

GEELY EX5

ELECTRIC SUV

geelyauto.co.uk

SAY Hi TO LIFE

In the Geely EX5, inspiration and innovation clear your path to adventure. Industry-leading thinking and cutting-edge technology in harmony. To awaken the joy in every journey.

NEXT GENERATION BATTERY

WLTP range up to
267 MILES¹

DC charge time 30% to 80%
20 MINS²

0-62mph
6.9 SECS¹

Charge faster, go further and drive safer.
Geely's innovative Short Blade Battery
technology is efficient and tested to the
highest safety standards.

A bold first impression and undeniable road presence. The Geely EX5’s exterior sports a sleek front profile with LED headlights, short overhanging bumper and seamlessly-integrated door handles.

LED headlights
Adaptive LED headlights illuminate up to 177 metres⁽⁸⁾ ahead of you, and 290 LEDs create a distinctive light signature at the rear, ensuring you can always see and be seen.

Intuitive door handles
Automatically opening. Aerodynamically crafted. Stylishly understated.

INNOVATION MEETS EXPRESSION

Geely wheel design
Low-drag alloy wheels enhance efficiency for a more controlled drive.

Adjustable heated mirrors
Make everything crystal clear with heatable and foldable side mirrors.

LED rear lights
240 LEDs in a wraparound light bar spanning the rear of the car.

SAY Hi TO NEW HORIZONS

Drive comfortably and confidently.
On every journey.

INTERIOR IN DETAIL

Inside the Geely EX5’s generous cabin space is a world of premium yet sustainable materials and smart technology. For a drive of sheer refinement.

Comfort at its core
Sculpted surfaces and flawless finishes.
Premium craftsmanship in every texture
and every touch.

Wireless charging
A 15W wireless charger in the centre
console for distraction-free storage
and fast charging.

INTERIOR IN DETAIL

Panoramic sunroof
Made from tempered glass and featuring a sun blind in the panoramic sunroof to help control the climate inside. Open it up and let the natural light, beautiful views and fresh air around you flood in. (Geely EX5 Max only.)

RELAXATION IN MOTION

Front seat finesse
Massage, heating and ventilation functions immerse you in luxury from the front of the Geely EX5. (Geely EX5 Max only.)

8-POINT MASSAGE SEATS
(Geely EX5 Max only)

FULLY RECLINING FRONT PASSENGER SEAT

MORE ROOM TO RELAX

Rear seat refinement
Along with evoking utmost style, the rear seats adjust into a secondary position for heightened comfort on longer journeys.

EXPLORE MORE SPACE

Smartly-integrated storage

33 compartments include space under the rear seats and centre console, and bottle holders in the deep door pockets.

More in the back

The 410-litre boot capacity extends to 1877 litres when the rear seats are folded down.

33

smartly-integrated
storage compartments

1877L

boot capacity
(rear seats folded down)

OVER THE AIR, INTO YOUR CAR

Over The Air (OTA) updates⁵ make owning a Geely EX5 effortless and rewarding, with new firmware and software sent directly to your car.

IMMERSED IN SOUND

Flyme Sound System
A 1,000W, 16-speaker Flyme Sound System has been designed by our own expert sound engineers for an enveloping audio experience. (Geely EX5 Max only.)

JUST SAY “HI GEELY”

Voice recognition
Natural voice recognition with over 200 commands – just say, “Hi Geely, take me home.”

Control wheel
Designed for convenience and personalisation, it puts control at your fingertips, exactly the way you like it.

