THE DACIA SPIRIT: PURE AND SIMPLE

DISCOVER

**BIGGER,
COOLER,
JOGGER**

THE FAMILY CAR REINVENTED

Featuring the length of an estate, the spaciousness of an MPV and the robust style of an SUV, Dacia Jogger surprises by combining the best of these categories in a 7-seater family car. Versatile, elegant and affordable, Jogger fully embodies the Dacia spirit.

DESIGNED FOR ADVENTURE

Elevated ground clearance, wheel arch protection mouldings, and modular roof bars - Dacia Jogger boasts a robust design that adapts to all roads, designed for an action-packed family life.

Experience the adventure to the fullest with the EXTREME trim level, with an even more pronounced outdoor spirit: Copper mirrors, distinctive black alloy wheels with copper centre cap detailing, and a shark fin antenna coated in Glossy Black. A unique style signed by distinctive elements with topographic pattern to enhance Jogger's spirit of adventure.

In keeping with the times, the new model's Y-shaped brand light confirms its kinship with the new Dacia generation. The LED dipped headlights provide more intense lighting at night. At the rear, the vertical positioning of the lights broadens the tailgate opening, optimizing boot access.

MUCH MORE THAN FUNCTIONAL

Dacia Jogger's interior design is as functional as it is attractive. A textile strip running across the dashboard* provides a clean, uncluttered look. The lower area provides easy access to the air conditioning and driver assistance system controls. The rear boasts impressive versatility with room for the whole family.

For a 100% elegant and dynamic style, opt for the new Extreme trim level. Featuring washable MicroCloud fabric with copper-topstitching. The Extreme also features copper door mirrors, side decals and rubber floor mats featuring a topographical design.

To extend the experience, go off the beaten track thanks to the Extreme's Extended Grip Function which improves driveability.

TAKE ADVANTAGE OF JOGGER IN HYBRID VERSION

Once again, Dacia is in tune with the times and simplifies your daily life with Jogger available with a hybrid powertrain. A first for Dacia. The result? A family hybrid with 7 seats at an affordable price.

On board, the atmosphere and technologies make your journey effortless: automatic gearbox for easy and smooth driving, 7" colour driver display, high central console with armrest and electric parking brake. With Jogger HYBRID 140, enjoy innovative equipment and optimized comfort.

Multimode gearbox

7" Colour cluster with driving mode information

IN HYBRID, DISCOVER MORE FREEDOM

Forget about the connections while enjoying the benefits of electric thanks to the hybrid that recharges while driving. The technology of Dacia Jogger HYBRID 140 combines the dynamism of a petrol engine with that of an electric motor. Drive in urban areas in electric mode up to 80% of the time and achieve up to 40% fuel savings*.

In addition to reduced CO₂ emissions, you will also benefit from lower usage and maintenance costs. The multimode gearbox offers intelligent management of the two engines for powerful, smooth and quieter driving. Hybrid is simple with Dacia.

* Depending on driving conditions.

1. 100% electric driving: only the electric motor drives the wheels.
2. Sustained driving / strong acceleration: the thermal and electric motors operate simultaneously.
3. Deceleration / braking: the electric motor recharges the battery.
4. Stabilized speed: the thermal engine operates at its optimal speed to drive the wheels and recharge the battery.

ENJOY ENHANCED TRAVEL

More space and more versatility thanks to a unique approach to spaciousness, with 23 liters of storage areas for everyday use and multiple configurations to meet all your needs. Three multimedia equipment packages and latest-generation driver assistance system.

COMFORT MULTIPLIED BY 7

Dacia Jogger embraces the whole family: it takes everyone's needs into account, offering the same level of comfort in all rows. The sculpted seats – adjustable at the front – promise fatigue-free travel for all seven occupants. Dacia Jogger also stands apart through well thought-out details and spaciousness.

In the second row, everything is designed to evolve with your family: sliding aeroplane shelves* with cup holders and ultra-practical Isofix attachments for child seats. The third row offers easy accessibility, with two individual seats with armrests providing uncompromising accommodation for two adults with generous legroom. Storage spaces are distributed throughout the passenger compartment for the benefit of all passengers. Dacia Jogger adds a new dimension to your on-board experience.

* Depending on version.

Rear sliding and folding aeroplane shelves

RECORD MODULARITY

Dacia Jogger is a versatile car that offers unique volume and versatility. The third-row rear seats are removable, the 3-seater bench is foldable 1/3-2/3 in the second row, and multiple configurations are possible offering 2, 3, 4, 5, 6 or 7 seats according to your needs. A true Swiss Army knife!

When it comes to luggage space, enjoy a volume of up to 2,085 liters* and a loading height that can accommodate everything you take with you. And in its hybrid version, there is no compromise on space, thanks to the clever placement of the battery under the floor.

Trust Jogger to simplify your adventures.

As spacious and with same options of modularity as the other versions

ESCAPE INTO THE NIGHT

Get closer to nature with the Sleep pack, which is part of our Dacia InNature offer. Consisting of a 3-in-1 box, this pack includes a fold-out bed that is easy to install. In less than two minutes, turn your Dacia Jogger into a bedroom for two.

