

SKODA

Kodiaq

Horizons broadened

Exploration begins at home...Or rather, on the driveway.

The robust and spacious Škoda Kodiaq is eager to turn every family drive into a voyage of discovery.

Kodiaq makes its intentions clear from the very start, with striking design details, ensuring you'll be driving an SUV that looks fantastic and performs just as well.

Bolstered by protective assets all round, such as wheel arch covers and reinforced front and rear bumpers, along with the stunning LED Matrix headlights, an array of features is on hand to keep you safe on every adventure.

Kodiaq caters for larger families with the availability of seven seats. The even more adventurous can tackle any terrain with the optional 4x4 drive.

Designed to make a statement

The Kodiaq isn't just a car built to take on the toughest terrains with ease. Its tornado lines, precise edges and crystalline influences add to its distinguished style.

Wheels

Ranging from 18" to 20", a choice of alloy wheel options are available, giving you the opportunity to uniquely personalise the Kodiaq's distinctive exterior.

Full LED Matrix headlights

This adaptive system provides different lighting modes for various situations and weather conditions, such as driving in the city, on the motorway, in the rain or fog.

Rear LED lights (high functionality)

The tail lights are eye-catching with their crystalline structures and form the Škoda-typical C-shaped light cluster. They are standard across the range, equipped with dynamic indicators and an animated welcome effect.

Panoramic Sunroof

This electrically adjustable panoramic sunroof and blind provides extra sunlight and fresh air at the simple touch of a button.

Models shown are not UK specification. Some of the equipment shown is optional.

First-class travel for up to seven passengers

With many clever features designed to make your life just a little easier, the only thing not packed into the Kodiaq's stylish interior are your passengers.

Tri-zone Climate Control

Part of the Winter pack – heated front and rear seats, this intelligent system enables different temperatures to be set for the driver, co-driver and rear passengers.

Personalisation options

The infotainment system enables different drivers to save their individual preferences, from seat positioning and driving mode to ambient light settings.

LED Interior light pack

Selecting the Kodiaq's LED ambient lighting is anything but a black and white decision. From the understated to the unapologetically bold, ten colour options are available.

Models shown are not UK specification.
Some of the equipment shown is optional.

Front-runner

The radically different look to Kodiaq is at it's most striking when viewed head-on. A newly designed bonnet, grille, headlights and bumper with spoiler underline a confident expression, setting the tone as you get on your way.

Models shown are not UK specification. Some of the equipment shown is optional.

Fuel-efficient engines

Whether you favour petrol or diesel, you'll find a clever engine to suit.

Dynamic chassis control

This feature lets you switch between six driving modes, giving you added comfort, power or grip, depending on the terrain.

Four-wheel drive

The 4x4 system is designed to smoothly distribute the torque between front and rear axles automatically, to help you maintain control and stability.

