

# The Kia Soul EV

Take the lead. Drive electric.

Movement that inspires

Celebrate the  
extraordinary.

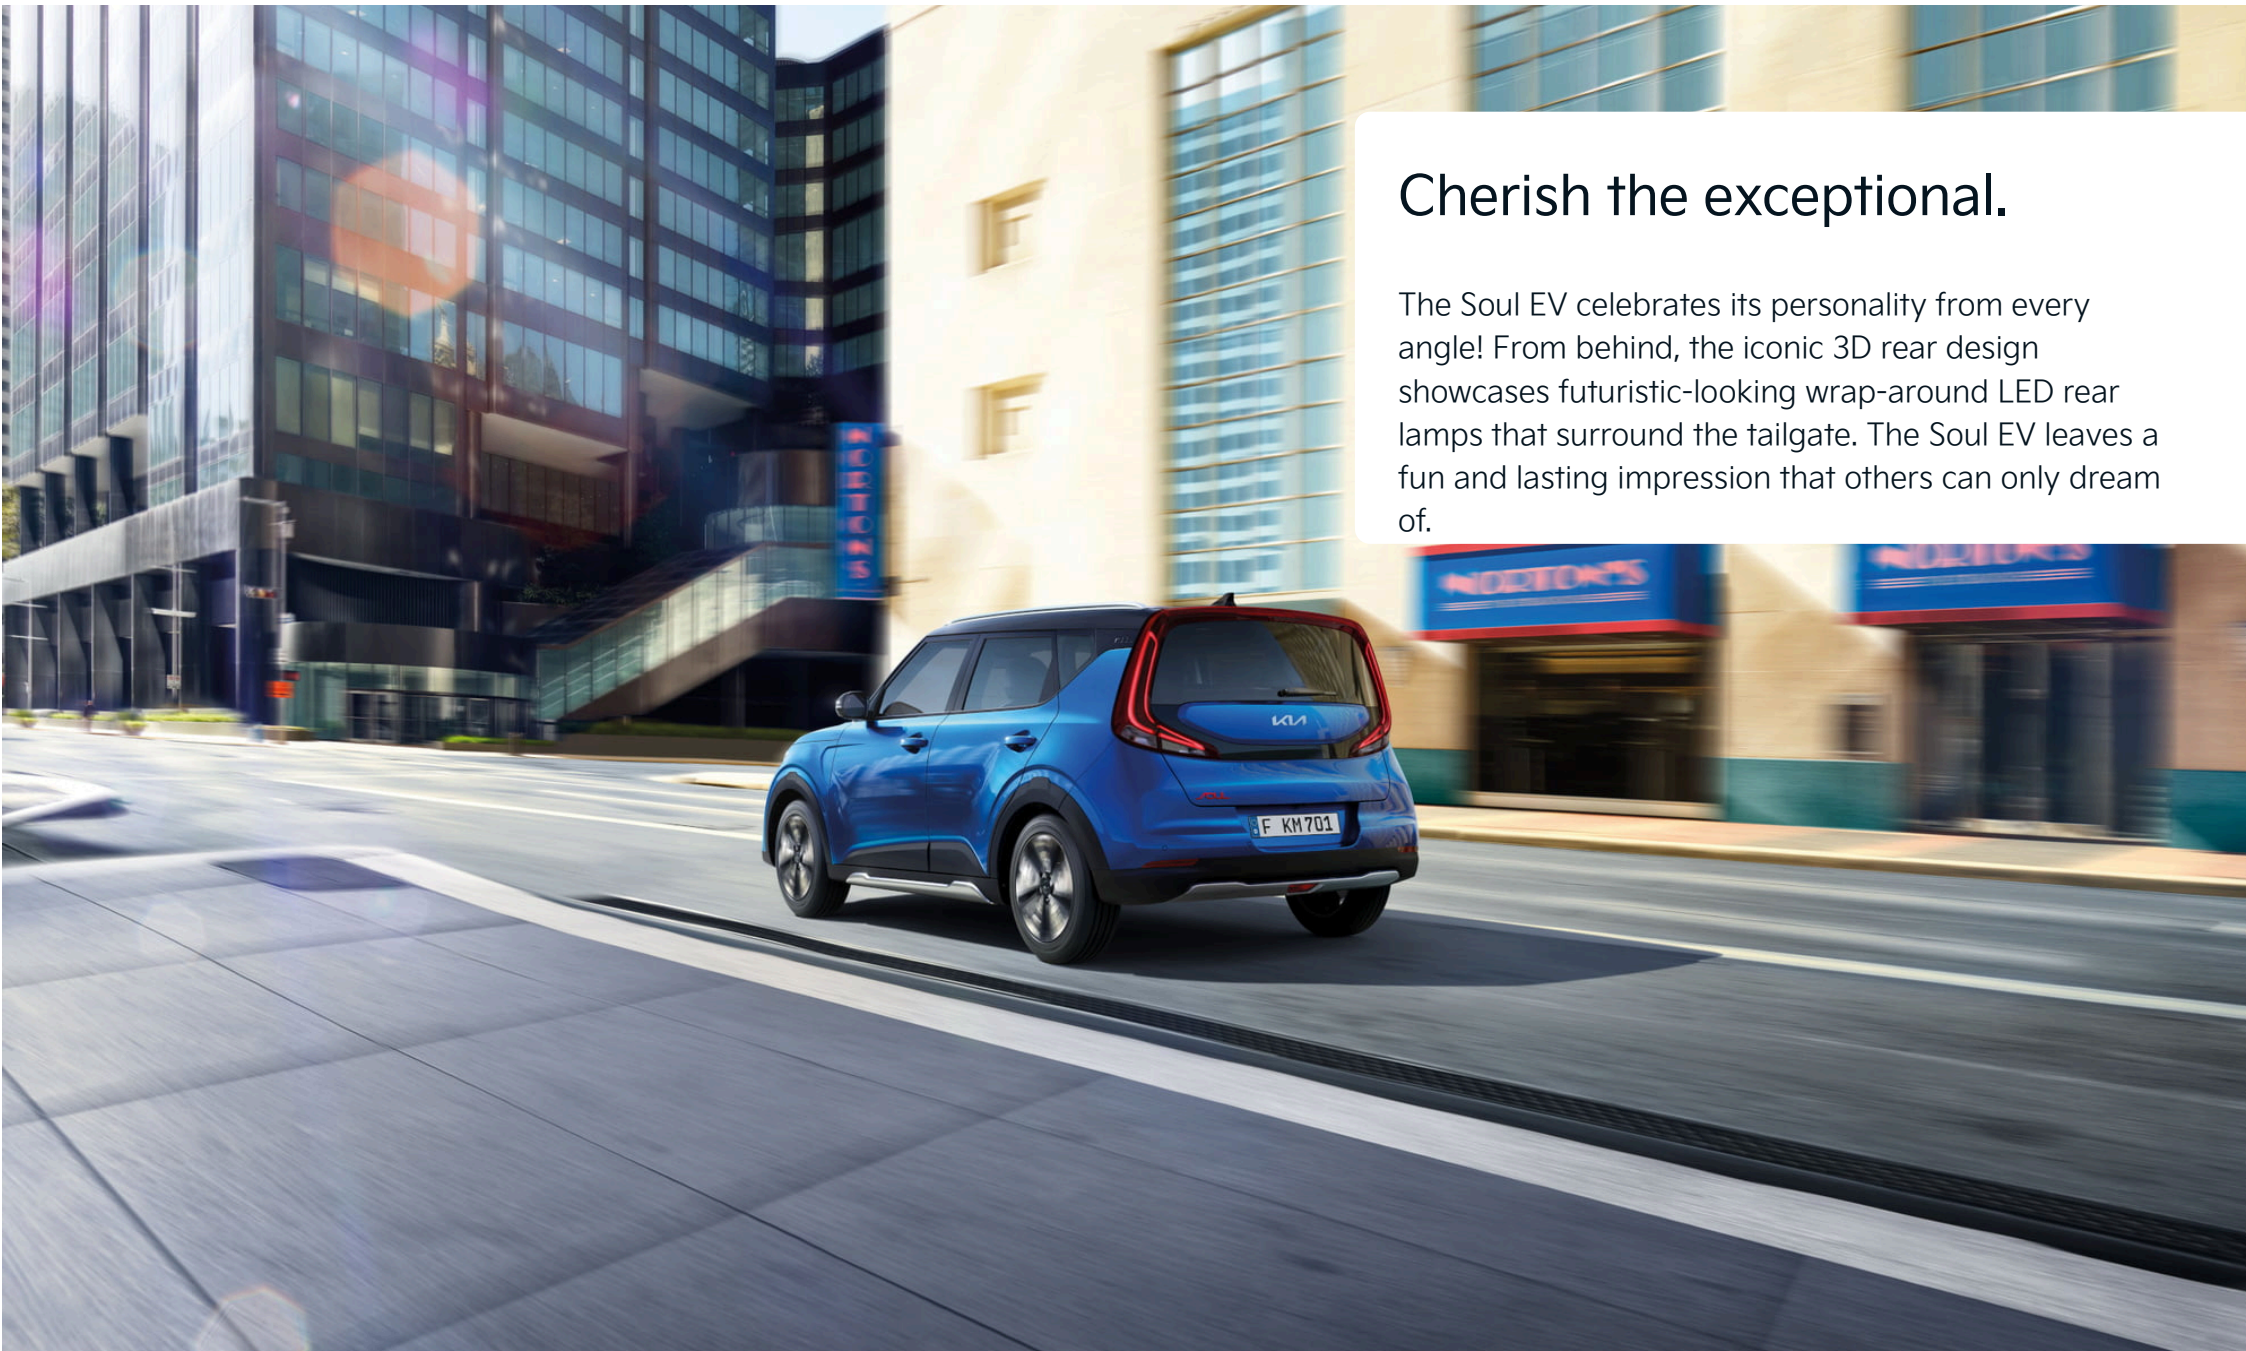

## Relish the engaging.

Fresh, funky and playful, the future is full of possibilities in the Soul EV all-electric crossover. With its eccentric design featuring a front plug-in charge socket; stunning interior; plus an advanced EV powertrain that delivers a range of up to 280\* miles on one full charge, this is an electric car with its own truly unique character, just like the people who drive it.

\*280 miles in WLTP cycle.