Get a good night's sleep on a 190x130cm mattress. Blackout blinds provide privacy as well as darkness. Whether the bed is folded out or not, the 220-litre storage compartment remains unaffected. Having a picnic is easy thanks to the removable rear shelf. Do you need a more spacious base camp? An external tent can be connected to Jogger when the trunk is open. Discover a new form of adventure. The Sleep pack is compatible with all versions of Jogger.

SELECT YOUR MULTIMEDIA PREFERENCES

Dacia Jogger has three comprehensive multimedia offers, so it's up to you to choose what you want: the clever new Media Control, controlled from your smartphone and integrated into the design of the dashboard, allows you to control the radio, music, Bluetooth® connection, USB and telephony. Media Display adds voice recognition to its 8" touchscreen. Media Nav supplements its features with built-in navigation.

The system of your choice provides the essentials and more, right up to AndroidAuto™ and Apple CarPlay™ compatibility. The latter is available wired on Media Display and with Wi-Fi on Media Nav. You can also enjoy enhanced sound with six speakers located throughout the cabin, available on Media Nav.

Android Auto™ is a Google Inc. brand.
Apple CarPlay™ is an Apple Inc. brand.

DRIVE IN COMPLETE SAFETY

At Dacia, safety has always been at the heart of our concerns. Built on the latest platform designed for our vehicles, Dacia Jogger has a reinforced body structure and new-generation assistance systems that make driving easier. Some features can be deactivated using the “My Safety” button. Drive with complete peace of mind.

AUTOMATIC EMERGENCY BRAKING WITH PEDESTRIAN/CYCLIST DETECTION

This system prevents the risk of frontal collisions involving other vehicles, pedestrians or cyclists straight ahead and at junctions. It alerts the driver and can automatically brake the vehicle if necessary.

LANE KEEPING ASSIST

This assistance system (which can be disabled) monitors the vehicle's path in its lane and corrects it if necessary by automatically steering it.

DRIVER FATIGUE DETECTION SYSTEM

This helps warn the driver if fatigue is detected by analysing several parameters – including movements of the steering wheel – to encourage them to take a break.

TRAFFIC SIGN RECOGNITION WITH SPEED ALERT

This system provides a reliable real-time indication of the maximum speed on the road and warns the driver if they exceed the speed limit with visual and audible alerts (which can be disabled).

ENJOY THE RIDE WITH
DACIA ZEN

DACIA ZEN ENABLES OWNERS TO ENJOY UP TO SEVEN YEARS OF WARRANTY

- Brand new Dacia Zen warranty offers Dacia owners up to seven years of cover
- It's applicable to all Dacia models under six years old which have covered less than 75,000 miles
- Warranty is complimentary with every service completed at an official Dacia retailer
- Dacia Zen is available to owners of qualifying vehicles even if their Dacia has been previously serviced outside of the official Dacia retail network

WHO BETTER TO LOOK AFTER YOUR DACIA, THAN DACIA?

Are you the proud owner of a new or used Dacia? If your vehicle is less than 6 years old and has covered less than 75,000 miles you can get up to 7 years warranty with Dacia*

It's simple. Get your Dacia serviced by one of our expert retailers after your standard 3-year warranty expires and enjoy a Dacia ZEN warranty for a year or 18,000 miles (whichever comes sooner).

Enjoy the ride with Dacia ZEN.

Your Dacia is less than 6-years old and has done less than 75,000 miles

Have your next manufacturer service carried out in our retailer network

Get an additional 1-year of warranty*

*Warranty activated following service at participating Dacia Dealers. Valid for 1 year or 18,000 miles (whichever comes first). Vehicles over 6 years old or 75,000 miles not eligible. Full T&Cs apply.

BOOK A SERVICE

WE'VE GOT YOU COVERED

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Dacia range is one tough cookie. To prove it, you get a 3-year* warranty (or 60,000 miles, if you reach that first). This means we will replace any part which has been deemed by a Dacia approved dealer to be defective due to a manufacturing fault, free of charge. To keep the good times rolling, you can extend your warranty up to 7 years for a great price. We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Dacia will stay looking good-as-new for years to come.

ROADSIDE ASSISTANCE

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in the UK or Northern Ireland. This offer also stands for the first 3 years/60,000 milesΔ after you buy your new Dacia.

DACIA CAR INSURANCE 1

Dacia Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, your Dacia will be repaired at a Dacia Approved Bodyshop using only Dacia approved parts and approved repair methods. This maintains your Dacia's safety rating, protects its resale value and helps to maintain its Dacia warranty^.

Dacia Insurance also offers a courtesy car for the duration of a repair at a Dacia Approved Bodyshop.

Dacia car insurance: 0330 102 7795 www.daciacarinsurance.co.uk
Lines are open Mon - Thurs 8.30am - 7pm, Fri 9am - 6pm, Sat 9am - 5pm

^ The Service plan offer is available for eligible retail vehicles only and valid at participating dealers only. Vehicles must be ordered between 2 July to 30 September and registered by 31 December 2024. The Dacia Service plan covers the manufacturer's minimum maintenance programme requirements for the term of the Service plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/- 1 month or 1,000 miles of the service interval and can only be carried out at a Dacia Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. For Service plan full Terms & Conditions visit www.dacia.co.uk/services-and-finance/service-plan. Cannot be part exchanged, refunded or transferred.

◊ The service schedule and intervals are specific to the version and derivative of vehicle. Check with your Dacia retailer to confirm the service schedule / intervals as the above is an indicative guideline.
