol and BlueHDi diesel engines. Both combine performance and economy, and meet the latest Euro 6 emission standard.

EAT6 AUTOMATIC GEARBOX FOR A HIGH-LEVEL OF DRIVING PLEASURE

The EAT6 (Efficient Automatic Transmission with 6 speeds) gearbox is available on the PureTech 110 S&S petrol engine and offers smooth and quick gear changes ensuring a dynamic and comfortable experience making everyday journeys even more enjoyable.

* Awaiting data. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather, driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

With the added reassurance of a warranty, routine servicing and maintenance, as well as 24-hour roadside assistance, you are protected.

• CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

• CITROËN ASSISTANCE

Citroën Assistance brings rapid expert roadside assistance to you in an emergency in response to a telephone call. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, misfuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. For more details, please contact Citroën at <https://www.citroen.co.uk/owner-services/emergency-assistance>

* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

** Against all internal to external perforation to bodywork or underbody.

• CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens. To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

• CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles. For further information, please contact your Citroën Dealer.

• CITROËN MOT TEST

Once your vehicle is three years old, it requires an annual MOT Test. This is a legal requirement to check that it meets road safety and environmental standards. Our nationwide network of Citroën Authorised Repairers know your Citroën best, so if your vehicle's MOT Test is due, why not contact your local Citroën dealer? You can be confident that your vehicle will be looked after by one of our expert trained Citroën Technicians, nominated by DVSA as accredited MOT Testers. Plus, whilst your vehicle is with us, we'll carry out a free manufacturer diagnostic test, check for any new technical updates and carry them out for free - that's the advantage of getting your test done by the people who really know your Citroën.
