Superb

Superb - Perfection reimagined

The challenge was to take an award-winning model and completely revolutionise it in terms of technical sophistication and design, enhance the functionality and refine it's beauty, whilst retaining its signature styling and luxurious interior.

Introducing the Škoda Superb.

Reimagined and reenergised it remains our most spacious, prestigious and technically advanced model.

Commands attention from every angle

Authenticity, precision and purpose. The Superb's design conveys each of these in style. The perfectly balanced exterior proportions, sporty silhouette and dynamic horizontal lines have been enhanced, complemented as ever by razor-sharp angles throughout.

Headlamps and fog lamps

Using a windscreen camera, the Full LED Matrix headlamps of the Superb can detect a car in front of you or in oncoming traffic. Based on this, the high beam adjusts itself incrementally. This ensures you get the best view without blinding other drivers.

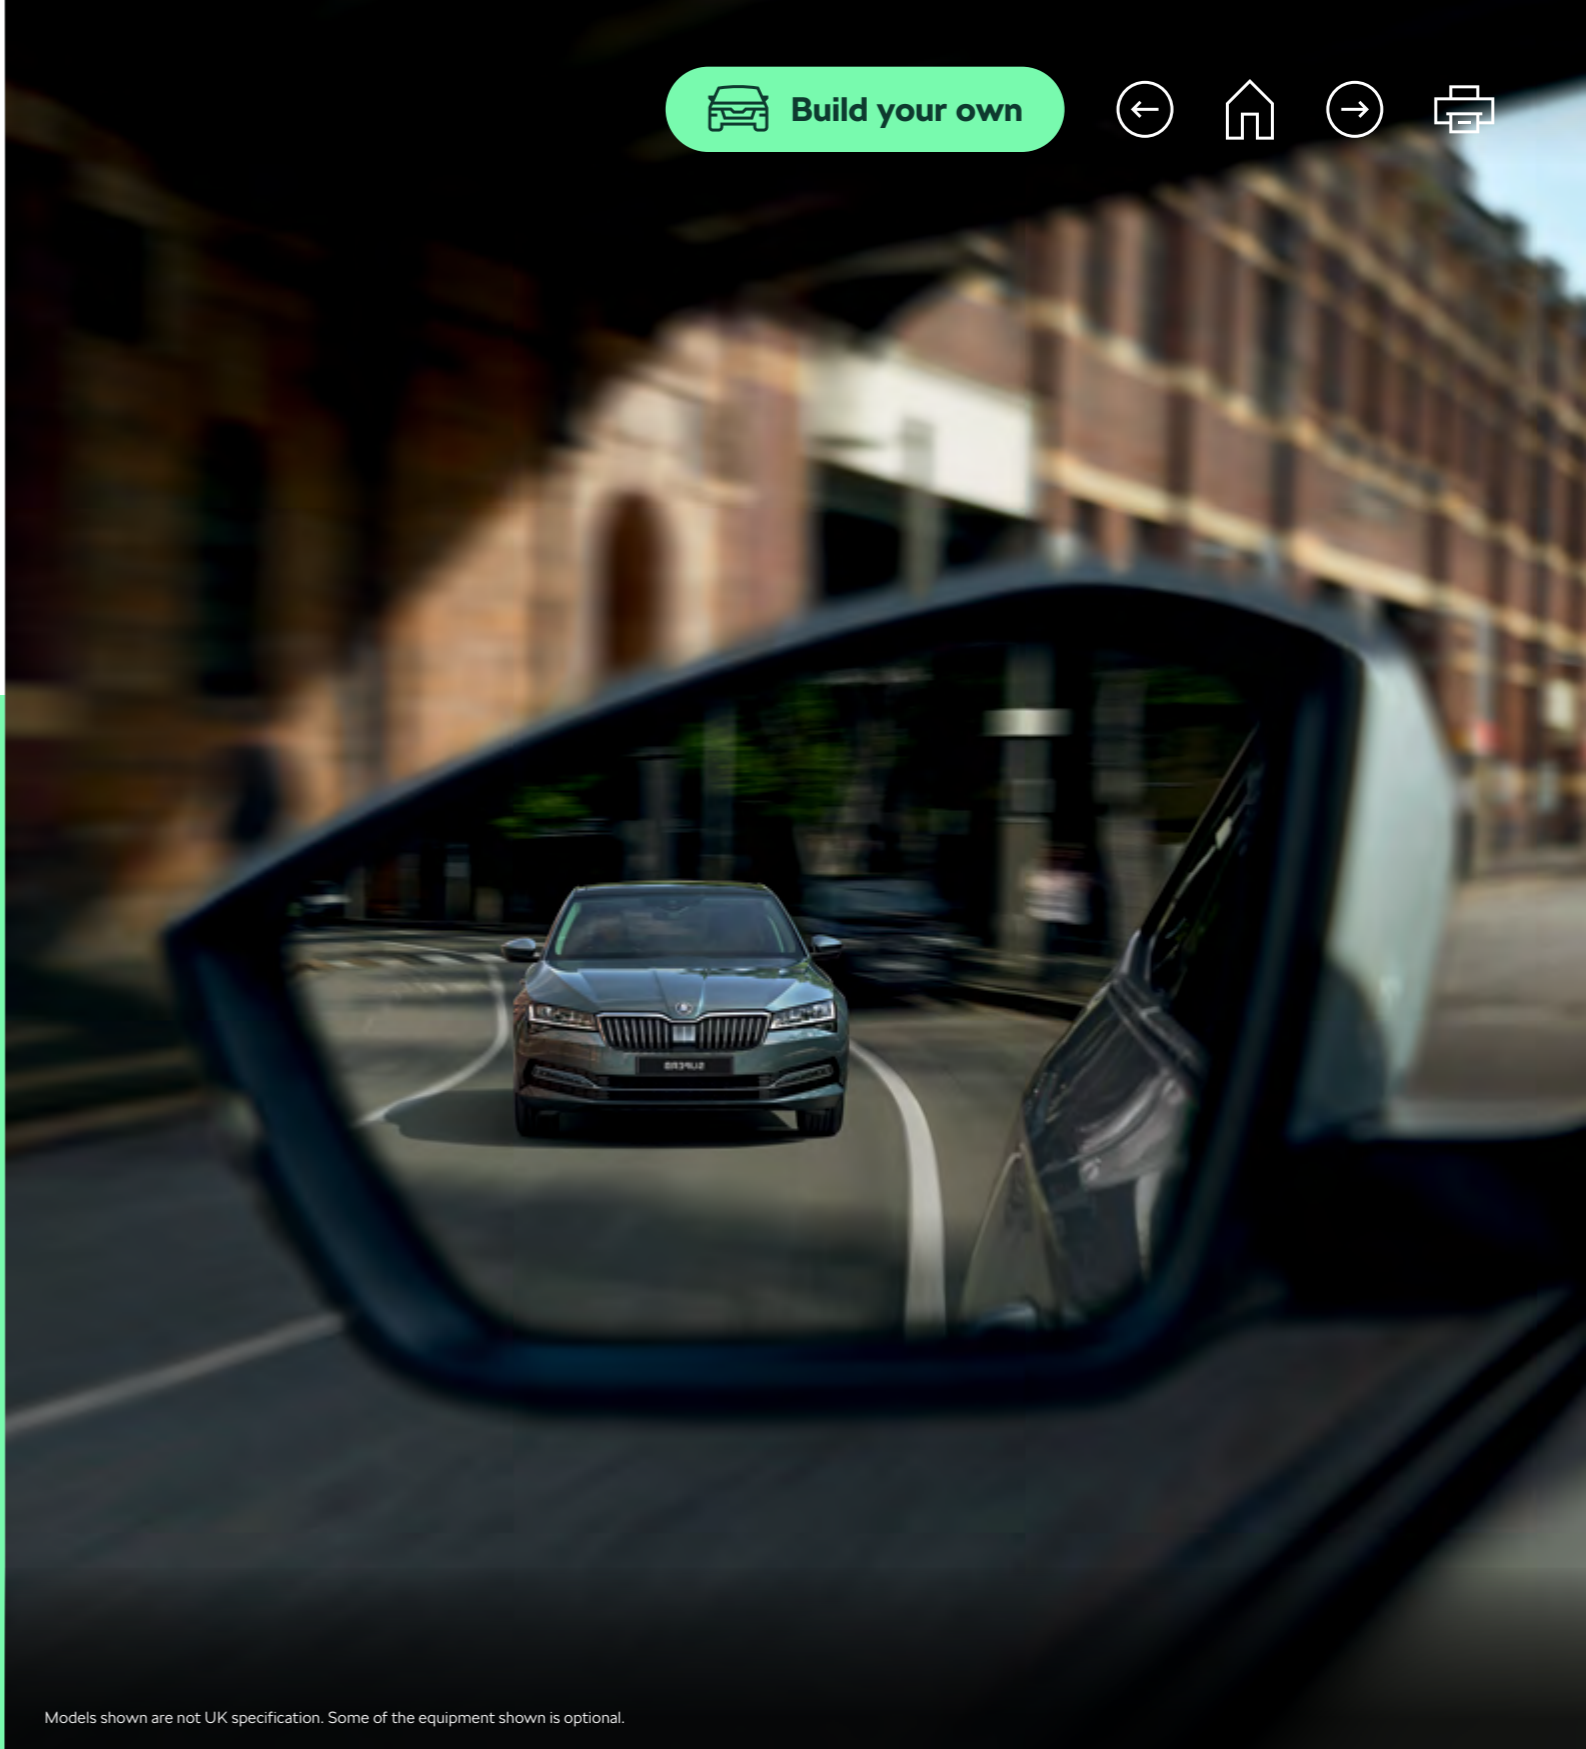

Rear LED lights

The full LED rear lights are fitted with dynamic indicators, revealing where the driver is about to turn with a sense of vibrancy. The rear lights also feature C-shaped illumination, typical for the Škoda family, but updated with a modern twist.

Sunroof

This electric panoramic sunroof provides extra sunlight and fresh air at the simple touch of a button.

 Build your own

Models shown are not UK specification. Some of the equipment shown is optional.

Innovation with intent

A car interior needs to be more than spacious and inviting, it needs to be intuitive too. Where everything is designed to enhance the drive. Whether that's the position of the controls, the precision of the dashboard or the clever use of ambient lighting.

Virtual cockpit
Put all the information you need right in front of your eyes with the customisable 10.25" digital display, which replaces the traditional instrument display and can be customised with four views (Classic, Basic, Extended and Modern). A fifth Sports view is available for SportLine Plus.

Models shown are not UK specification. Some of the equipment shown is optional.

Tri-zone climate control
This intelligent system enables different temperatures to be set for the driver, front and rear passengers. It's also fitted with a humidity sensor to reduce windscreen misting.

LED interior light pack
Selecting the Superb's LED ambient lighting is anything but a black and white decision. Includes decorative ambient lighting strips on the dashboard and front and rear doors which can be set to ten colours. Also includes front and rear reading lights, footwell lighting, door handle illumination and vanity mirror lighting.