## Cherish the exceptional.

The Soul EV celebrates its personality from every angle! From behind, the iconic 3D rear design showcases futuristic-looking wrap-around LED rear lamps that surround the tailgate. The Soul EV leaves a fun and lasting impression that others can only dream of.

# Interior.

Experience technology.

Inside the Soul EV the fun continues with its high-quality, spacious interior, cleverly designed seating, stylish fascia and inspiring innovations in technology, sound and lighting. Relax and enjoy the beat of the premium Harman Kardon sound system.

**Navigation System.** The high-definition 10.25" Touchscreen Satellite Navigation system delivers precise turn-by-turn guidance and reliable journey planning powered by live traffic information. It benefits from Kia Connect connected services free of charge for seven years including charging station information, weather forecasts and access to connected destination and points of interest search. What's more, the system supports multiple Bluetooth connections, with up to two mobile phones being able to connect simultaneously (grade dependent).

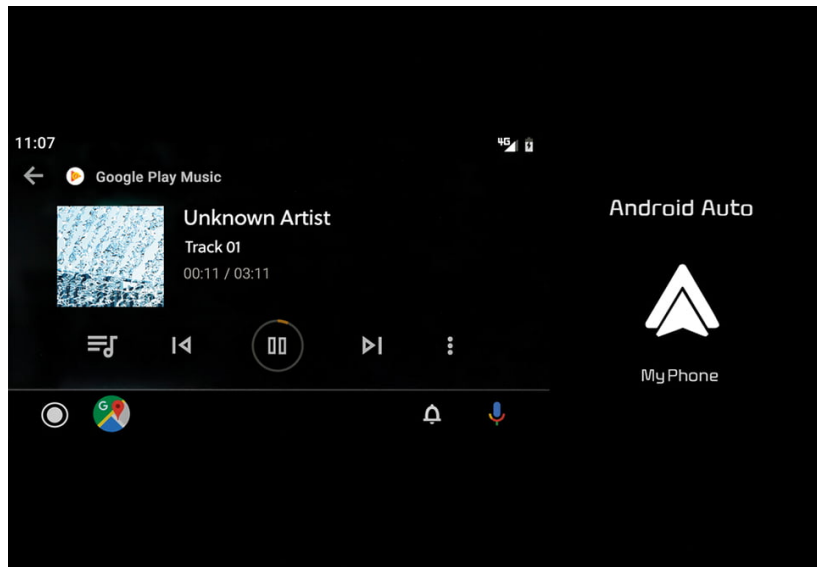

**Supervision Cluster.** The highly legible instrument cluster features a 7-inch OLED Colour Display Cluster shows your vehicle status including you remaining range and allows you to configure vehicle settings.