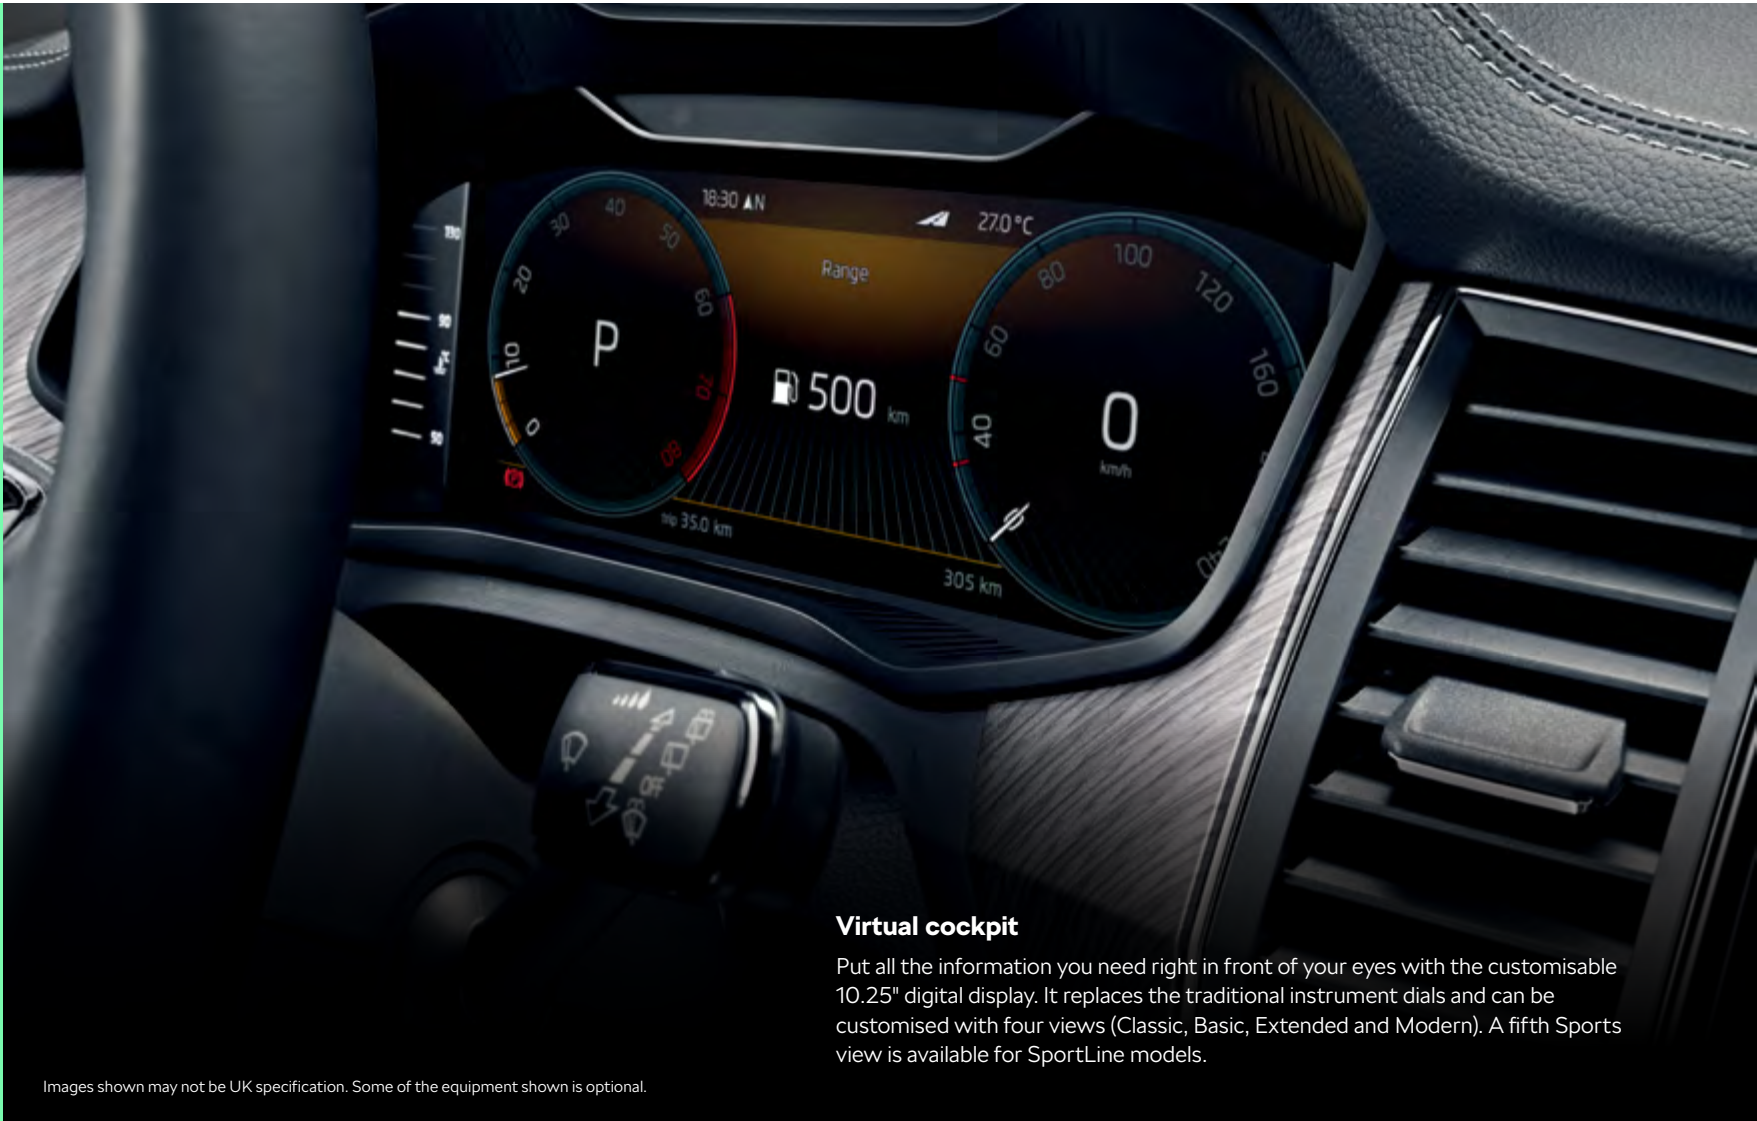

Direct shift gearbox (DSG)

DSG automatically adapts to your driving style, whilst taking road conditions into account. It reduces the strain on the engine and stress to the driver, by deciding when to change gear, leaving you free to concentrate on the journey.

Conectivity to go wherever you go

By enabling you to be fully online on the move, the Kodiaq helps you stay connected wherever your adventure takes you. Thanks to its smart assistance systems, you'll also know the best places to park, shortcuts to take and routes to avoid.

Virtual cockpit

Put all the information you need right in front of your eyes with the customisable 10.25" digital display. It replaces the traditional instrument dials and can be customised with four views (Classic, Basic, Extended and Modern). A fifth Sports view is available for SportLine models.

Images shown may not be UK specification. Some of the equipment shown is optional.

Škoda connect & Navigation system

The new Škoda Connect system turns the Kodiaq into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates. With Proactive Services the car will contact your Škoda Retailer to arrange a service.

Finally, Emergency Call will contact the emergency services in the event of an accident to get you the help you need. The Columbus satellite navigation with 9.2" touchscreen display and integrated Wi-Fi will get you from A to B, but why stop there? With its Bluetooth®, SmartLink and Wi-Fi capability, it offers more connectivity on-the-go. Click [here](#) to go to Škoda Connect.

Smartlink

SmartLink enables you to connect your smartphone through the infotainment system with Apple CarPlay™ and Android Auto™ as standard across the range.

An interior for lovers of wide open space

There's always room for more toys, more snacks and the occasional four-legged friend. After all, life's too short to let anything ever get in the way of quality family time away. Especially a lack of space.

Jumbo box

Equipped with cup holders and handy storage compartments, the Jumbo Box will store your gadgets, house keys and books.

Spacious storage

Several spacious storage compartments have been included in the interior to help you keep it looking its best.

More room to please

With one of the best luggage capacities in its class, you no longer need to compromise on what you pack. With the rear seats folded (five seat versions), there's a remarkable 2,065 litres of space available. That means ample room for everything that's important to you. The remote release button makes folding the rear seats easy.

Models shown are not UK specification.

Clever design with a human touch

At Škoda we believe the best ideas are those that make our lives simpler. That's why the Kodiaq is full of practical touches to ensure every trip is easy.

 Build your own

Umbrella storage

A spot of rain will never dampen your spirits again thanks to the umbrella located in the front door.

Fuel door

With fuel-fill protection, you'll never load up with the wrong fuel again. You'll also find a handy ice scraper on the fuel door for those frosty mornings.