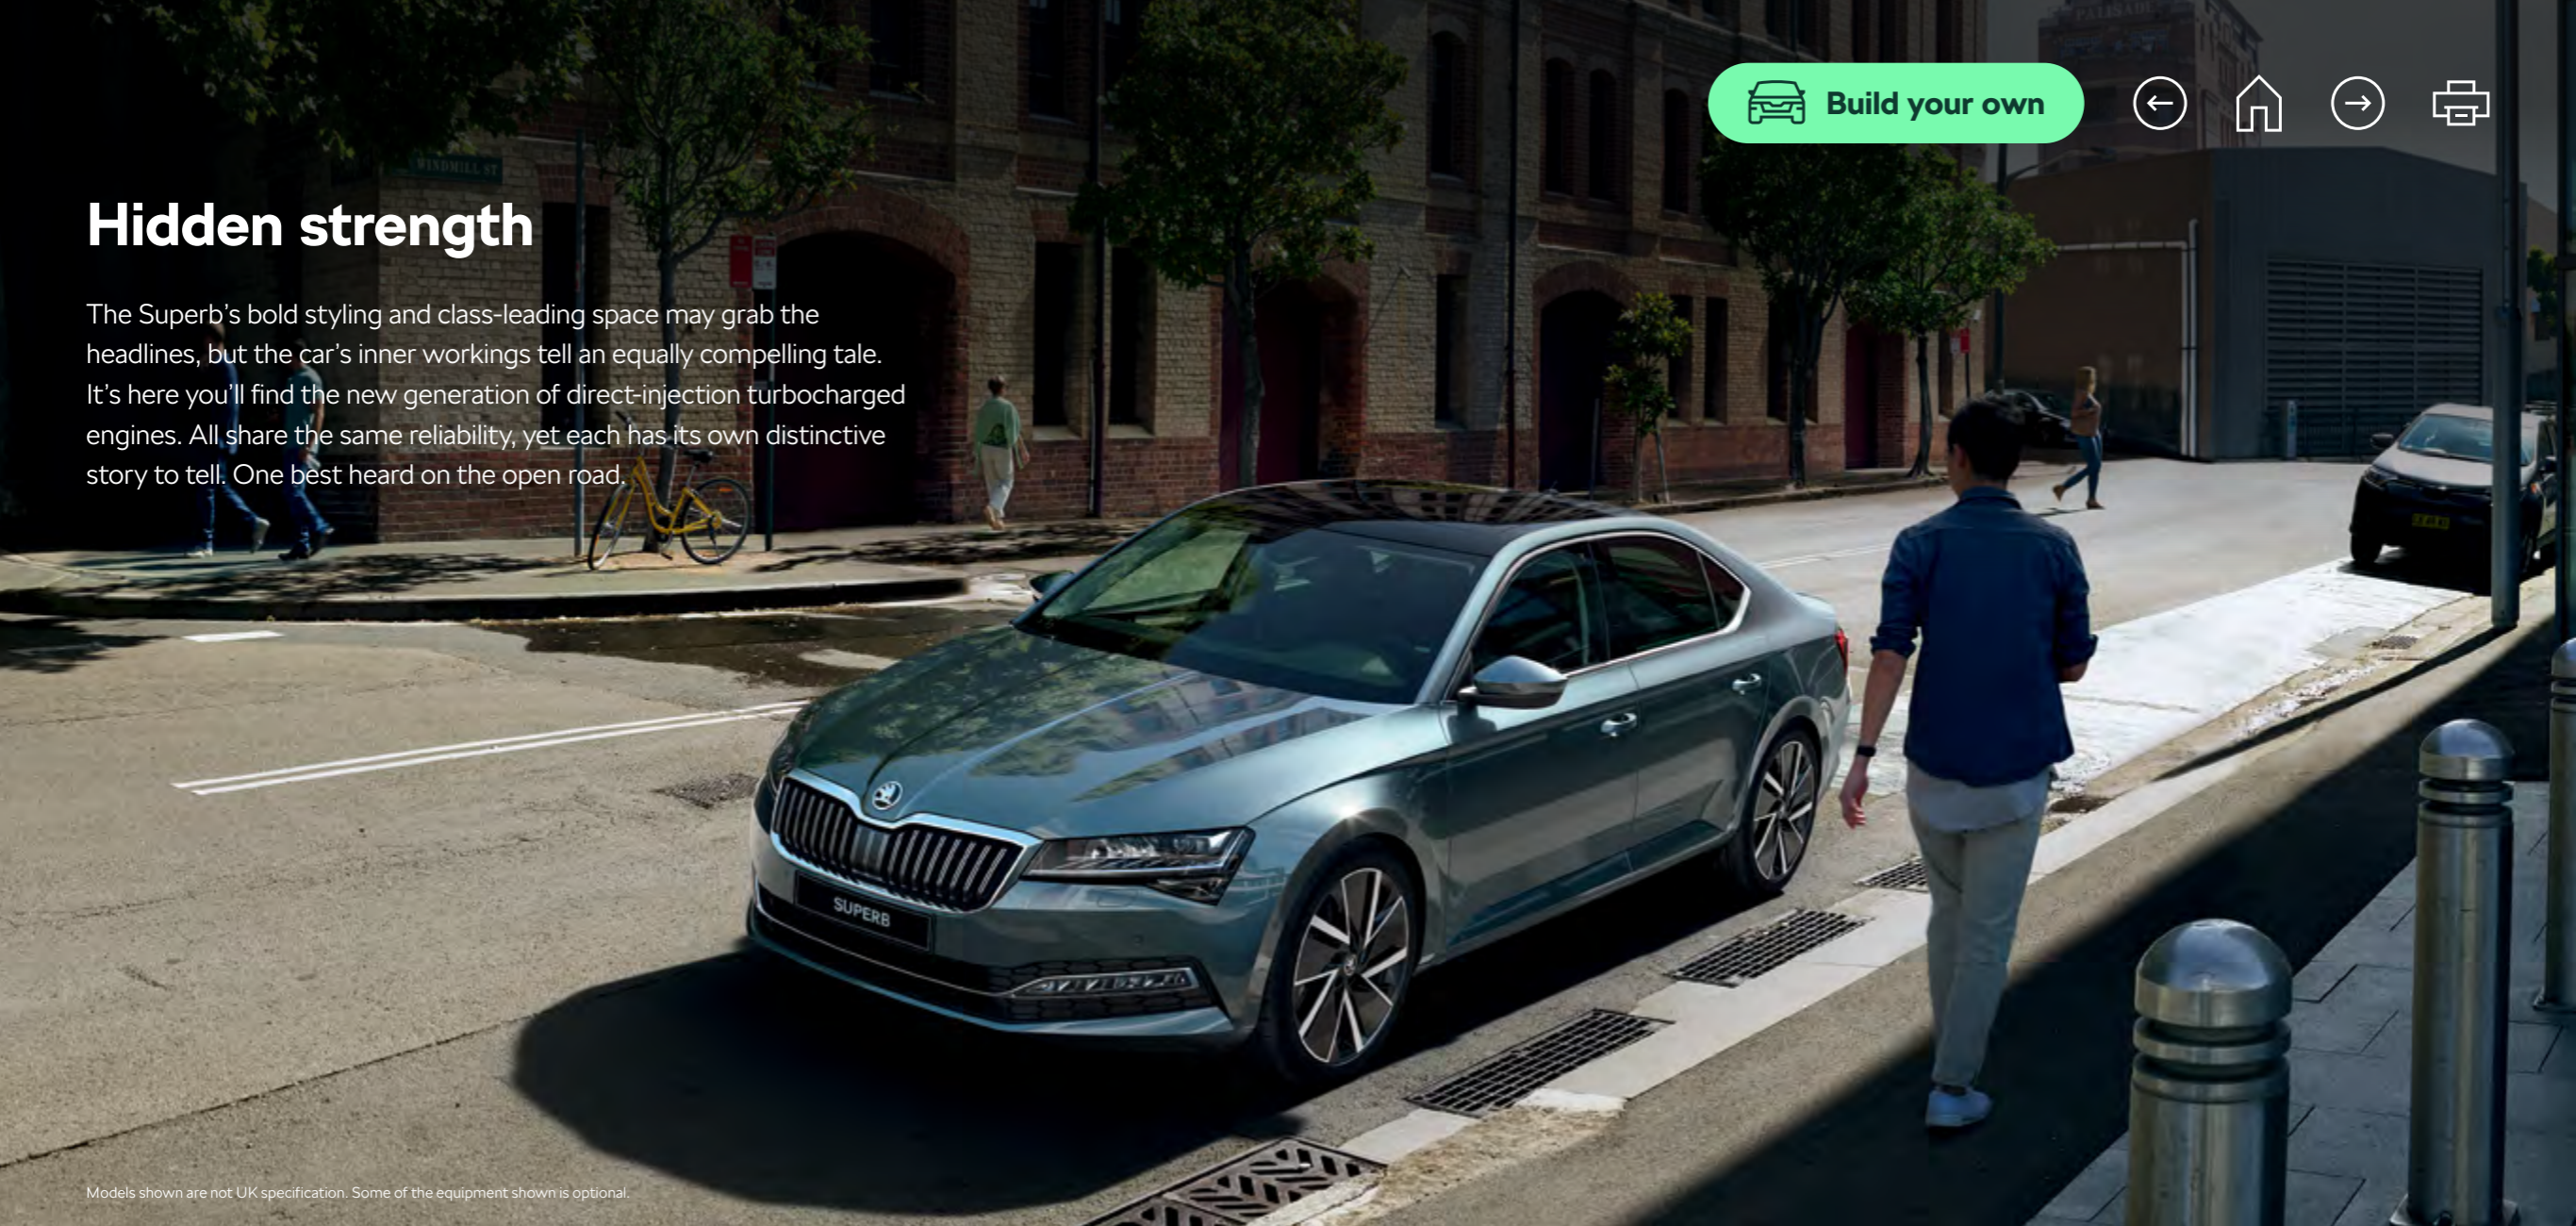

Ventilated front seats with massage functionality for driver's seat
Take the stress out of driving with ventilated front seats with massage functionality for driver's seat, allowing you to travel in ultimate comfort.

Wireless charging pad
Utilise the Superb's wireless charging functionality by simply placing your device face up in the phonebox. The mobile device will automatically connect and start receiving power.

Hidden strength

The Superb's bold styling and class-leading space may grab the headlines, but the car's inner workings tell an equally compelling tale. It's here you'll find the new generation of direct-injection turbocharged engines. All share the same reliability, yet each has its own distinctive story to tell. One best heard on the open road.

Models shown are not UK specification. Some of the equipment shown is optional.

Dynamic chassis control

This innovative system ensures the car's suspension is constantly adapting to suit the road and driving conditions. The ride setting can be changed at the touch of a button in the centre console.

Direct shift gearbox (DSG)

DSG automatically adapts to your driving style, whilst taking road conditions into account. It reduces the strain on the engine and stress to the driver, by deciding when to change gear, leaving you free to concentrate on the journey.

