

SKODA

Kodiaq

Jump in and explore the all-new Škoda Kodiaq

The all-new Škoda Kodiaq boasts a powerful and rugged appearance with a redesigned front grille, squared-off wheel arches and solid rear bumper to give it a real road presence. The new design also improves aerodynamics and increased efficiency and as always is packed with simply clever features and even more space to provide the most comfortable drive.

The exterior introduces the first elements of Modern Solid design language and includes new technologies such as Full LED Matrix headlights and a horizontal light strip across the grille.

The new interior concept combines sustainable materials and spacious design with innovative controls such as the new Škoda Smart Dials.

Offering the right option for every customer: power outputs from 150 PS to 204 PS and a new plug-in hybrid* drivetrain with an electric range of more than 62 miles.

* The 1.5TSI iV 204PS DSG plug-in hybrid drivetrain available later in 2024.

Pricing valid as of 10th April 2024.

* The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1st April 2024. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1st April 2024.

From 6th April 2020, the official CO₂ emissions values used to calculate benefit in kind (BiK) charges for fleet channels will change for passenger car registrations in the UK. This is due to a change in the method of testing. The BiK charges quoted reflect the charges which apply to vehicles registered after 6th April 2020. These charges may differ from any charges displayed or quoted before 6th April 2020.

Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

VED (Vehicle Excise Duty) from 1st April 2024

VED Band	CO ₂ (g/km)	Petrol car/diesel car* (tax class 48 and 49) 12 months	Diesel car** (tax class 49) 12 months	Alternative fuel car (tax class 59) 12 months
A	0	£0	£0	£0
B	1-50	£10	£30	£0
C	51-75	£30	£135	£20
D	76-90	£135	£175	£125
E	91-100	£175	£195	£165
F	101-110	£195	£220	£185
G	111-130	£220	£270	£210

I	151-170	£680	£1,095	£670
J	171-190	£1,095	£1,650	£1,085
K	191-225	£1,650	£2,340	£1,640
L	226-255	£2,340	£2,745	£2,330
M	over 255	£2,745	£2,745	£2,735

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current Škoda UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards

** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards.

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £410 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

BiK calculation example

Based on

Kodiaq SE (5 seat) 1.5 TSI e-TEC 150 PS DSG

P11D value		£36,330.00
Company car BiK tax based on CO₂ emission level		32%
Taxable BiK (for 2024/2025 tax year):	37% of £36,330.00	£11,625.60
Annual company car tax (2024/25)		
20% income tax	20% of £11,625.60	£2,325.12
40% income tax	40% of £11,625.60	£4,650.24
Monthly company car tax (2024/25)		
20% income tax	£2,325.12 divided by 12 months	£193.76
40% income tax	£4650.24 divided by 12 months	£387.52

Company car tax is based on the vehicle's carbon dioxide (CO₂) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2024/25.

Designed to make a statement

The all-new Škoda Kodiaq is built to take on the toughest terrains with its redesigned rugged looks and new innovative features.

Wheels
A choice of alloy wheel options are available, giving you the opportunity to uniquely personalise the Kodiaq's distinctive exterior.

2nd generation Full LED Matrix headlights with crystalline design
This adaptive system provides different lighting modes for various situations and weather conditions, such as driving in the city, on the motorway, in the rain or fog.

Redesigned front grille with horizontal light strip
The striking new front grille is a real eye turner especially at night and give the Kodiaq a dominant road presence.

Panoramic Sunroof
This electrically adjustable panoramic sunroof and blind provides extra sunlight and fresh air at the simple touch of a button.

Models shown are not UK specification. Some of the equipment shown is optional.

Innovation with intent

The interior of the all-new Kodiaq combines style and simplicity with smart solutions and intuitive controls. The virtual cockpit and 13" infotainment display give an immediate sense of ease and luxury.

The DSG gear selector is positioned on the steering column, allowing for a generous centre console. Above which you'll find customisable Škoda Smart Dials, which combine physical dials and digital displays to intuitively access a range of vehicle functions.

Models shown are not UK specification. Some of the equipment shown is optional.

Škoda Smart Dials

Combining practical haptic control with innovative digital technology. The two outer Smart Dials allow for easy function of the interior temperature, seat heating and ventilation. Whilst the centre dial can control up to four other functions, such as driving modes, map zoom, and speaker volume.

Dual wireless charging

Arrive at your destination ready to go with a fully-charged smartphone. Simply place your compatible smartphone on the wireless charging pad to start receiving power. Plus, the cooling function will help prevent your phone from overheating.

CANTON sound system

Set the perfect tone for every journey with this set of 12 speakers and digital equaliser. Created in collaboration with German audio experts CANTON, you can be confident every album, radio show or podcast will be pitch perfect as the system has been fine-tuned to suit the all-new Kodiaq's interior.

First-class comfort for up to seven passengers

With many clever features designed to make your life just a little easier, the only thing not packed into the Kodiaq's stylish interior are your passengers.