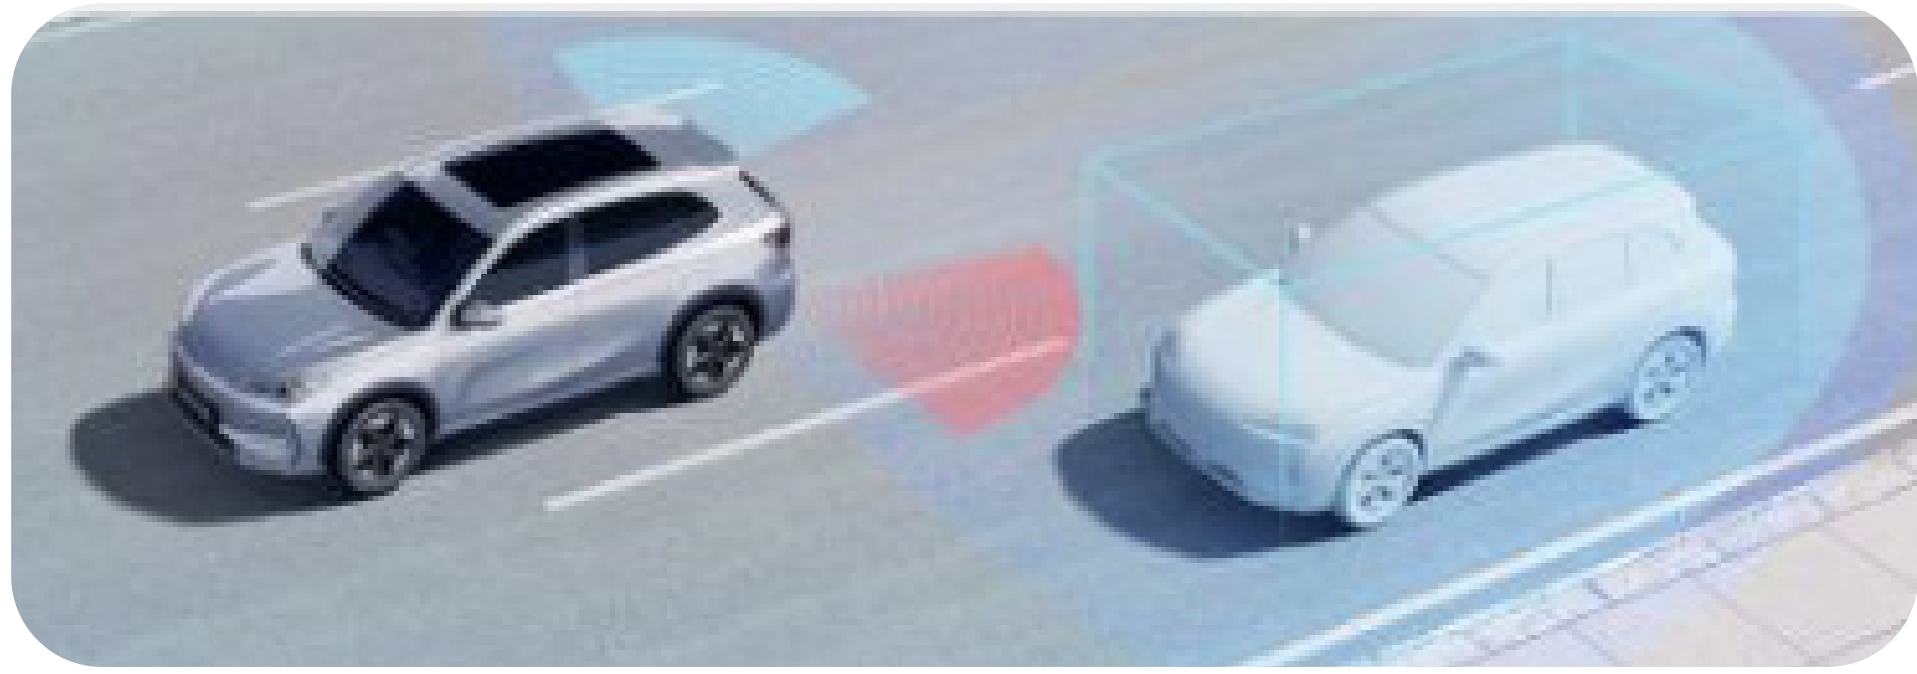

Our Advanced Driving Assistance Systems (ADAS)⁶ ensure confidence and assurance. From every angle.