## Savour the exciting.

The Soul EV is proof that an electric car can combine character and excitement with the latest technology as well as all the advantages of a crossover to make all types of greener driving truly inviting.

**10.25" Touchscreen Navigation.** The highly legible instrument cluster features a 7-inch OLED Colour Display Cluster shows your vehicle status including you remaining range and allows you to configure vehicle settings.

**Drive Mode Selection.** The Soul EV adapts to your favourite driving style. Choose from 'Normal' mode, offering the full driving experience optimised for a typical driver, or 'Eco' or 'Eco+' mode to maximise range. Meanwhile, the 'Sport' mode, with its increased steering and motor response, puts the emphasis on dynamic driving.

**Heated Front Seats.** Both the driver and front passenger seats are heated keeping you cosy on those cold winter days (Explore grade only).

# Safety.

Less to worry about. More time to enjoy.

CAFFÈ LA MARINERA

**Forward Collision-Avoidance Assist.** This system monitors other vehicles, cyclists and pedestrians ahead, and warns you of any potential collision risk. If the risk of collision persists, the system may interact with the Soul EV's steering and braking.

**Blind-Spot Collision Warning.** The Blind-Spot Collision Warning system has radar sensors that monitor your blind spots and vehicles attempting to overtake. Your door mirror displays a symbol if a vehicle is detected. The system also sounds an audible alert if you indicate while a vehicle is present (Explore grade only).

**Build your Soul EV**

**Adaptive Smart Cruise Control Function (SCC).** Using a camera and radar sensor at the front, this functionality regulates your speed based on a set speed and the desired distance to the vehicle ahead. If the vehicle ahead picks up the pace, the Soul EV accelerates up to the set speed. If the vehicle in front slows down and the predetermined safe distance cannot be maintained, the system reduces the speed, or even stops the car. A helpful feature on the motorway and in stop-and-go traffic.

**Lane-Keeping Assist System (LKAS).** These systems help prevent risks associated with sleepiness at the wheel. Lane Keeping Assist System warns you and steers you back in your lane if you are drifting out of it. Driver Attention Warning continuously assesses your driving and asks you to take a break when it senses your level of attention is flagging.

**Lane Follow Assist (LFA).** Very useful for motorway driving, Lane Follow Assist monitors road markings to keep your car in the centre of your lane.

[View Soul EV Offers](#)

**Highway Driving Assist (HDA).** Highway Driving Assist is designed for effortless driving on motorways. It automatically maintains the Soul EV distance to another vehicle in front as well as keeping it centred in its current lane on the highway. At the same time, it controls steering, acceleration and deceleration whilst you are in-lane. Under certain conditions, the

**Safe Exit Warning (SEW).** SEW is a Driving Safety function that provides a warning when a vehicle is approaching from the rear-side while someone is getting out of the vehicle. It automatically warns you of the risk of a collision with vehicles in the blind-spot when it detects a potentially dangerous situation (grade dependent).

**Build your Soul EV**

# Specifications.

The Soul EV puts the charge back into driving electric by making it fun, stylish and good for the environment all at the same time. From the moment you press the start button you can look forward to a responsive electric engine boasting an acceleration from 0 to 62 miles/h in 7.6 seconds. And it's going the distance: With a combined WLTP range of 171 miles (Urban grade) and 0% to 80% charging in as little as 54 minutes, this is an electric car with genuine long journey abilities.

**Energy-saving driver-only air conditioning system.** When you are the only person in the car, you can save energy and improve the vehicle's range by asking the climate control system to regulate temperature for the driver only.

**Battery Heating System.** The battery pack situated underneath the Soul EV has the option to include a battery heating system that warms up the battery floor in colder temperatures to ensure a smooth motor start. It also helps reduce loss of battery charge overnight due to cold weather conditions. Simply programme the battery heating system for a specific time using the 10.25" touchscreen before you start your journey (grade dependent).

**Regenerative Braking.** To ensure highly efficient driving and further increase the battery range, the Soul EV offers next generation regenerative braking with two different modes to suit the driving conditions. By selecting 'Single Pedal' driving or holding the left paddle shift lever behind the steering wheel for a minimum of 0.5 seconds, the car can be decelerated to a standstill without activating the brake pedal. Alternatively, releasing the paddle or activating the right paddle shift lever returns the system to regular mode.

