

The Kia Niro.

Take the lead. Drive electric.

Movement that inspires

More range.
More time.
More inspiration.

Electrify your future.

When we decide to make changes, wonderful things can happen. The Niro EV offers bold and stylish exterior design that features a matt and glossy two-tone hexagonal grille, with a wide body-coloured bumper. There are even distinctive touches like the optional Aero C-pillar in contrasting colours. The Niro EV delivers exhilarating performance thanks to a 64.8 kWh lithium-ion battery with an electric range of up to 285 miles* on a single charge.

*285 miles in WLTP cycle.

Hybrid thinking. Smart er driving.

Driving sustainably should be as easy and convenient as possible. So, make way for the Niro Hybrid. The Niro Hybrid automatically switches between a highly efficient petrol engine and electric power or can also run on a combination of both. It utilises Kia's smart regenerative power system to recharge the battery. Add to that its distinctive design with its optional contrasting Aero C-Pillar and you obtain an expressive yet very capable crossover.

Interior.

The wonder of space. At your own pace.

Minimalist interior. Immersive enjoyment.

Sit inside the Niro and you'll discover what driver-centric design really means. The Niro introduces the latest advances in technology and sustainable materials. In front of you, a sculpted dual 10.25-inch panoramic display puts everything in your line of vision, integrating both the supervision cluster and infotainment features in one streamlined suite. Below, the multimode control panel lets you easily manage the multimedia and climate settings. All around you, you will find the very best in smart and sustainable design: from the slim stylish seats adding to the roominess, to textured recycled materials. This is your space for your time (grade dependent).

Dual 10.25-inch instrument cluster and infotainment display. Ideally positioned to emphasise its minimalist design, the cockpit features an integrated dual display for all your driving information, connectivity and entertainment needs. Take navigation to the next level with fully connected and precise turn-by-turn directions. Stay updated about weather conditions or even the score of your favourite football team. You can even install the Kia Connect app on your smartphone to further enhance your experience. The app lets you consult your vehicle's status or plan trips in advance. It even provides 'last-mile' guidance, walking you to your final destination after parking your vehicle.

[View Offers](#)

The Niro is spacious in size, minimalist in detail and welcoming in every way. Our designers have combined the latest in high tech design and technology with eco-friendly/recycled materials inspired by nature. Along with smarter seating to maximise comfort and minimise fatigue, we focused our utmost attention on a relaxing experience for you and your passengers. In addition, the intuitive user-friendly features and functions are designed for easy interaction making the Kia Niro more than just a futuristic space to drive in but also a space for inspiration.

Multimode Controls. An

innovative way to make the interior less cluttered and more intuitive. Easily switch between infotainment and climate controls with a simple touch.

Shift-By-Wire Rotary Dial.

Located centrally and within easy reach, the electric rotary dial operates using shift-by-wire technology, enabling precise and immediate gear shifting

Build your Niro

Clever storage solutions. Whatever your needs.

With longer and wider proportions and wheelbase, the Niro offers a whole new dimension in space and boot storage. The Niro EV is fitted with a 20-litre frunk under the bonnet, perfect for storing your charging cables. Whenever you need to accommodate larger items, the Niro EV has ample boot space and handy folding rear seats.

Second-row seatback folding. Fold the rear seats by using the lever on the backrest of the seat and suddenly there's up to 1,445 litres of storage capacity depending on which Niro powertrain you choose; ideal extra space for when you need to carry long or bulky items. Smart power tailgate.

Smart power tailgate can be set to open automatically to a desired height. The Niro's boot floor is designed to be more level with the boot opening sill, making loading even easier (grade dependent).

Front trunk storage. In the front of your Niro EV, under the bonnet, you'll find the 'frunk'. With 20 litres of storage space, it's perfect for all sorts of smaller items, including the charging cable and the Vehicle-to-Device adapter.

Luxury from within.

As a clear statement of Kia's ongoing commitment to sustainability, we've developed seats that are engineered from recycled materials. Depending on the trim level you opt for, you can choose cloth, cloth-artificial leather combination, PVC artificial leather or PU artificial leather (which are both vegan). The PU vegan leather seats also contain Tencel™ made from eucalyptus wood for a uniquely natural feel.

Black Cloth Upholstery
(Hybrid and EV)

Grey Vegan Leather Upholstery (EV 4 grade only) (Part of Grey Pack)*

Black Vegan Leather Upholstery (Hybrid and EV)

Black Cloth & Artificial Leather Upholstery (Hybrid and EV)

Safety.