Virtual pedal

On-hand when none of yours are free. Simply use a 'kick motion' underneath the luggage compartment to open the boot.

Door edge protection

Part of Family pack, all side doors can be fitted with plastic strips that eject upon opening and cover the edge of the door. Ideal when you're in a tight parking spot.

Models shown are not UK specification. Some of the equipment shown is optional.

Always looking out for your safety

On the lookout

With a host of camera and radar-based assistance systems making continual assessments, you'll have peace of mind - wherever you're driving.

Pedestrian monitor

Whether it's a child chasing a loose ball or an adult glued to their smartphone screen, if someone unexpectedly crosses your path the Pedestrian Monitor automatically reduces your car's speed to help prevent a collision.

Multi-collision brake

In the unthinkable event you have an accident in your Kodiaq, the Multi-Collision Brake system will automatically slow the car to help protect you from any further collisions.

Images shown may not be UK specification. Some of the equipment shown is optional.

Travel assist

The onboard camera recognises and displays key traffic signs on the digital display or virtual cockpit and navigation system, helping you to be safer behind the wheel. Also features adaptive lane assist, predictive adaptive cruise control and traffic jam assist.

Blind spot detect

An extra set of eyes on the road that monitors the blind spots allowing you to manoeuvre safely.

Full LED matrix headlights

See more of the road ahead with the adaptive front light system, cornering function, all weather lighting system and integrated headlight washers.

Park assist

This function removes the stress of reverse and parallel parking by identifying if the parking spot is big enough before automatically steering into the space for you.

Images displayed may not be UK specification and may contain optional equipment. *The Kodiaq SE Drive and L&K trims are only available from stock. Please check availability with your local Škoda Retailer.

Models shown are not UK specification. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Thanks to the impressive infotainment system and comfort-enhancing features, your passengers will be kept amused and refreshed on even the longest adventure.

Family Pack

Adaptive Cruise Control (ACC)

18" Trinity alloy wheels

Seven seats

Kodiaq SE Drive

Recommended options

Seven seats

An additional third row comprising of two seats.

Adaptive cruise control

Adapt your speed automatically with Adaptive Cruise Control, which uses the radar in the front grille to maintain a constant distance from the vehicle in front at speeds of 15mph or more.

18" Trinity alloy wheels

Including anti-theft wheel bolts.

Family pack

Includes electric child locks, door edge protection, manual roller blinds for rear side windows and bin in door panel.

Wireless charging

Utilise the Kodiaq's wireless charging functionality by simply placing your device face up in the phonebox. The mobile device will automatically connect and start receiving power.

Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Electrically operated boot as standard, with optional virtual pedal

19" Cursa anthracite alloy wheels

Full LED Matrix headlights with AFS (adaptive front light system), cornering function and AWL (all weather lighting system)

Models shown are not UK specification. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Kodiaq SE L Executive

With an impressive amount of standard equipment, the Kodiaq SE L Executive is the perfect blend of practicality and specification.

Standard equipment SE L Executive (over SE Drive)

Wheels

- > 19" Cursa anthracite alloy wheels

Exterior

- > Chrome styling including front grille and window surrounds
- > Chrome roof rails
- > Electrically adjustable, heated and foldable driver-side auto-dimming door mirrors with boarding spots and memory function
- > Full LED Matrix headlights with AFS (adaptive front light system), cornering function and AWL (all weather lighting system)

Interior

- > Linear diamonds decotated inderts
- > Leather upholstery
- > Heated front seats
- > Seven seats
- > Electrically adjustable drivers seat with memory function

Entertainment and communication

- > Drive mode select
- > 10.25" virtual cockpit

Comfort and convenience

- > Electrically operated boot
- > Decorative door sills in the front

Models shown are not UK specification. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Recommended options

Includes electrically adjustable front seats with memory function, cushion depth adjustment, electrically adjustable lumbar support.

Allows natural light to flood in, and looks great both inside and out.

Including anti-theft wheel bolts.

Uses the multi-function camera to recognise and display traffic signs on the virtual cockpit and navigation displays.