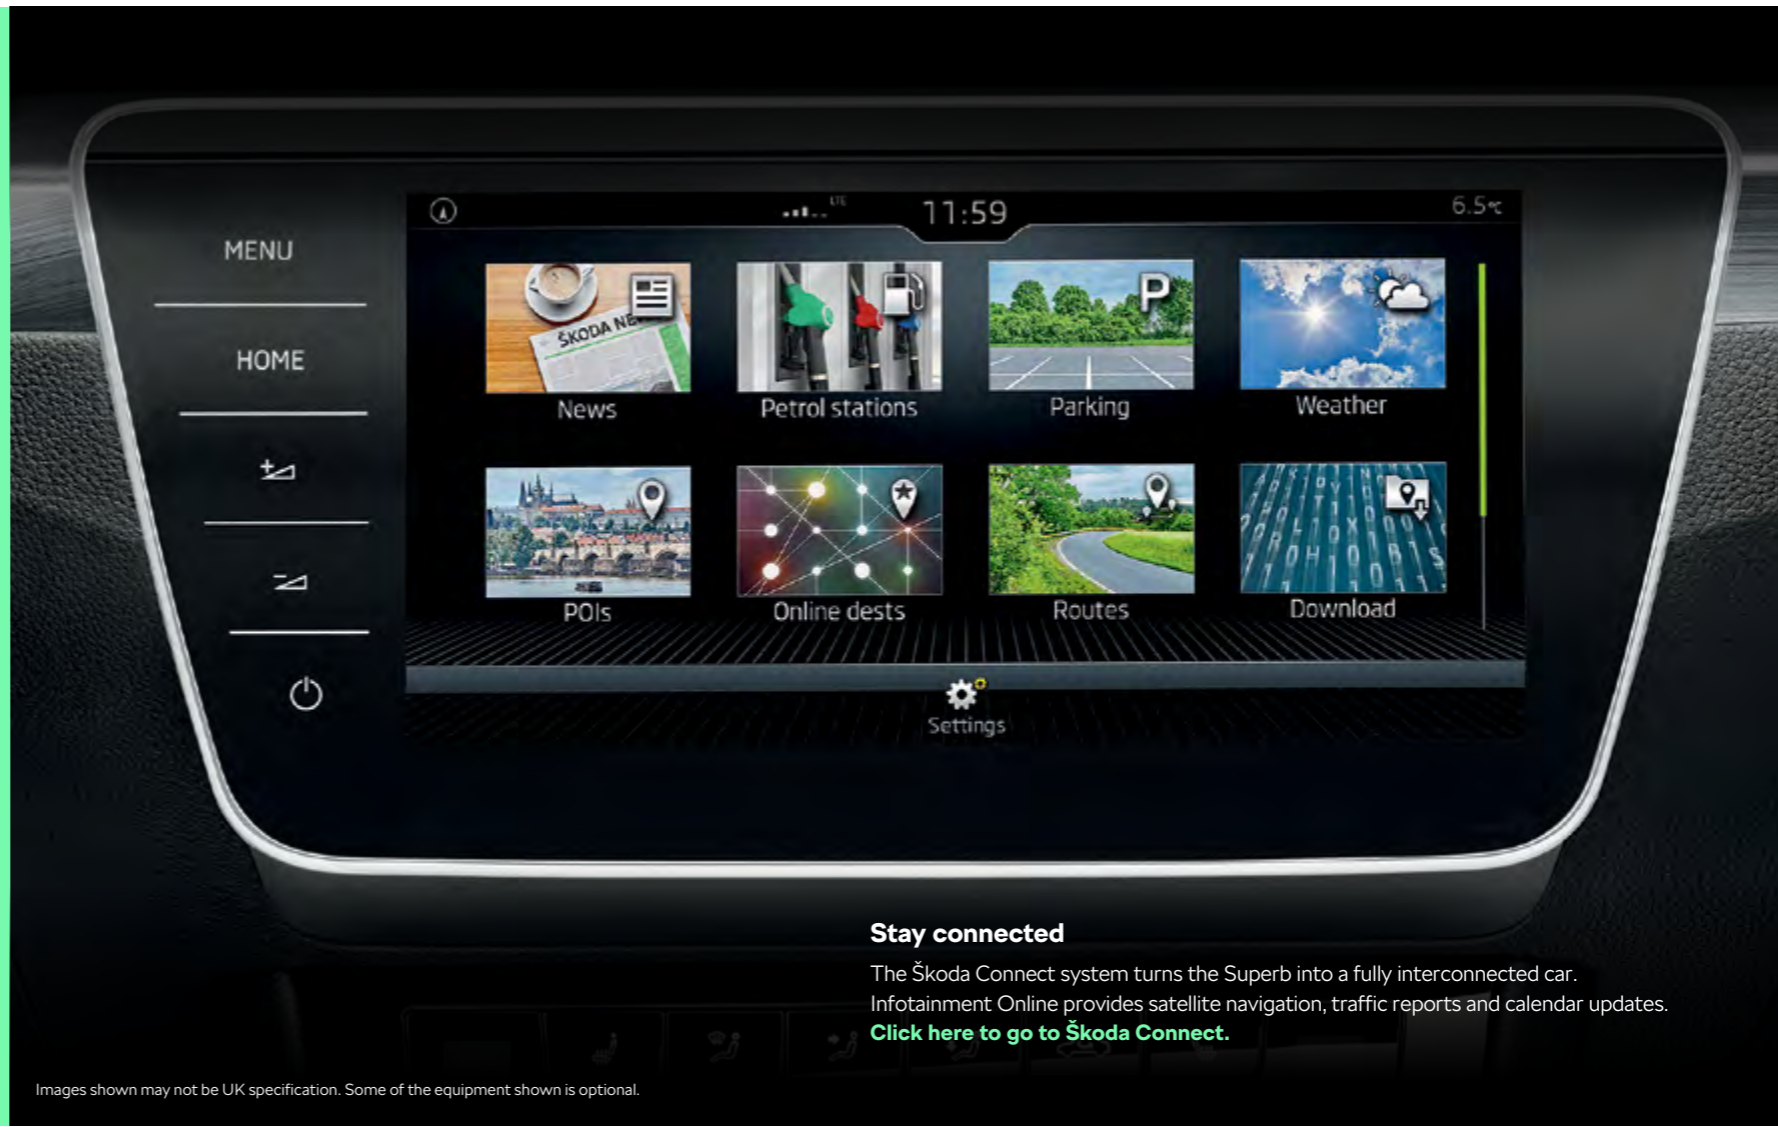

Fuel-efficient engines

Whether you favour petrol or diesel, you'll find a clever engine to suit. All options deliver a comfortable and compelling driving experience.

Connectivity to go wherever you go

By enabling you to be fully online on the move, the Superb helps you stay connected wherever your adventure takes you. Thanks to its smart assistance systems, you'll also know the best places to park, shortcuts to take and routes to avoid.

Stay connected

The Škoda Connect system turns the Superb into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates. [Click here to go to Škoda Connect.](#)

Images shown may not be UK specification. Some of the equipment shown is optional.

Smartlink

From taking calls to switching between your favourite playlists, SmartLink enables you to safely use your smartphone through the infotainment system. It also includes SmartGate, which enables you to record and analyse your drive.

Navigation system

The Columbus satellite navigation with 9.2" touchscreen display and integrated Wi-Fi will get you from A to B.

Emergency call

Activated by pressing a red button placed in the roof headlining, Emergency Call provides immediate contact with the emergency services. In the event of a crash, the call is made automatically to ensure you get the help you need.

Always fit for purpose

Famous for providing exceptional space, the Superb will help you make the most of it, thanks to a host of innovative features that celebrate the beauty of functionality.

Jumbo box

The Jumbo Box is extremely handy for holding cups, as well as storing your gadgets, house keys and books. It is also home to a second USB port, now a standard feature with Superb.

Bottle holder

You will find a 1.5-l bottle holder in a spacious compartment in the front doors and 0.5-l holder in the rear doors.

Spacious storage

Several storage compartments have been included in the interior to help you keep it looking its best. Some can also be air-conditioned, making it perfect for storing chilled refreshments.

Build your own

Fill your boots

With one of the best luggage capacities in its class, you'll never have to compromise on what you pack. The Estate offers an impressive capacity of 660 litres, which extends to 1,950 litres with the rear seats folded down. That means ample room for all your business, pleasure and practical essentials.

Additional information

Lookin out for your safety

Safety is firmly in the driving seat, thanks to the active and passive driver assistance systems, which allow you to instantly respond to whatever comes your way.

On the look out

With a host of camera and radar-based assistance systems making continual assessments, you'll have peace of mind - wherever you're driving.

Build your own

Blind spot detection

An extra set of eyes on the road that monitors the blind spots allowing you to manoeuvre safely.

Adaptive Cruise Control

Adapt your speed automatically with Adaptive Cruise Control, which uses the radar in the front grille to maintain a constant distance from the vehicle in front at speeds of 15mph or more.

Park assist

This function removes the stress of bay and parallel parking by identifying if the parking spot is big enough before automatically steering into the space.

Lane assist

Helping you stay in the intended lane of travel, Lane Assist uses a camera to detect road markings, and supports steering if you veer too close to the edge..

Front assist with predictive pedestrian protection

This function removes the stress of bay and parallel parking by identifying if the parking spot is big enough before automatically steering into the space.

Radiator grille frame in chrome design

Superb SE

With more smart assist systems and eye-catching exteriorenancements, the SE ensures travelling in style is a daily occurrence.

Standard equipment

Wheels

- > 17" Stratos alloy wheels with anti-theft wheel bolts

Exterior

- > Body coloured door mirrors and door handles
- > Front fog lights
- > Rear LED lights (low functionality)
- > Chrome grille surround with chrome rib elements

Interior

- > Cloth upholstery
- > Two-spoke leather multi function steering wheel

Safety and security

- > Automatic post collision braking system
- > Remote central locking
- > Driver fatigue sensor

Entertainment and communication

- > DAB digital radio with Bluetooth®
- > Drive mode selection
- > Virtual cockpit
- > Bolero radio with 8" touchscreen display

Comfort and convenience

- > Split and folding rear seats
- > Electric front and rear windows
- > Dual-zone climate control with humidity sensor and control
- > Electrically folding door mirrors with illuminated boarding spots
- > Front and rear parking sensors

Dual-zone climate control with humidity sensors

Bolero radio with 8" touchscreen display

Models shown are not UK specification. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Park Assist

Winter Pack inc Heated front seats

Keyless entry and start/stop

Superb SE

Recommended Options

Amundsen satellite navigation system with 8" touchscreen display

Adventure further with the Amundsen navigation system.

Park assist

Parks the car in parallel or bay spaces. Includes front and rear parking sensors.

Winter pack with heated front seats

Includes heated front seats, heated steering wheel with paddles for DSG, heated windscreen and heated windscreen washer nozzles. Keeping you warm during the cold.