Less to worry about. More time to enjoy.

Blind Spot Collision Avoidance Assist (RSPA 1.0). When you signal a lane change, you are warned if a risk of collision is detected with a vehicle beside you or approaching from the rear. Blind-Spot Collision-Avoidance Assist also watches out for you when pulling out of parallel parking spaces, warning you about oncoming traffic behind you.

Highway Driving Assist 2. It makes motorway driving a breeze. When engaged, it automatically adjusts your target speed to the limit in force, helps you keep centred in your lane and modulates your speed based on a safe distance to the vehicle ahead. It also offers a “lane-change-assist” function, which helps you change lane if possible when you indicate (Niro EV only).

[Chat Now](#)

Remote Smart Parking Assist (1.0). With Remote Smart Parking Assist, you can park or unpark the Niro even if you aren't inside - perfect for tight parking spaces. Using your key, you can safely move the Niro in a straight line, into or out of a space. Braking is automatic if the vehicle detects an obstacle.

[View Offers](#)

Navigation Based Smart Cruise Control. Set a target speed and your Niro's speed adjusts based on a safe distance to the vehicle ahead and the curvature of the road.

Forward Collision-Avoidance Assist 2 (FCA 2.0) with junction turning and crossing. It uses a front-view camera and radar to detect vehicles, pedestrians or cyclists ahead. By warning and braking automatically, it can help you avoid, or reduce the severity of an accident. The system also engages when you are crossing or turning at an intersection (Niro EV only).

Build your Niro

Forward Collision-Avoidance Assist 1.5 (FCA 1.5). Evaluating both camera and radar data, it analyses info about other cars, pedestrians or cyclists ahead to avoid a potential collision with them. It also functions to prevent collisions with oncoming vehicles when turning right at an intersection. If it detects a potential collision, a warning signal appears on your instrument cluster and maximum braking power is applied.

Head-Up Display. The Niro's Head-Up Display projects driving information on the windscreen. It superimposes turn instructions from the navigation system over the roads ahead, lets you know if you're drifting out of your lane and indicates which vehicle is detected ahead of you.

[Chat Now](#)

Lane Keep Assist. This monitors road markings to help you keep your vehicle in the centre of your lane.

Kia Charge.

Embrace the change.

Always in charge. Wherever you are.

Make a move to the Niro EV and experience innovation that improves your driving range and charging experience.

The EV is powered by the latest electric motor and 64.8 kWh lithium-ion battery with a range of up to 285 miles* on a full charge. It can go from 10-80 % charge in just 43 minutes. At 80 %, that's enough to drive up to 228 miles*. **Vehicle-to-Device.** Charge other devices inside or outside your car. The Niro EV becomes your portable energy source wherever you are. You can also plug in a vacuum, charge an e-bike, power a laptop or even bring a coffee machine to a picnic. The possibilities are up to you. *With suitable DC fast-charger / 285 miles in combined WLTP cycle

In order to achieve the maximum charging speed, an electric vehicle charger that delivers at least 72kW of electricity must be used. Actual charging speed and charging time may be influenced by the battery temperature and weather conditions. Range figures are determined according to the standardized EU measurement procedure (WLTP). Individual driving style and other factors, such as speed, outside temperature, topography and the use of electricity-consuming devices/units, have an influence on the real life range and can possibly reduce it.

Public charging made easy...

Anxious about using multiple apps and accounts for charging across different public networks?

Worry not, Kia Charge gives you access to the vast majority of UK public charging networks including bp pulse, Pod Point, Source London, Instavolt, Shell New Motion, Osprey, Char-gy, IONITY and more. In addition, it works in 28 other European countries in exactly the same way as it does in the UK so you can travel long distance without any worries*.

The only app you need

You can start charging using either the app or dedicated card. And you don't have to make any payment on site: Everything is handled as part of a monthly, itemised billing process.

Reliable, up-to-date information

You have all information at your fingertips. You can apply a range of filters to find the right station, with up-to-the-minute information about availability and pricing.

Transparent pricing with monthly payment

There are two base tariffs to choose from. 'Easy' is a no-commitment tariff for light users of public charging while 'Plus' is for those who tend to charge away from home more often.

Best value with a range of bolt-on subscriptions including IONITY

You can add up to two bolt-on subscriptions - for bp pulse and/or IONITY - to benefit from the best value possible when charging within these networks.

For more information, visit kiacharge.com or download the mobile application.