Enhance the comfort to your interior with ambient lighting. Includes LED strips in the front and rear doors with a choice of 10 colours, LED footwell lighting and LED reading lights.

Kodiaq SportLine

Sharper, sleeker, sportier

The Kodiaq SportLine delivers refinement and exhilaration in equal part. Exterior features include the gloss black front grille, chrome exhaust pipe and elegant body painted side sills, while the car's sports credentials are further enhanced in the interior through carbon fibre finish detailing and Microsuede sports seating.

Models shown are not UK specification. Excludes drawers under driver and front passenger seats. Information regarding tyre technical specifications can be found by visiting the Skoda car configurator [here](#).

Standard equipment

Black styling

The striking black radiator grille, door mirrors and roof railings give the SportLine's dynamic silhouette an edgier and sportier look.

20" Vega alloy wheels

The 20" Vega anthracite alloy wheels further enhance the sportiness of the SportLine's exterior.

Sport steering wheel

The three-spoke leather sport multifunction steering wheel with silver stitching puts everything you need at your fingertips. DSG models also feature aluminium gearshift paddles.

LED interior light pack

Selecting the Kodiaq's LED ambient lighting is anything but a black and white decision. From the understated to the unapologetically bold, 10 colour options are available.

Microsuede Sports Seats

The black Microsuede sports seats with diamond stitching let you know that you're sitting in something special. The interior is finished with grey stitching on the seats, armrests, door panels and dashboard.

Kodiaq SportLine

Recommended Options

Electrically adjustable front seats with memory function

Make swapping between drivers seamless with the memory function on electrically adjustable front seats.

Dynamic Chassi Control (DCC) including off-road function when in combination with 4x4

Enhance the experience of different driving modes with Dynamic Chassis Control, which adapts the steering and suspension to perfectly match your mood.

Lane assist

The lane assist system will alert you if your Kodiaq strays from a lane unintentionally.

Park Assist

Let your Kodiaq do the parking for you. Park assist will park the car in parallel or bay spaces.

Electrically folding tow bar with adapter

No more manually operating your tow bar - simply press a button in the luggage compartment.

Models shown are not UK specification. Excludes drawers under driver and front passenger seats. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Additional information

Standard equipment

Exterior badging

An elegant reminder of Škoda's founders, the original Laurin & Klement badge appears on both front wings.

19" Sirius anthracite alloy wheels

Unique 19" Sirius alloy wheels in anthracite design allow you to conquer new ground in style.

Panoramic sunroof

Brighten the cabin and experience a more refined driving environment, thanks to a panoramic sunroof.

CANTON sound system

Whether indulging in a spot of in-car karaoke or catching up on the news, the CANTON Sound System delivers 575 watts of powerful clarity from ten speakers around the car.

Leather ventilated seats with Laurin & Klement logo

Another mark of exclusivity is featured on the beige leather seats, which feature an elegantly embroidered Laurin & Klement logo. The seats are also available in black leather.

Kodiaq Laurin & Klement

Recommended Options

20" Merope antracite alloy wheels

Elevate the stance of your Kodiaq even further with 20" Merope anthracite alloy wheels.

Winter pack - heated front and rear seats

Let your rear passengers travel in even greater levels of comfort with heated rear seats. Also includes tri-zone climate control.

Travel assist

Have another set of eyes on the road, allowing you to travel with ease. Includes traffic sign recognition, adaptive lane assist, predictive adaptive cruise control and traffic jam assist. DSG engines also have emergency assist.

Virtual Pedal

Open the boot even when your hands are full, with a simple 'kick' motion.

Trailer assist

Select the desired reversing angle and simply accelerate gently - the car will automatically steer the trailer in the chosen direction.

The Kodiaq L&K trim is only available from stock. Please check availability with your local Škoda Retailer. Models shown are not UK specification. Some of the equipment shown is optional. Excludes drawers under driver and front passenger seats. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Family life, turbocharged

Family life brings new responsibilities, Kodiahq vRS allows you to fulfil them with no limits. Transform every chore into a dynamic experience with 4x4 drive, 20" alloy wheels and Dynamic Chassis Control, to name just a few of the features on offer.