Keyless entry and start/stop

No need to take your keys out of your pocket - simply unlock the car and drive.

Amundsen touchscreen satellite navigation system

Models shown are not UK specification. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Electrically operated boot

Superb SE L

Standard equipment

Wheels

- > 18" Antares alloy wheels

Exterior

- > Full LED Matrix headlights with AFS (adaptive front light system) and LED daytime running lights
- > Dynamic indicators and lighting animations
- > Privacy glass
- > Chrome strip between rear lights

Interior

- > Leather upholstery with heated front seats
- > Electrically adjustable driver's seat with memory and lumbar support
- > Floor mats

Comfort and convenience

- > Electrically operated boot
- > Electrically adjustable, heated and folding door mirrors with memory function
- > Blind spot detection

Entertainment and communication

- > Amundsen satellite navigation with 8" touchscreen display and integrated wifi
- > Infotainment Online - 1 year
- > Keyless entry and start/stop including rear doors

Rear LED lights (High functionality)

Amundsen satellite navigation with 8" touchscreen display and integrated wifi

Models shown are not UK specification. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Columbus touchscreen satellite navigation system

LED Package Plus

19" Canopus alloy wheels with anti-theft wheel bolts

Superb SE L

Recommended Options

Rear-view parking camera
The camera, mounted on the boot, is used to monitor the space behind the vehicle during reversing and manoeuvring.

Columbus satellite navigation with 9.2" touchscreen display and integrated wi-fi
The all-glass design of the 9.2" Columbus satellite navigation dominates the centre console, includes web radio, 3D maps and POI information.

19" Canopus alloy wheels
Including anti-theft wheel bolts.

LED package plus
Includes decorative ambient lighting strips on the dashboard and front and rear doors which can be set to ten colours. Also includes door handle illumination and vanity mirror lighting.

Rear view parking camera

Models shown are not UK specification. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Superb SportLine Plus

Take the iconic Superb design to another level with the angular contours and sharp dynamic lines of the SportLine Plus. The heated front seats, blind spot detection and progressive dynamic steering combine with the striking design to set Sportline Plus apart from its peers.

Models shown are not UK specification. Some of the equipment shown is optional. Information regarding tyre technical specifications can be found by visiting the Skoda car configurator [here](#).

Standard equipment

Performance monitor

Exclusive to SportLine Plus, the Performance Monitor helps provide driver information such as oil and coolant temperature and even G-force acceleration.

Alloy wheels

Enhancing the sportiness of the SportLine Plus's exterior: the 19" Vega anthracite alloy wheels.

Sports steering wheel

The multifunctional sports steering wheel in black perforated leather with silver stitching allows you to control the radio, phone and alternatively DSG.

Columbus navigation

The Columbus satellite navigation with 9.2" touchscreen display and integrated Wi-Fi puts connectivity first. Complete with Apple CarPlay™ and Android Auto™ technology means that you're always connected to those who matter most.

Microsuede sports seats

The black microsuede sports seats with silver diamond stitching further enhances the interior's boldness, with the driver's seat being heated and electrically adjustable with memory and lumbar support.

Superb SportLine Plus

Recommended Options

19" Supernova black alloy wheels

Winter pack - heated front and rear seats

Includes heated front and rear seats, heated steering wheel with paddles for DSG, tri-zone climate control, heated windscreen, and heated windscreen washer jets.

Virtual pedal

On-hand when none of yours are free. Simply use a 'kick' motion underneath the luggage compartment to open the boot.

Exclusive paint

Exclusive to SportLine Plus choose from Dragon Green, Race Blue or Meteor Grey.

Models shown are not UK specification. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Superb Laurin & Klement

While inspired by our past, this luxury level is the perfect reflection of our present day commitment to designing cars driven by something different. A true celebration of style, comfort and elegant functionality.

Models shown are not UK specification. Some of the equipment shown is optional. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Standard equipment

Two-spoke heated steering wheel

The leather multifunction sports heated steering wheel with chrome elements lets you take control of your music and phone without ever taking your hands off the wheel.

Alloy wheels

Style comes as standard, in the shape of these 18" Propus Aero anthracite alloy wheels.

Tri-zone climate control

This intelligent system enables different temperatures to be set for the driver, front and rear passengers. It's also fitted with a humidity sensor to reduce windscreen misting.

Full LED Matrix headlights with AFS

Using a windscreen camera, the Full LED Matrix headlights can detect a car in front of you or in oncoming traffic, adjusting the high beam incrementally.

Distinctive interior

The sophisticated leather interior comes in a choice of three colours; black, beige and cognac.

Superb Laurin & Klement

Recommended Options

19" Canopus black alloy wheels

Enhance the style of the exterior further with optional 19" Canopus black alloy wheels in anthracite.

Panoramic sunroof

This electric panoramic sunroof provides extra sunlight and fresh air at the simple touch of a button.

Integrated towbar

Life with a Superb is full of practicality, and you can enhance this with a tow bar. Adaptor may be required separately.

Travel assist

Drive in complete comfort knowing your Superb is there for you. Includes traffic sign recognition, adaptive lane assist, predictive adaptive cruise control, traffic jam assist and emergency assist.

Models shown are not UK specification. Some of the equipment shown is optional. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Pricing valid as of 4th April 2023.

* The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1st April 2023. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1st April 2023.