*Charging outside of the UK is subject to the visited country's Easy tariff, regardless of your UK subscription.

Kia Charge and [KiaCharge.com/gb](https://kiacharge.com/gb) are offered by Digital Charging Solutions.

Kia Connect.

Your free seven-year connected services.

Kia Connect... Your free seven-year connected services.

Kia Connect opens your Kia to the world of connected services. Once activated, it enables a number of essential digital features in your car. You can also install the Kia Connect app on your smartphone and pair it with your Kia to control certain functions remotely and consult a wealth of information about your car.

In-car services

Your free seven-year Kia Connect, once activated, uses your vehicle's embedded SIM card to connect it to the world of live data.

Real-time traffic information

Your navigation system uses live traffic information to recommend the best route and dynamically predict the most accurate arrival time.

Speed cameras and danger zones

Be alerted to speed and traffic light cameras, and to areas where accidents are particularly common.

Weather information

With up to three days' weather forecast available, you can check weather conditions at your destination.

Points of interest

Are you looking for a place to eat, a local business or the nearest ATM? All this information and more is easily accessible via your Kia's live, connected directory.

Parking

Kia Connect helps you find available parking locations. It shows on- and off-street parking locations, including prices and likely availability.

Fuel station information

The system shows you the nearest petrol stations and prices to plan a refuelling stop.

Charging station information (electric and plug-in hybrid vehicles only) Your car gives you the location of charging stations, with useful information such as availability and charging speeds available.

Apple CarPlay™ is a smart, safe way to use your iPhone while driving. It takes all the things you might want to do, and puts them into your display, so you can get directions, make a call and listen to music all while staying focused on the road.

Android Auto™ is designed to keep you perfectly connected to your phone while minimizing distractions so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music and voice control, and automatically organizes info into simple cards that appear just when they're needed.

Mobile application services

Once Kia Connect is activated in your Kia, it gives you access to a wide range of useful functionalities through the Kia Connect (UVO) mobile phone application (available on AppleTM and AndroidTM).

Find my car and first/last mile navigation

You can check the location of your car from your smartphone. Your app can also use augmented reality to guide you to your car. When driving and parking before reaching your exact destination, your app can give you guidance to walk the last bit of the way using augmented reality or Google Maps.

Vehicle status

The Kia Connect app gives you an overview of your Kia's status including fuel/battery level, doors, windows, bonnet or tailgate. It lets you know if any of the vehicle's functions isn't working properly. You can also use the app to consult information about your past trips or to obtain a summary of key stats for your past month's driving.

Notifications and remote door control

You get warned if your vehicle's anti-theft alarm is triggered or if you left your doors unlocked. What's more, you can lock and unlock doors from your phone, wherever you are.

User-profile-linked vehicle settings

Select your preferred vehicle settings from your phone for a tailored experience once you get behind the wheel.

Valet mode

Activate the valet mode in your car and you can track its location and speed on the app. Ideal when you lend your vehicle to an airport's valet parking service.

Kia services are available free of charge for a period of 7 years commencing on the day the vehicle is sold to the first owner of the vehicle and may be subject to change during that period. You need a smartphone with iOSTM or AndroidTM operating system and your own data plan to operate the Kia mobile apps. Your Kia needs to be in a location with Vodafone signal to connect to these services.

For new vehicles sold from May 2021, Kia offers, per vehicle, two free-of-charge updates of the maps in the vehicle's navigation system and of the Head Unit software using the so-called "over-the-air" method ("OTA Updates"). Once the two free-of-charge OTA Updates have been consumed, you will be able to get updates of the maps in the vehicle's navigation system and of the Head Unit software only (i) by accessing the following web page <https://update.kia.com/EU/E1/Main> or (ii) at a dealership.

Accessories.

Expand your possibilities.

Created to be part of your life.

Life is what you make it. And every one of our accessories has been created to help you extend and enjoy your lifestyle even more with your new Niro. All have been designed and manufactured to the same strict standards as your Niro, whether EV, Plug-In Hybrid or Hybrid. So, make your choice, it's up to you!

Side trim lines. Uniquely elegant: these mouldings in brushed aluminium optic give the side contours of your Niro a new lease of life with a subtle optical touch.

Tailgate trim line and Rear bumper trim line. Made-to-measure. made-to-impress: add a stylish edge to your tailgate and a refined surface finish to your rear bumper with these trim lines in brushed aluminium optic.