Accessories.

## Accessorise in style.

Give your Soul EV an edge with a range of functional and styling accessories. From customisable options to express your style to practical ways to protect your car, there's the perfect accessory for everyone. Please contact your local Kia dealer for more information.

**Carpet mats, velour.** Keep your cabin unblemished for longer. These high-quality velour carpet mats will protect your car's interior from everyday dirt and enhance its look at the same time. Tailor-made to fit the footwells perfectly, they feature the Soul logo in the front row and are held in place with fixation points and anti-slip backing.

**Decals, boomerang.** Emphasise the slick contours of your Soul EV with these top-quality boomerang decals. Designed to withstand the most robust of car washes and available in chili red, sea blue and black metallic.

**LED door projectors, Soul logo.** This luminous detail gives a lasting impression. Bring a special touch to every entrance after dark, by projecting the sharp contours of the Soul logo on the ground every time the front doors are opened. Set of 2 Only for vehicles with auto up/down window function. Please consult your local Kia dealer for more information.

**Boot liner.** However wet, muddy or grimy things get, this custom-made boot liner will protect your boot area. It is durable, anti-slip and waterproof with raised edges to complement the interior of your Soul EV.

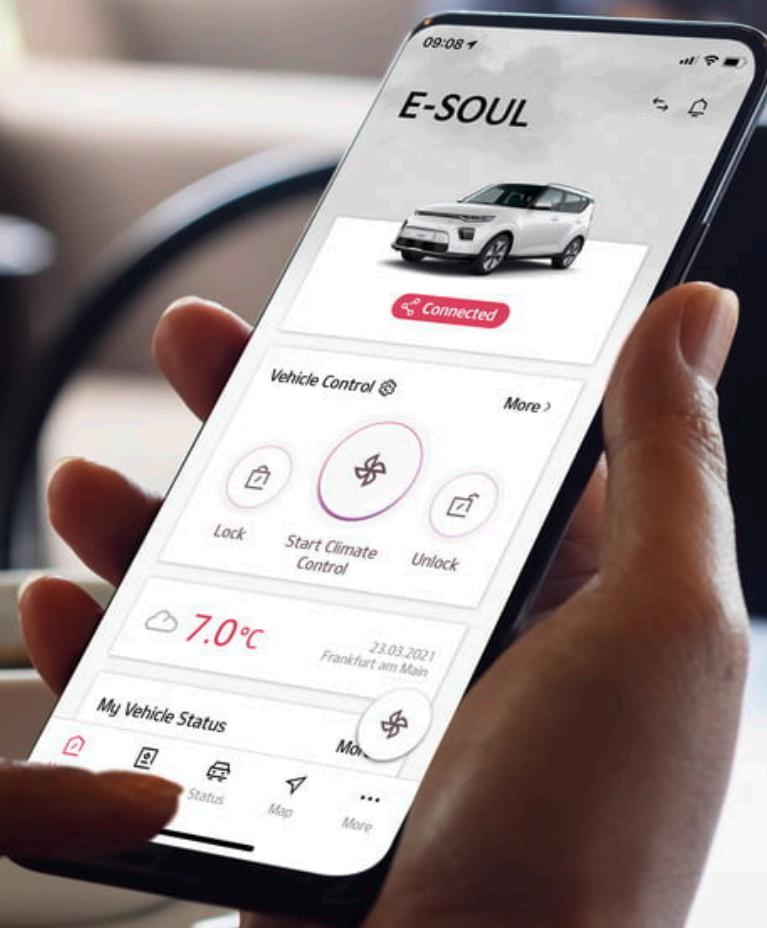

**Rear bumper protection foil, transparent.** Enjoy peace of mind when loading and unloading frequently knowing that the top surface of your rear bumper is reliably protected from possible scrapes and scuffs. Also available in black.

# Kia Connect.

Your free seven-year connected services.

## Kia Connect... Your free seven-year connected services.

Kia Connect opens your Kia to the world of connected services. Once activated, it enables a number of essential digital features in your car. You can also install the Kia Connect app on your smartphone and pair it with your Kia to control certain functions remotely and consult a wealth of information about your car.

### In-car services

---

**Your free seven-year Kia Connect**, once activated, uses your vehicle's embedded SIM card to connect it to the world of live data.

