picanto

The Power to Surprise

The Picanto comprises of 7 stylish models – the '1', '2', '3', 'X-Line', 'GT-Line' and the range-topping 'GT-Line S' (pictured here) and X-Line S. This range-topping model boasts features including Autonomous Emergency Braking (AEB) which applies the brakes when it detects any risk of collision*. These models also come with stylish 16" alloy wheels, a 7" Touchscreen sat nav with RDS and DAB radio and an electric sunroof so you can enjoy fresh air on the move.

Forever young. Eternally fun.

Young, fun and stylish, the Picanto is full of energy and even more: It's also full of features, smart ways to stay connected, and advanced technologies to keep you safe – making it the perfect balance of youthful spirit and serious driver enjoyment.

The range boasts a superb standard specification including front electric windows, remote central door locking and fold away key, a stylish 3.8" Monochrome audio display with RDS, USB and AUX ports or 7" Touchscreen sat nav on certain grades, automatic headlight control and Hill-start Assist Control – enjoy added support for those tricky hill starts, as this feature will prevent you from rolling backwards.

Introducing the expressive 'X-Line' and 'X-Line S'.

The Picanto 'X-Line' and 'X-Line S' are impossible to miss. The rugged front and the dedicated rear bumper design with twin exhaust combined with bold 16" alloy wheels and the stylish shark fin antenna enhance its road presence. Inside, a D-cut steering wheel gives you all the performance cues you need, while the 7" Touchscreen Satellite Navigation* display with RDS and DAB, Apple CarPlay™** and Android Auto™** with voice control takes in-car entertainment to a new level. Both models also boast stylish grey faux leather upholstery.

7" touchscreen Sat Nav with RDS and DAB, Kia connected services featuring TomTom ('3' Grade, 'GT-Line-S' and 'X-Line-S')

Always a step ahead.

The Picanto is loaded with smart ways to keep you in touch, informed and fully connected.

Sun visor illumination lights (Driver's side only):
It's easy to stay stylish with the handy illumination lamps. Simply pull down the sun visor and open the mirror to activate. There are lights at each side of the glass, as well as a striking U-shaped mood light around the sides and bottom.

Wireless mobile phone charger*:
Enjoy convenient, cable-free charging for compatible smartphones, with the wireless phone charger - the charging pad is at the front of the centre console for easy access.

2.6" Supervision Monochrome Cluster Display:
The LCD delivers tyre pressure alerts and other essential vehicle and trip information.

Bluetooth*:
Thanks to built-in Bluetooth® you can pair your compatible mobile devices for music streaming, hands-free calls and navigation.

More room. More adventures.

The energetic Picanto is ready for anything. With its roomy cabin, versatile folding seats, and outstanding 255 litre luggage capacity, you'll have all the space you need to make the most of every day.

60:40 split folding rear seats:
Enjoy the flexibility of rear seats that split and fold 60:40 to accommodate people or cargo.

Dual-level luggage board:
The cargo area floor board mounts flush with the folded seatbacks, concealing space below for tall objects.

Double tray:
Located below the temperature controls, the double tray is a convenient spot for sunglasses, or audio devices.

Glove box:
With separate sections for your favourite accessories, the glove box keeps you beautifully organised.

Centre console armrest:
The floor-mounted centre console offers convenient additional storage. The adjustable armrest also slides to offer you the perfect position for your arm.

Front cup holder:
Dual cup holders at the front of the console keep your drinks close at hand.

A car you can count on.

The Picanto's engines are reliable, efficient and perfectly geared for the city.

Automatic transmission

The 4-speed automatic transmission offers quiet operation and shift points that are set to maximise smoothness – even in stop-and-go city traffic.

Manual transmission

The 5-speed manual transmission features friction-reduction measures for lasting performance, and lets you select gears quickly.

Kappa 1.0 MPI Engine

With a CVVT valve-train, the smooth-running, 66bhp, 1.0-litre MPI engine combines efficiency, power and dynamic performance.

Kappa 1.25 MPI Engine

The 83 bhp, 1.25-litre, dual-CVVT MPI engine with piston-cooling jets and coated piston rings is feisty and capable, while remaining quiet and efficient.