Models shown are not UK specification. Some of the equipment shown is optional. Excludes drawers under driver and front passenger seats. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Standard equipment

3-spoke leather sports multi-function steering wheel with vRS logo and paddles for DSG

20" Sagittarius anthracite alloy wheels with aero covers

Dynamic chassis control
Once selected, the vehicle will continuously evaluate the driving situation, adapting the damping and steering characteristics.

vRS exterior design
vRS front and rear bumpers with vRS badging (gloss black on tailgate and chrome on radiator grille), and chrome exhaust tailpipes.

Microsuede vRS sports upholstery with red stitching and vRS logo on front seats
The interior reflects the exceptional sporty charisma of the car while keeping you in maximum comfort. Finished in red stitching on the seats, armrests, dashboard and door panels.

Kodiaq vRS

Recommended Options

Panoramic sunroof
Open up the cabin as you unleash the power.

Pricing valid as of 4th April 2023.

* The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1st April 2023. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1st April 2023.

** The Kodiaq SE Drive and L&K trims are only available from stock. Please check availability with your local Škoda Retailer.

From 6 April 2020, the official CO₂ emissions values used to calculate benefit in kind (BIK) charges for fleet channels will change for passenger car registrations in the UK. This is due to a change in the method of testing. The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020.

VED (Vehicle Excise Duty) from 1st april 2023

VED Band	CO ₂ (g/km)	Petrol car/diesel car* (tax class 48 and 49) 12 months	Diesel car** (tax class 49) 12 months	Alternative fuel car (tax class 59) 12 months
A	0	£0	£0	£0
B	1-50	£10	£30	£0
C	51-75	£30	£130	£0
D	76-90	£130	£165	£120
E	91-100	£165	£185	£155
F	101-110	£185	£210	£170
G	111-130	£210	£255	£200
H	131-150	£255	£645	£245
I	151-170	£645	£1,040	£635
J	171-190	£1,040	£1,565	£1,030
K	191-225	£1,565	£2,200	£1,555
L	226-255	£2,220	£2,605	£2,210
M	over 255	£2,605	£2,605	£2,595

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current Škoda UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards
** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards.

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £390 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

BiK calculation example

Based on Kodiaq SE L Executive 1.5 TSI 150PS DSG ACT		
P11D value		£38,730.00
Company car BiK tax based on CO ₂ emission level		37%
Taxable BiK (for 2023/2024 tax year):	37% of £38,730.00	£14,330.10
Annual company car tax (2023/24)		
20% income tax	20% of £14,330.10	£2,866.02
40% income tax	40% of £14,330.10	£5,732.04
Monthly company car tax (2023/24)		
20% income tax	£2,866.02 divided by 12 months	£238.84
40% income tax	£5,732.04 divided by 12 months	£477.67

Company car tax is based on the vehicle's carbon dioxide (CO₂) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2023/2024.

Dimensions (5-seat)

Dimensions (7-seat)

* The Kodiaq SE Drive and L&K trims are only available from stock. Please check availability with your local Škoda Retailer.

Additional information

Škoda Financial Services

Škoda Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car’s value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new Škoda on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

Škoda Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your Škoda Retailer for your personalised quotation today.

T&Cs apply, Škoda Financial Services.

Škoda Car Insurance

Complimentary Škoda Drive Away Insurance

Every new and Approved Used Škoda comes with five days’ complimentary insurance cover, getting you on the road quickly and easily so you can enjoy the things that matter. Škoda Drive Away Insurance is designed specifically for your Škoda and guarantees that your car will be repaired in a Škoda Approved Repairer. Speak to your Škoda Retailer for more details.

Subject to eligibility.

We will also provide you with an annual quote, with no additional questions asked, so you can continue to enjoy all the benefits Škoda Car Insurance offers.