#### **Real-time traffic information**

Your navigation system uses live traffic information to recommend the best route and dynamically predict the most accurate arrival time.

#### **Speed cameras and danger zones**

Be alerted to speed and traffic light cameras, and to areas where accidents are particularly common.

#### **Weather information**

With up to three days' weather forecast available, you can check weather conditions at your destination.

#### **Points of interest**

Are you looking for a place to eat, a local business or the nearest ATM? All this information and more is easily accessible via your Kia's live, connected directory.

#### **Parking**

Kia Connect helps you find available parking locations. It shows on- and off-street parking locations, including prices and likely availability.

#### **Fuel station information**

The system shows you the nearest petrol stations and prices to plan a refuelling stop.

**Charging station information (electric and plug-in hybrid vehicles only)** Your car gives you the location of charging stations, with useful information such as availability and charging speeds available.

Apple CarPlay™ is a smart, safe way to use your iPhone while driving. It takes all the things you might want to do, and puts them into your display, so you can get directions, make a call and listen to music all while staying focused on the road.

Android Auto™ is designed to keep you perfectly connected to your phone while minimizing distractions so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music and voice control, and automatically organizes info into simple cards that appear just when they're needed.

## Mobile application services

---

**Once Kia Connect is activated in your Kia**, it gives you access to a wide range of useful functionalities through the Kia Connect (UVO) mobile phone application (available on Apple<sup>TM</sup> and Android<sup>TM</sup>).

### **Find my car and first/last mile navigation**

You can check the location of your car from your smartphone. Your app can also use augmented reality to guide you to your car. When driving and parking before reaching your exact destination, your app can give you guidance to walk the last bit of the way using augmented reality or Google Maps.

### **Vehicle status**

The Kia Connect app gives you an overview of your Kia's status including fuel/battery level, doors, windows, bonnet or tailgate. It lets you know if any of the vehicle's functions isn't working properly. You can also use the app to consult information about your past trips or to obtain a summary of key stats for your past month's driving.

### **Notifications and remote door control**

You get warned if your vehicle's anti-theft alarm is triggered or if you left your doors unlocked. What's more, you can lock and unlock doors from your phone, wherever you are.

### **User-profile-linked vehicle settings**

Select your preferred vehicle settings from your phone for a tailored experience once you get behind the wheel.

### **Valet mode**

Activate the valet mode in your car and you can track its location and speed on the app. Ideal when you lend your vehicle to an airport's valet parking service.

Kia services are available free of charge for a period of 7 years commencing on the day the vehicle is sold to the first owner of the vehicle and may be subject to change during that period. You need a smartphone with iOS<sup>TM</sup> or Android<sup>TM</sup> operating system and your own data plan to operate the Kia mobile apps. Your Kia needs to be in a location with Vodafone signal to connect to these services.

For new vehicles sold from May 2021, Kia offers, per vehicle, two free-of-charge updates of the maps in the vehicle's navigation system and of the Head Unit software using the so-called "over-the-air" method ("OTA Updates"). Once the two free-of-charge OTA Updates have been consumed, you will be able to get updates of the maps in the vehicle's navigation system and of the Head Unit software only (i) by accessing the following web page <https://update.kia.com/EU/E1/Main> or (ii) at a dealership.

# Kia Charge.

Embrace the change.

## Public charging made easy...

### **Anxious about using multiple apps and accounts for charging across different public networks?**

Worry not, Kia Charge gives you access to the vast majority of UK public charging networks including bp pulse, Pod Point, Source London, Instavolt, Shell New Motion, Osprey, Char-gy, IONITY and more. In addition, it works in 28 other European countries in exactly the same way as it does in the UK so you can travel long distance without any worries\*.

### **The only app you need**

You can start charging using either the app or dedicated card. And you don't have to make any payment on site: Everything is handled as part of a monthly, itemised billing process.

#### **Reliable, up-to-date information**

You have all information at your fingertips. You can apply a range of filters to find the right station, with up-to-the-minute information about availability and pricing.

#### **Transparent pricing with monthly payment**

There are two base tariffs to choose from. 'Easy' is a no-commitment tariff for light users of public charging while 'Plus' is for those who tend to charge away from home more often.

#### **Best value with a range of bolt-on subscriptions including IONITY**

You can add up to two bolt-on subscriptions - for bp pulse and/or IONITY - to benefit from the best value possible when charging within these networks.