SAFETY

5-star Euro NCAP rating⁷

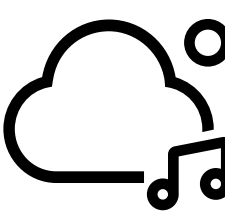

The Geely EX5 has been awarded Euro NCAP's highest rating. A reflection of how its innovative design and technology measure against the most stringent testing.

Built-in 4G connectivity with a monthly data allowance included for two years. That’s Geely Connected Services. Stream, get real-time traffic updates, and control your Geely EX5 from the Geely app.

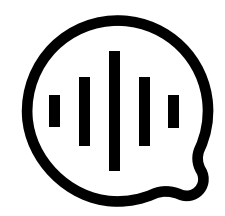

Over the air updates⁵
The latest updates and newest features directly from Geely to your car. (Active internet connection required.)

Media streaming
Access your favourite music, podcasts or audiobooks, without having to touch your phone.

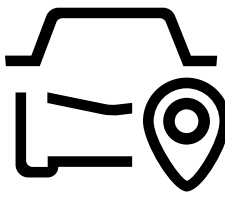

Geely app store
Browse the latest applications purpose-built for your car.

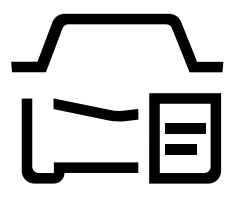

Voice control
Ask your Geely EX5 to open your window for example, and it even recognises who spoke based on their position in the car.

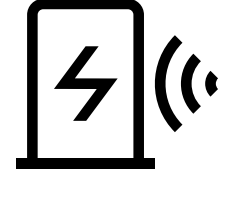

Remote vehicle functions
4G connectivity allows you to communicate with your car via the Geely smartphone app.³

Vehicle location
Locate your Geely EX5 on a map or by activating the horn.

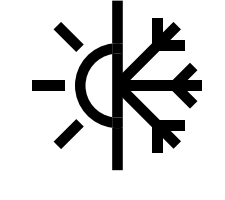

Vehicle status
Check the interior temperature, or if the doors or sunroof have been left open, for enhanced control.

Scheduled charging
Take advantage of off-peak energy periods at home by scheduling charge times.

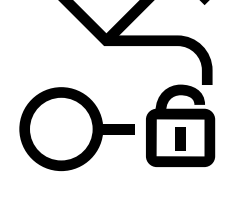

Comfort seats
Heat or cool your seats, and heat your steering wheel, all before you enter the car. (Cooling function on Geely E5 Max only.)

Climate control
Activate the car’s air conditioning functions, including the demister and temperature control.

Doors and windows
Lock and unlock doors, or open a window for airflow, before you arrive at the car.

Tailgate
Lock and unlock the tailgate to allow for remote access.