1.0 T-GDi Engine

1.0 T-GDi 99bhp engine which is available on 'GT-Line' and 'GT-Line S' models

Safety first.

The Picanto's active safety features ensure that you always stay alert, informed and forewarned. That means help with everything from squeezing into a parking space to avoiding a collision.

Reversing camera system with dynamic guidelines

As you reverse into a parking space, the rear camera will project an image onto the 7" floating display, along with dynamic guidelines to help you into place. Available on selected Grades.

Autonomous Emergency Braking (AEB)*

Using a radar, AEB detects any potential collisions ahead. If necessary, it warns the driver of the risk, and applies braking to help prevent a collision.

* Advanced Driving Assistance Pack (ADAP), comprises of AEB and Supervision Cluster. Option available for £350 (inc. VAT) on trims where not standard.

Advanced High-Strength Steel and hot-stamped steel (AHSS)

The Picanto uses more than 44% Advanced High Strength Steel (AHSS), as well as hot-stamped components in the core stress areas. This greatly improves body average tensile strength and rigidity – enhancing cabin protection and improving dynamic performance.

Uncompromising protection.

The Picanto is serious about keeping you protected. With advanced active safety features and rigorous attention to detail, it's built to offer you full peace of mind

HAC (Hill-start Assist Control)
When at a standstill on an incline, HAC prevents you from rolling backwards. It gently applies the brakes from the time you lift your foot from the brake pedal, giving you time to switch your foot smoothly to the accelerator.

ESC (Electronic Stability Control)
ESC ensures optimal braking performance and directional control. It automatically delivers the right amount of braking force to each wheel, based on an evaluation of engine torque and driving conditions.

Braking system
The brakes are tuned to work with the ABS and tyres to reduce stopping distance, and maximise stopping power and directional control while braking.

TPMS (Tyre Pressure Monitoring System)
Measuring sidewall stiffness and wheel radius, TPMS alerts you when a tyre needs pressure adjustment, by displaying the information on the cluster screen.

Up the fun factor

With 7 stylish grades within the Picanto range to choose from there really is one for everyone. More choice and more fun – let the good times roll in the Picanto.

Attention to detail

Electric sunroof

Enjoy the breeze with a sunroof that opens and closes smoothly with a simple press of a power button.

Automatic Air Conditioning

Enjoy one-touch comfort. Just set your preferred temperature, and the automatic system will monitor and maintain it until you change the settings.

Steering wheel mounted controls
Buttons mounted on the steering wheel let you adjust the audio – while keeping your eyes firmly on the road.

Auto cruise control and speed limiter
Set, adjust or cancel the automatic system, with buttons right at your fingertips.

Audio system

The compact 3.8" audio system with RDS includes a flat, mono TFT-LCD screen. In addition to radio, it offers connectivity with portable devices through its AUX and USB inputs.

Air conditioning

Simple graphics let you choose your temperature and airflow preferences and adjust them as you like. Illuminated icons show you the current settings in the dark.

MDPS with tilt steering wheel adjustment

Motor-Driven Power Steering simplifies turning, while a tilt steering column helps you find your perfect driving position.

2.6" monochrome cluster display

Keep vital information front and centre with the segmented cluster, located between the instrument dials.

Body coloured exterior mirrors

Get a more luxurious look with body-coloured exterior mirrors. They are also heated and have a folding functionality with stylish integrated LED indicators.

Smart key with engine start/stop button
The Smart Key remote lets you unlock or lock the doors without a key, and allows you to start the car simply by pushing a button.

AUX and USB ports

Connect audio players and mobile devices via USB or mini-RCA cords for playback.

Stainless steel pedals

Sporty stainless steel pedals add to the fun of driving. Raised rubber grips help ensure confident footwork.

Auto light control

Set the stalk ring to Auto and the front and rear lights will turn on or off depending on lighting conditions.

High-mounted stop light

From the subtle spoiler above the rear window, the high-mounted stop light helps drivers behind you see when you're braking.