Ambient lighting

Personalise the ambient lighting to your preference by lighting up the cockpit to create a first class premium feel.

Improved storage and wireless charging

The redesigned centre console provides greater storage and now room for wireless charging for two smartphones with cooling function.

Seat comfort

AGR-certified premium ergonomic front seats with ventilation and advanced memory function as well as heated seats in the rear.

Models shown are not UK specification.
Some of the equipment shown is optional.

Additional information

Ahead of the pack

The redesigned exterior gives the all-new Kodiaq a more powerful look on the road. This is most noticeable head on with the redesigned front grille and horizontal light strip, sculpted bonnet, revised 2D logo, Full LED Matrix headlights with crystallinum and unique dark chrome finishes.

Models shown are not UK specification. Some of the equipment shown is optional.

Fuel-efficient engines

With the introduction of our plug-in hybrid you can now select between 4 engine options including mild hybrid, petrol and diesel.

Dynamic chassis control

The new-generation dynamic chassis control now uses two independent valves giving you extra comfort, power and grip. You can now select between 7 drive modes depending on the terrain you face.

Four-wheel drive

The 4x4 system is designed to smoothly distribute the torque between front and rear axles automatically, to help you maintain control and stability.

Repositioned gear selector (DSG)

One of the key highlights is the gear selector which has been repositioned on the steering column to provide even more space in the centre console as well as room for wireless charging for two smartphones.

Kodiaq iV – Plug into the future

The all-new Kodiaq will offer a plug-in hybrid variant for the 1st time. With a range of over 70 miles across all trims our flagship SUV is the perfect all rounder for all family trips.

Models shown are not UK specification. Some of the equipment shown is optional. *Only available on 5 seat variant. Figures for the ŠKODA range, including petrol/diesel and hybrid vehicles. Plug-in hybrid vehicles require mains electricity for charging. Figures for hybrid vehicles were obtained using a combination of battery power and fuel. Figures shown are for comparability purposes; only compare fuel consumption, CO₂ and electric range figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 13th June 2024. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see skoda.co.uk/owners/wltp-info or consult your retailer.

Range

The all-new Kodiaq iV can travel over 70 miles (112km) on a single charge, meaning the majority of journeys could be completed in pure electric driving.

Charging

The battery is capable of up to 40kW DC charging, taking the charge level from 10% to 80% in just 26 minutes. It is also capable of up to 11kW AC charging, meaning it can be charged at a home wallbox in as little as 2.30 hours.

Drive mode select

A choice of settings to suit all conditions and driving styles; SPORT mode provides the maximum power output of 204 PS, whilst in E-mode, the all-new Kodiaq iV is powered exclusively by the battery. In HYBRID mode, the electronics optimise the balance between the petrol engine and the electric motor.

iV badging

The all-new Kodiaq remains understated with small iV badging, which can be removed free of charge.

Connectivity to go wherever you go

By enabling you to be fully online on the move, the Kodiaq helps you stay connected wherever your adventure takes you. Thanks to its smart assistance systems, you'll also know the best places to park, shortcuts to take and routes to avoid.

Models shown are not UK specification. Some of the equipment shown is optional.

Škoda connect & Navigation system

The new Škoda Connect system turns the Kodiaq into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates. With Proactive Services the car will contact your Škoda Retailer to arrange a service.

Finally, Emergency Call will contact the emergency services in the event of an accident to get you the help you need. All at your finger tips on the new free standing 13" infotainment navigation touchscreen display and integrated Wi-Fi will get you from A to B, but why stop there?

With its Bluetooth®, SmartLink and Wi-Fi capability, it offers more connectivity on-the-go.

Click [here](#) to go to Škoda Connect.

Virtual cockpit

Put all the information you need right in front of your eyes with the customisable 10.25" digital display. It replaces the traditional instrument dials and can be customised with four views (Classic, Basic, Extended and Modern). A fifth Sports view is available for SportLine models.

Smartlink

SmartLink enables you to connect your smartphone through the infotainment system with Apple CarPlay™ and Android Auto™ as standard across the range.

MySkoda app

The MySkoda app can be used to check the status of the vehicle and now includes new features for example trained and remote parking. (Remote parking available from late 2024).

Bigger and more spacious than ever

There's always room for more toys, more snacks and the occasional four-legged friend. After all, life's too short to let anything ever get in the way of quality family time away. Especially a lack of space.

Jumbo box

Increased storage space thanks to the repositioned gear selector, equipped with cup holders and handy storage compartments, the Jumbo Box will store your gadgets, house keys and books.

Spacious storage

Several spacious storage compartments have been included in the interior to help you keep it looking its best.

More room for your everyday life

With one of the best luggage capacities in its class, you no longer need to compromise on what you pack. With the rear seats folded (five seat versions), there's a remarkable 2,105 litres* of space available. That means ample room for everything that's important to you. The release button makes folding the rear seats easy.

Models shown are not UK specification.