The specifications, features, and descriptions provided for the Geely EX5 are based on information available at the time of publication (July 2025) and are subject to change without prior notice. Actual specifications may vary by model trim. Images shown are for the Max and are for illustration purposes only and may include optional features not available on all models. To the extent permitted by law, Geely Auto UK holds no liability for any reliance on the information provided in these materials. Geely Auto UK reserves the right to make modifications to the product, design, equipment, and availability at its sole discretion. Consult your authorised Geely Dealer for the latest information and availability. | 2 Figures shown are based on WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure). Real-life results may vary depending on driving style, road and traffic conditions, environmental influences, vehicle condition, use of ancillary features, and accessories fitted. The figures advertised are only to be for comparison amongst vehicles only. | 3 Advanced Driver Assist Systems (ADAS) features are designed to assist the driver but do not replace the need for attentive driving. Performance may vary depending on weather, road conditions, and other external factors. Drivers must always remain in control of the vehicle and comply with road laws. Refer to the Owner's Manual for detailed information on system limitations. | 4 Apple CarPlay® is a registered trademark of Apple Inc. AndroidTM Auto is a registered trademark of Google Inc. Apple CarPlay® and AndroidTM Auto support specific applications and devices. Compatibility and functionality may depend on the operating system and software version of the connected device. Use of these features while driving must comply with local road safety laws. | 5 Bluetooth functionality is dependent on device compatibility and software version. Features such as call handling, music playback, and other Bluetooth services may vary between devices. Check with your authorised Geely Dealer for compatibility details. | 6 Wireless charging functionality is compatible with specific devices that meet the Qi standard. Charging performance may vary depending on device type, battery condition, and usage during charging. Non-compatible devices may require additional accessories. Always ensure the charging surface is free from objects to avoid interference. | 7 Geely Connected Services are provided through a SIM card that is permanently installed in the vehicle. Features may vary by model, market, and service provider. Subscription fees may apply after the initial trial period. Check with your authorised Geely Dealer for more information. Geely Auto UK Pty Ltd is not responsible for service interruptions caused by network or coverage limitations.

Hi, WE'RE GEELY.

We're a global automotive group with nearly 40 years of heritage.
We've spent the last 15 years investing in the UK's automotive industry.
And we couldn't be prouder to launch here with the Geely EX5.

It's the next chapter in a journey built on ambition, growth and a
commitment to the road ahead. Because while Geely might mean 'lucky',
this isn't about fortune.

This is about our mission to power progress and move
people forward with confidence and optimism.

GEELY = LUCKY

DISCLAIMER

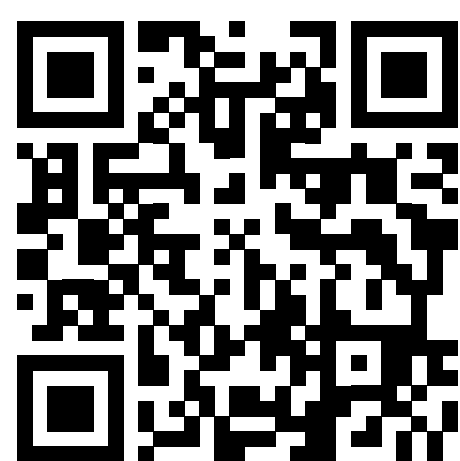

- Figures shown are based on WLTP (Worldwide Harmonised Light-Duty Vehicles Test Procedure). Real-life results may vary depending on driving style, road and traffic conditions, environmental influences, vehicle condition, use of ancillary features, and accessories fitted. The figures advertised are for comparison amongst vehicles only.
- Charging times are based on results of testing in specific conditions. The times provided may be influenced by factors including (but not limited to): ambient and battery temperature, charging unit conditions, and other environmental conditions.
- Geely Connected Services are provided through a SIM card that is permanently installed in the vehicle. Features may vary by model, market, and service provider. Subscription fees may apply after the initial trial period. Check with your authorised Geely Dealer for more information. Geely Auto Ltd is not responsible for service interruptions caused by network or coverage limitations.
- Terms & exclusions apply. Visit [geelyauto.co.uk](https://www.geelyauto.co.uk) for more detail.
- OTA updates available with an active subscription (free for the first two years). Update availability may vary by model and software version.
- Driver assistance features are intended to support the driver and do not replace driver attention or responsibility. Availability and functionality may vary by model and trim. Please refer to your vehicle manual or consult your local dealer for full details.
- The Geely EX5 Pro has been awarded a 5-star safety rating by Euro NCAP. Rating applies to this model only and may not apply to other variants. For full details, visit www.euroncap.com.
- The stated headlight range of up to 177 metres is based on laboratory testing under controlled conditions. Actual real-world performance may vary due to factors such as weather, road conditions, vehicle load, and cleaning/maintenance.

Photographs in this brochure may include overseas models and features not available in the UK.