From 6 April 2020, the official CO₂ emissions values used to calculate benefit in kind (BIK) charges for fleet channels will change for passenger car registrations in the UK. This is due to a change in the method of testing. The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Park assist. Parks the car in parallel or bay spaces. Includes front and rear parking sensors.	○	○	○	●	£387.50	£465.00
Trailer assist. Must be ordered in combination with Area view and Integrated tow bar without adaptor.	-	○	○	-	£250.00	£300.00
Trailer assist with park assist. Must be ordered in combination with Area view and Integrated tow bar without adaptor.	-	○	○	-	£537.50	£645.00
	-	-	-	○	£316.67	£380.00
Lane assist and Blind spot detection. Lane assist is a camera-based function which is designed to keep the vehicle within its lane and, if necessary, alert the driver of an unwanted lane change. Blind spot detection uses a radar to prevent the driver from failing to notice a car in the blind spot behind or beside the car and, if necessary, provide a warning signal to the driver in the outer corner of the wing mirrors.	-	○	○	●	£479.17	£575.00
Traffic sign recognition. Uses the multifunction camera to recognise and display traffic signs on the virtual cockpit and navigation displays. Only available in combination with a satellite navigation system. Only available in combination with Lane assist.	-	○	○	○	£91.67	£110.00
Travel Assist. Includes traffic sign recognition, adaptive lane assist, predictive adaptive cruise control and traffic jam assist. DSG engines also have emergency assist.	-	○	○	-	£712.50	£855.00
	-	-	-	○	£175.00	£210.00
Travel Assist and Park Assist. Includes park assist, traffic sign recognition, adaptive lane assist, predictive adaptive cruise control and traffic jam assist. DSG engines also have emergency assist.	-	○	○	-	£975.00	£1,170.00
	-	-	-	○	£175.00	£210.00
Comfort and convenience						
Winter pack – heated front seats. Includes heated front seats, heated steering wheel with paddles for DSG, heated windscreen and heated windscreen washer nozzles. Heated front seats are standard on SE Technology, SE L and SportLine Plus.	○	-	-	-	£591.67	£710.00
	-	○	○	-	£462.50	£555.00
Winter pack – heated front and rear seats. Includes heated front and rear seats, heated steering wheel with paddles for DSG, tri-zone climate control, heated windscreen, and heated windscreen washer nozzles. Heated front seats are standard on SE Technology, SE L and SportLine Plus.	○	-	-	●	£870.83	£1,045.00
	-	○	○	●	£729.17	£875.00
Keyless entry and start/stop. Allows the car to be locked, unlocked via the front and rear doors and started with a button as long as the sensors detect the key is with the driver.	○	●	●	●	£287.50	£345.00
Third remote key.	○	●	●	●	£29.17	£35.00
Integrated tow bar without adaptor. The tow bar can be easily released from the boot and folded away after use. Includes preparation of the following vehicle systems for optimised operation whilst towing: alternator, battery, fan and cooling system.	○	○	○	○	£858.33	£1,030.00
Tow bar preparation. Please note, if a tow bar or tow bar preparation is not fitted on the car, the VIN plate may not show any towing weights and the car will never be eligible for towing. As such it may not be possible to retrospectively fit a tow bar if the car is not fitted with tow bar preparation at Factory. Please speak to your Retailer to confirm the exact towing eligibility.	○	○	○	○	£175.00	£210.00
Hatch only						
Virtual pedal. Enables touch-free boot opening via a motion sensor under the rear bumper. If the system identifies the authorised key and detects the 'kick' motion, the boot will open. Includes electrically operated boot functionality. Only available in combination with Keyless entry and start/stop.	-	○	○	●	£150.00	£180.00
Estate only						
Virtual pedal. Enables touch-free boot opening via a motion sensor under the rear bumper. If the system identifies the authorised key and detects the 'kick' motion, the boot will open. Includes electrically operated boot functionality. Must be ordered with either Sliding trunk cover or Retractable parcel shelf. Only available in combination with Keyless entry and start/stop.	-	○	○	●	£150.00	£180.00

VED (vehicle excise duty) from 1st April 2023

VED Band	CO ₂ (g/km)	Petrol car/diesel car* (tax class 48 and 49) 12 months	Diesel car** (tax class 49) 12 months	Alternative fuel car (tax class 59) 12 months
A	0	£0	£0	£0
B	1-50	£10	£30	£0
C	51-75	£30	£130	£0
D	76-90	£130	£165	£120
E	91-100	£165	£185	£155
F	101-110	£185	£210	£170
G	111-130	£210	£255	£200
H	131-150	£255	£645	£245
I	151-170	£645	£1,040	£635
J	171-190	£1,040	£1,565	£1,030
K	191-225	£1,565	£2,200	£1,555
L	226-255	£2,220	£2,605	£2,210
M	over 255	£2,605	£2,605	£2,595

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current Škoda UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards

** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards.

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £390 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

BiK calculation example

Based on
Superb SE Hatch 1.5 TSI 150PS DSG ACT

P11D value		£31,015.00
Company car BiK tax based on CO₂ emission level		33%
Taxable BiK (for 2023/2024 tax year):	33% of £31,015.00	£10,234.95
Annual company car tax (2023/24)		
20% income tax	20% of £10,234.95	£2,046.99
40% income tax	40% of £10,234.95	£4,093.98
Monthly company car tax (2023/24)		
20% income tax	£2,046.99 divided by 12 months	£170.58
40% income tax	£4,093.98 divided by 12 months	£341.17

Company car tax is based on the vehicle's carbon dioxide (CO₂) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2023/2024.

* Figures for the Škoda range, including petrol/diesel and hybrid vehicles. Plug-in hybrid vehicles require mains electricity for charging. Figures for hybrid vehicles were obtained using a combination of battery power and fuel. Figures shown are for comparability purposes; only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st June 2023. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see skoda.co.uk/owners/wltp-info or consult your retailer.

* Figures for the Škoda range, including petrol/diesel and hybrid vehicles. Plug-in hybrid vehicles require mains electricity for charging. Figures for hybrid vehicles were obtained using a combination of battery power and fuel. Figures shown are for comparability purposes; only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st June 2023. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see skoda.co.uk/owners/wltp-info or consult your retailer.

** Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Please note, if a tow bar or tow bar preparation is not fitted on the car, the VIN plate may not show any towing weights and the car will never be eligible for towing.

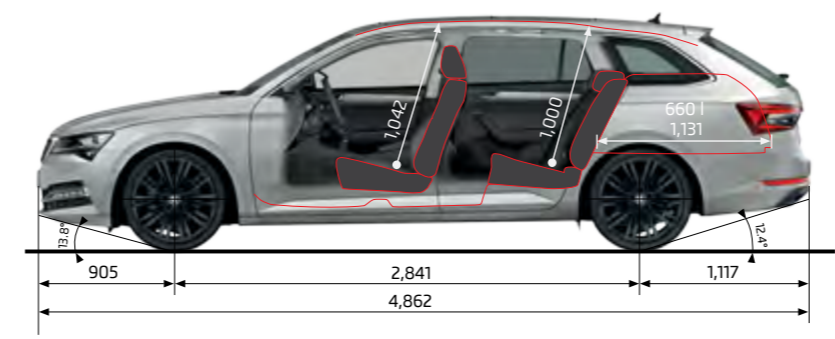

As such it may not be possible to retrospectively fit a tow bar if the car is not fitted with tow bar preparation at Factory. Please speak to your Retailer to confirm the exact towing eligibility.

Additional information

Škoda Financial Services

Škoda Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new Škoda on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

Škoda Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your Škoda Retailer for your personalised quotation today.

T&Cs apply, Škoda Financial Services.

Škoda Car Insurance

Complimentary Škoda Drive Away Insurance

Every new and Approved Used Škoda comes with five days' complimentary insurance cover, getting you on the road quickly and easily so you can enjoy the things that matter. Škoda Drive Away Insurance is designed specifically for your Škoda and guarantees that your car will be repaired in a Škoda Approved Repairer. Speak to your Škoda Retailer for more details.