For more information, visit [kiacharge.com](https://kiacharge.com) or download the mobile application.

\*Charging outside of the UK is subject to the visited country's Easy tariff, regardless of your UK subscription.

Kia Charge and [KiaCharge.com/gb](https://kiacharge.com/gb) are offered by Digital Charging Solutions.

# Kia Promise.

Our promise to you.

# 7 more reasons to join our Kia family

Now there are even more reasons to buy a stylish, technology packed Kia. Peace of mind comes as standard when you join the Kia family with the Kia Promise - 7 great owner benefits when you buy your Kia and register at MyKia.

There are a lot of things to consider when buying a new car. Compromising on reliability in the long term shouldn't be one of them. That's why Kia have redefined quality and offers a unique, industry-leading 7 year warranty that comes with peace of mind for at least 100,000 miles.

With every new or Approved Used Kia you can get driveway insurance and a £250 Excess Return voucher free of charge. All Kia owners can use our Accident AfterCare service and with Kia Care Service Plans we offer great value fixed price servicing.

Our 24/7 Roadside Assistance package is designed for Kia owners in partnership with the RAC. All new cars have complimentary cover for 12 months from the first date of registration, giving you the highest level of cover provided by the RAC, including onward travel and European cover.

Online service booking offers convenience and flexibility 24/7. Offering quality and value at one of our Dealers nationwide. Kia trained technicians use the latest diagnostic equipment and technology. All of our Genuine Kia parts come with a 2 year warranty. Fully inclusive pricing at the click of a button.

At Kia we care about you as an individual and want to deliver service that fits your needs. When you visit one of our Dealers for a service your vehicle will benefit from a complimentary vehicle health check, a wash and vacuum and alternative transport if needed. We look forward to spending time getting to know you!

Kia Charge gives you access to the majority of public charging infrastructure in the UK and across Europe. It lets you locate stations, plan journeys, charge and pay, all with one solution.

Connectivity with Kia Connect & Over-the-Air Updates. Kia Connect is our range of connected services both in-car and through the Kia Connect mobile app. Over-the-Air Updates keep your infotainment system up to date using your Kia's mobile data connection.

Kia Care.

# Care

---

## S e r v i c e P l a n s

For complete peace-of-mind, Kia can offer you a great value Kia Care fixed-price servicing package for your Niro Hybrid and Plug-In Hybrid, and a bespoke Kia e-Care plan for the fully electric Kia Niro EV. Please speak to your Kia dealer for more information and pricing. Terms and conditions apply. Log onto [www.kia.com/uk](http://www.kia.com/uk) for details.

**5-year paint warranty & 12-year anti-perforation warranty** High-quality body paint ensures long-lasting protection and shine for your New Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

**Financing.** Your local Kia dealer can help you with a financing plan that's best suited to your needs.

**7-year vehicle warranty.** Every Kia benefits from a 7-year/100,000 miles new car warranty

(up to 3 years unlimited; from 4 years 100,000 miles). This bumper-to-bumper warranty is free and transferable to subsequent owners, provided the car is regularly maintained in accordance with the servicing schedule. (Terms and exclusions apply).

**Kia 7-year EV/HEV/PHEV Battery Warranty.** When you switch to a Kia Electric (EV), Hybrid Electric (HEV) or Plug-In Hybrid (PHEV), it's good to know that our batteries are built to have a long life\*. That's why at Kia we are happy to cover you for

7-year or 100,000 miles whichever comes first. Even for our low voltage (48 V and 12 V) batteries in Kia Mild-Hybrid electric vehicles (MHEVs), our Kia warranty covers you for a period of 2 years from initial registration regardless of mileage. All of which means you can simply enjoy the experience of driving our ecofriendly range, every day for years to come. \* Kia high voltage lithium ion battery-units in electric vehicles (EV), hybrid electric vehicles (HEV) and plug-in hybrid electric vehicles (PHEV)

are built to have a long life. These batteries are covered by the Kia warranty for a period of 7 years from initial registration or 100,000 miles, whichever comes first. For EVs and PHEVs Kia guarantees a minimum 70% capacity of the battery. Capacity reduction of the battery in HEV and MHEV is not covered by the warranty. To minimise capacity reduction, follow the instructions consult the Owner's Manual. Find more information about Kia warranty at [www.kia.com/uk](http://www.kia.com/uk)