Textile floor mats, velour. Keep your cabin unblemished for longer. These high-quality velour floor mats will protect your Niro's interior from everyday dirt and enhance its look at the same time.

Tow bar, detachable. Whenever you have substantial cargo in tow, this top-quality corrosion-resistant steel tow bar is ideal for efficient transportation. With the featured 3-ball locking system it can be detached simply, securely and discreetly.

Trunk liner. However wet, muddy or grimy things get, this custom-made liner will protect your trunk area. It is durable, anti-slip and waterproof with raised edges.

Kia Promise.

Our promise to you.

7 more reasons to join our Kia family

Now there are even more reasons to buy a stylish, technology packed Kia. Peace of mind comes as standard when you join the Kia family with the Kia Promise - 7 great owner benefits when you buy your Kia and register at MyKia.

There are a lot of things to consider when buying a new car. Compromising on reliability in the long term shouldn't be one of them. That's why Kia have redefined quality and offers a unique, industry-leading 7 year warranty that comes with peace of mind for at least 100,000 miles.

With every new or Approved Used Kia you can get driveway insurance and a £250 Excess Return voucher free of charge. All Kia owners can use our Accident AfterCare service and with Kia Care Service Plans we offer great value fixed price servicing.

Our 24/7 Roadside Assistance package is designed for Kia owners in partnership with the RAC. All new cars have complimentary cover for 12 months from the first date of registration, giving you the highest level of cover provided by the RAC, including onward travel and European cover.

Online service booking offers convenience and flexibility 24/7. Offering quality and value at one of our Dealers nationwide. Kia trained technicians use the latest diagnostic equipment and technology. All of our Genuine Kia parts come with a 2 year warranty. Fully inclusive pricing at the click of a button.

At Kia we care about you as an individual and want to deliver service that fits your needs. When you visit one of our Dealers for a service your vehicle will benefit from a complimentary vehicle health check, a wash and vacuum and alternative transport if needed. We look forward to spending time getting to know you!

Kia Charge gives you access to the majority of public charging infrastructure in the UK and across Europe. It lets you locate stations, plan journeys, charge and pay, all with one solution.

Connectivity with Kia Connect & Over-the-Air Updates. Kia Connect is our range of connected services both in-car and through the Kia Connect mobile app. Over-the-Air Updates keep your infotainment system up to date using your Kia's mobile data connection.

Kia Care.

KIA Care

S e r v i c e P l a n s

KIA e-Care

S e r v i c e P l a n s

For complete peace-of-mind, Kia can offer you a great value Kia Care fixed-price servicing package for your Niro Hybrid and Plug-In Hybrid, and a bespoke Kia e-Care plan for the fully electric Kia Niro EV. Please speak to your Kia dealer for more information and pricing. Terms and conditions apply. Log onto www.kia.com/uk for details.

5-year paint warranty & 12-year anti-perforation warranty

High-quality body paint ensures long-lasting protection and shine for your New Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

Financing. Your local Kia dealer can help you with a financing plan that's best suited to your needs.

7-year vehicle warranty. Every Kia benefits from a 7-year/100,000 miles new car warranty

(up to 3 years unlimited; from 4 years 100,000 miles). This bumper-to-bumper warranty is free and transferable to subsequent owners, provided the car is regularly maintained in accordance with the servicing schedule. (Terms and exclusions apply).

Kia 7-year EV/HEV/PHEV

Battery Warranty. When you switch to a Kia Electric (EV), Hybrid Electric (HEV) or Plug-In Hybrid (PHEV), it's good to know that our batteries are built to have a long life*. That's why at Kia we are happy to cover you for

7-year or 100,000 miles whichever comes first. Even for our low voltage (48 V and 12 V) batteries in Kia Mild-Hybrid electric vehicles (MHEVs), our Kia warranty covers you for a period of 2 years from initial registration regardless of mileage. All of which means you can simply enjoy the experience of driving our ecofriendly range, every day for years to come. * Kia high voltage lithium ion battery-units in electric vehicles (EV), hybrid electric vehicles (HEV) and plug-in hybrid electric vehicles (PHEV)

are built to have a long life. These batteries are covered by the Kia warranty for a period of 7 years from initial registration or 100,000 miles, whichever comes first. For EVs and PHEVs Kia guarantees a minimum 70% capacity of the battery. Capacity reduction of the battery in HEV and MHEV is not covered by the warranty. To minimise capacity reduction, follow the instructions consult the Owner's Manual. Find more information about Kia warranty at www.kia.com/uk