* With all seats down the 5-seat variant offers 2,105L and 7-seat variant offers 2,035L capacity.

Clever design with a human touch

At Škoda we believe the best ideas are those that make our lives simpler. That's why the Kodiaq is full of practical touches to ensure every trip is easy.

Umbrella storage

A spot of rain will never dampen your spirits again thanks to the umbrella located in the front door made from sustainable materials.

Fuel door

With fuel-fill protection, you'll never load up with the wrong fuel again. You'll also find a handy ice scraper on the fuel door made from sustainable materials..

Virtual pedal

On-hand when none of yours are free. Simply use a 'kick motion' underneath the luggage compartment to open the boot.

Door edge protection

As part of the Simply Clever Family Package, all doors are fitted with door edge protectors that eject upon opening and cover the edge of the door. Ideal when you're in a tight parking spot.

Models shown are not UK specification. Some of the equipment shown is optional.

Always looking out for your safety

On the lookout

With a host of camera and radar-based assistance systems making continual assessments, you'll have peace of mind - wherever you're driving.

Pedestrian monitor

Whether it's a child chasing a loose ball or an adult glued to their smartphone screen, if someone unexpectedly crosses your path the Pedestrian Monitor automatically reduces your car's speed to help prevent a collision.

Multi-collision brake

In the unthinkable event you have an accident in your Kodiaq, the Multi-Collision Brake system will automatically slow the car to help protect you from any further collisions.

Images shown may not be UK specification. Some of the equipment shown is optional.

Driving assistance

The onboard camera recognises key traffic signs and automatically adjusts it's speed as well as automatically mirroring the speed of the vehicle in front for ultimate ease when driving on the motorway. Also features lane keeping system and traffic jam assist.

Blind spot detect

An extra set of eyes on the road that monitors the blind spots allowing you to manoeuvre safely.

Full LED Matrix headlights

See more of the road ahead with the adaptive front light system, cornering function, all weather lighting system and integrated headlight washers.

Park assist

This function removes the stress of reverse and parallel parking by identifying if the parking spot is big enough before automatically steering into the space for you. Trained parking is a new feature where the vehicle automatically completes a parking manoeuvre for you in a familiar environment, e.g at home.

Additional information

Škoda Financial Services

Škoda Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

- 1. Part exchange your car for a new Škoda on a Solutions contract.
- 2. Pay the optional final payment to own the car.
- 3. Return the car (subject to terms and conditions).

Škoda Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your Škoda Retailer for your personalised quotation today.

T&Cs apply. Škoda Financial Services.

Škoda Car Insurance

Complimentary Škoda Drive Away Insurance

Every new and Approved Used Škoda comes with five days' complimentary insurance cover, getting you on the road quickly and easily so you can enjoy the things that matter. Škoda Drive Away Insurance is designed specifically for your Škoda and guarantees that your car will be repaired in a Škoda Approved Repairer. Speak to your Škoda Retailer for more details.

Subject to eligibility.

We will also provide you with an annual quote, with no additional questions asked, so you can continue to enjoy all the benefits Škoda Car Insurance offers.

Read on for more details.

Škoda Car Insurance

Škoda Car Insurance offers quality service and support when you need it most, with a policy tailored specifically for your Škoda. Just as you'd expect from Škoda, our annual car insurance provides comprehensive cover, with lots of benefits included at no extra cost.

Insure your car with Škoda and relax knowing we only use Škoda trained technicians, who know your car inside out, and Škoda genuine parts*, giving you the peace of mind that your Škoda will be repaired to the same high standards as before and to original manufacturer specifications.

*Excludes windscreen claims.

There's a lot to like about being a Škoda driver.

Get a quote or find out more at insurewithskoda.co.uk/car-insurance

Alternatively, call us on **0345 246 9091**. Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday.

Škoda Car Insurance is underwritten by U K Insurance Limited. Calls may be recorded.

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"), registered in England and Wales No.2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Until 31st October 2022 Volkswagen Insurance Service (Great Britain) Ltd operates as an appointed representative of VWFS UK, after this date all references to Volkswagen Insurance Service (Great Britain) Ltd should instead be read as VWFS UK. VWFS UK is authorised and regulated by the Financial Conduct Authority. VWFS UK and U K Insurance Limited are not part of the same corporate group.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your Škoda in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine Škoda approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first 2 services for a fixed payment, protecting you from inflation. You can choose to pay upfront or monthly across 24 monthly payments. The service plan includes a maximum of one oil service and one oil and inspection service with pollen filter change. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your Škoda Retailer to create a more tailored service plan.

Exclusions, terms and conditions apply. Servicing must be carried out in line with the requirement of the service schedule. All work must be carried out at a Škoda Authorised Repairer. Additional work, including wear and tear, is excluded. Freepost Škoda Financial Services.

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

Service intervals

When you order your Kodiaq, you can choose whether your car is on a fixed or a flexible service regime. Your Škoda retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.