Subject to eligibility.

We will also provide you with an annual quote, with no additional questions asked, so you can continue to enjoy all the benefits Škoda Car Insurance offers.

Read on for more details.

Škoda Car Insurance

Škoda Car Insurance offers quality service and support when you need it most, with a policy tailored specifically for your Škoda. Just as you'd expect from Škoda, our annual car insurance provides comprehensive cover, with lots of benefits included at no extra cost.

Insure your car with Škoda and relax knowing we only use Škoda trained technicians, who know your car inside out, and Škoda genuine parts*, giving you the peace of mind that your Škoda will be repaired to the same high standards as before and to original manufacturer specifications.

*Excludes windscreen claims.

There's a lot to like about being a Škoda driver.

Get a quote or find out more at [insurewithskoda.co.uk/car-insurance](https://www.insurewithskoda.co.uk/car-insurance)

Alternatively, call us on **0345 246 9091**. Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday.

Škoda Car Insurance is underwritten by U K Insurance Limited. Calls may be recorded.

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"), registered in England and Wales No.2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Until 31st October 2022 Volkswagen Insurance Service (Great Britain) Ltd operates as an appointed representative of VWFS UK, after this date all references to Volkswagen Insurance Service (Great Britain) Ltd should instead be read as VWFS UK. VWFS UK is authorised and regulated by the Financial Conduct Authority. VWFS UK and U K Insurance Limited are not part of the same corporate group.

Škoda Gap Insurance

What is Škoda Gap Insurance?

If your Škoda is written off, your motor insurer will usually pay out based on the current market value of your vehicle. This could be a lot less than its original value and therefore may leave you with an unexpected shortfall.

Our Gap Insurance helps to cover the gap left by this shortfall to get you back in a new Škoda or help pay off any outstanding finance, lease or hire agreement.

There are two options for you to choose from:

Škoda Gap Insurance

This pays the difference between the write off settlement from your motor insurer and the price you paid for your Škoda or the outstanding balance payable to the finance company, whichever is the greater amount.

If your vehicle is leased or hired, Škoda Gap Insurance will cover the difference between the write off settlement from your motor insurer and the early termination charge. This includes any rentals paid in advance as a deposit up to £2,000.

Cover lasts for 36 months and the maximum claim limit is based on your vehicle purchase price.

Škoda Gap Insurance Plus

In addition to all the benefits of Škoda Gap Insurance, the Škoda Gap Insurance Plus policy includes a 12-month fixed benefit. This will start once your 36-month Gap Insurance cover ends.

If your vehicle is written off during the additional 12-month fixed benefit period of insurance, Škoda Gap Insurance will pay a fixed sum of £2,500.

Why choose us?

Škoda Gap Insurance gives you the financial protection your Škoda deserves. So you can relax knowing that if you need to make a claim, we could help you get back into a replacement Škoda.

To discover the additional benefits and full terms and conditions, please refer to the Cover Booklet.

For more information about Škoda Gap Insurance, please speak to your nearest participating Škoda Retailer or go online www.insurewithskoda.co.uk/gap-insurance

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"). Registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR.

Škoda Gap Insurance is administered by Car Care Plan Limited and underwritten by Motors Insurance Company Limited.

VWFS UK is not part of the same corporate group as Motors Insurance Company Limited and Car Care Plan Limited.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your Škoda in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine Škoda approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first 2 services for a fixed payment, protecting you from inflation. You can choose to pay upfront or monthly across 24 monthly payments. The service plan includes a maximum of one oil service and one oil and inspection service with pollen filter change. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your Škoda Retailer to create a more tailored service plan.

Exclusions, terms and conditions apply. Servicing must be carried out in line with the requirement of the service schedule. All work must be carried out at a Škoda Authorised Repairer. Additional work, including wear and tear, is excluded. Freepost Škoda Financial Services.

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

Service intervals

When you order your Superb, you can choose whether your car is on a fixed or a flexible service regime. Your Škoda retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

Additional information – continued

Roadside assistance

A three year, European-wide, unlimited mileage Škoda Assistance policy comes free of charge with every new Škoda. There's a team of specially trained technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown.

Provided in partnership with the AA. Exclusions and terms and conditions apply. For details please speak to your local Škoda Retailer.

Customer services

Talk to us on **03330 037 504**. No matter what the query, our dedicated call centre is always ready to listen. No matter how big or small the request, speak to one of our customer care advisors to see if they can help. The call centre is open Monday to Friday from 8.30am-5.30pm. You can also talk to one our advisors via live chat, on Monday to Friday from 8am-8pm.

A network that's here to help

You can be sure that as a Škoda customer, your retailer will look after you from the moment you walk through the door and throughout the life of your Škoda. Your Superb will be serviced and maintained by specially trained Škoda technicians, and when you need a spare part you'll be happy to know that most are held in stock, or ordered within 24 hours. So if top class customer satisfaction is what you're after, the Škoda network will be there for you.

Motability

People who are in receipt of one of the following allowances, and have at least 12 months remaining on their reward, may be eligible for a vehicle via the Motability scheme.

Higher Rate Mobility Component of the Disability Living Allowance (HRMC of DLA), Enhanced Rate of the Mobility Component of Personal Independence Payment (ERMC of PIP), War Pensioners' Mobility Supplement (WPMS) or Armed Forces Independence Payment (AFIP).

For full details of the scheme, current model availability and pricing, please contact the Motability specialist at your local Škoda Retailer.

Warranty

Peace of mind with a Škoda warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty. In addition, you'll also get a further warranty on new vehicles supplied through the appointed retail network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner. Your Superb also benefits from a three-year paint warranty and 12-year body protection warranty.

Exclusions and terms and conditions apply.

Owning a Škoda

Three-year vehicle warranty from new

First two years unlimited mileage.
Third year with 60,000 mile limitation, whichever is sooner.
Four to five years Optional Extended Warranty.

Three-year paint warranty

Up to 12 years body protection.

Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark

plugs, batteries for key fobs and alarms, light bulbs and shock absorbers. Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at: **skoda.co.uk/owners/accessories-and-merchandise**

Figures for the Škoda range, including petrol/diesel and hybrid vehicles. Plug-in hybrid vehicles require mains electricity for charging. Figures for hybrid vehicles were obtained using a combination of battery power and fuel. Figures shown are for comparability purposes; only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st June 2023. Choice of wheels and other options may affect fuel consumption and emissions data.

For more information, please see skoda.co.uk/owners/wltp-info or consult your retailer.

Škoda UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen Škoda Retailer.