Read on for more details.

Škoda Car Insurance

Škoda Car Insurance offers quality service and support when you need it most, with a policy tailored specifically for your Škoda. Just as you’d expect from Škoda, our annual car insurance provides comprehensive cover, with lots of benefits included at no extra cost.

Insure your car with Škoda and relax knowing we only use Škoda trained technicians, who know your car inside out, and Škoda genuine parts*, giving you the peace of mind that your Škoda will be repaired to the same high standards as before and to original manufacturer specifications.

*Excludes windscreen claims.

There's a lot to like about being a Škoda driver.

Get a quote or find out more at [insurewithskoda.co.uk/car-insurance](https://www.insurewithskoda.co.uk/car-insurance)

Alternatively, call us on **0345 246 9091**. Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday.

Škoda Car Insurance is underwritten by U K Insurance Limited. Calls may be recorded.

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited (“VWFS UK”), registered in England and Wales No.2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Until 31st October 2022 Volkswagen Insurance Service (Great Britain) Ltd operates as an appointed representative of VWFS UK, after this date all references to Volkswagen Insurance Service (Great Britain) Ltd should instead be read as VWFS UK. VWFS UK is authorised and regulated by the Financial Conduct Authority. VWFS UK and U K Insurance Limited are not part of the same corporate group.

Škoda Gap Insurance

What is Škoda Gap Insurance?

If your Škoda is written off, your motor insurer will usually pay out based on the current market value of your vehicle. This could be a lot less than its original value and therefore may leave you with an unexpected shortfall.

Our Gap Insurance helps to cover the gap left by this shortfall to get you back in a new Škoda or help pay off any outstanding finance, lease or hire agreement.

There are two options for you to choose from:

Škoda Gap Insurance

This pays the difference between the write off settlement from your motor insurer and the price you paid for your Škoda or the outstanding balance payable to the finance company, whichever is the greater amount.

If your vehicle is leased or hired, Škoda Gap Insurance will cover the difference between the write off settlement from your motor insurer and the early termination charge. This includes any rentals paid in advance as a deposit up to £2,000.

Cover lasts for 36 months and the maximum claim limit is based on your vehicle purchase price.

Škoda Gap Insurance Plus

In addition to all the benefits of Škoda Gap Insurance, the Škoda Gap Insurance Plus policy includes a 12-month fixed benefit. This will start once your 36-month Gap Insurance cover ends.

If your vehicle is written off during the additional 12-month fixed benefit period of insurance, Škoda Gap Insurance will pay a fixed sum of £2,500.

Why choose us?

Škoda Gap Insurance gives you the financial protection your Škoda deserves. So you can relax knowing that if you need to make a claim, we could help you get back into a replacement Škoda.

To discover the additional benefits and full terms and conditions, please refer to the Cover Booklet.

For more information about Škoda Gap Insurance, please speak to your nearest participating Škoda Retailer or go online www.insurewithskoda.co.uk/gap-insurance

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited (“VWFS UK”). Registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR.

Škoda Gap Insurance is administered by Car Care Plan Limited and underwritten by Motors Insurance Company Limited. VWFS UK is not part of the same corporate group as Motors Insurance Company Limited and Car Care Plan Limited.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your Škoda in prime condition. Plus, the price is fixed so you won’t be caught out by any unbudgeted costs.

All our service plans use genuine Škoda approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first 2 services for a fixed payment, protecting you from inflation. You can choose to pay upfront or monthly across 24 monthly payments. The service plan includes a maximum of one oil service and one oil and inspection service with pollen filter change. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your Škoda Retailer to create a more tailored service plan.

Exclusions, terms and conditions apply. Servicing must be carried out in line with the requirement of the service schedule. All work must be carried out at a Škoda Authorised Repairer. Additional work, including wear and tear, is excluded. Freepost Škoda Financial Services.

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

Service intervals

When you order your Kodiaq, you can choose whether your car is on a fixed or a flexible service regime. Your Škoda retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.
