Hybrid

Model shown is the Honda Jazz 1.5 i-MMD Crosstar Advance in Fjord Mist Pearl.

A self-charging full hybrid experience

Our next-generation Honda hybrid technology is designed for a dynamic driving experience that combines a 1.5 litre petrol engine with two electric motors and a lithium-ion battery. The intelligent **e:HEV self-charging full hybrid powertrain** automatically selects from three drive modes: Electric, Hybrid or Engine Drive.

Electric Drive delivers instant acceleration from standing, almost silent cruising and 100% electric drive.

Hybrid Drive combines the petrol engine and two electric motors for a highly efficient full hybrid performance.

Engine Drive uses the petrol engine to maintain higher speeds – and charges the battery while doing so.

A full hybrid performance

The Jazz's responsive, self-charging full hybrid engine is fun to drive and fit for life, supplying an immense 253Nm of torque to get you going, coupled with a lively 122PS electric motor.

It delivers a combined fuel economy of 4.5L/100km and can drive solely on electric power alone when the battery is charged, helping you use less fuel while enjoying instant power, quick response and a smooth, effortless drive every time.

The Jazz Crosstar Advance

While it shares the renowned Jazz name, the Crosstar is a model in its own right. Developed specifically for those with active, outdoor lifestyles. A raised ride height makes for easier access and a commanding view of the road ahead, while its **muscular style** and distinctive grille design gives the Crosstar serious road presence.

Striking silver finishes and sleek, integrated roof rails on the exterior meet intelligently designed upholstery and refined finishes inside. Setting it apart in both looks and practicality – blending tough design with everyday comfort.

Safety comes as standard

We want you and your passengers to enjoy every journey in comfort, safe in the knowledge you're prepared for whatever comes your way.

Wherever you're going, driving a Honda is driving with a sense of security.

Honda SENSING technology reads road signs and driving conditions before you do, pre-empting any potential hazards with features like Blind Spot Information*, Cross Traffic Monitor*, Collision Mitigation Braking System and Intelligent Speed Limiter.

* Available on selected grades.

Model shown is the Jazz Crosstar 1.5 i-MMD Advance in Fjord Mist Pearl.

Honda SENSING innovation

Collision Mitigation Braking System

If there is possibility of a collision with a vehicle or a pedestrian, the system will alert you whilst simultaneously reducing your speed, helping to minimise the severity of any impact.

Lane Departure Warning

If the car moves out of its lane without the indicator being activated, then alerts will flash and sound to help bring your attention to correcting the lane drift.

Traffic Sign Recognition System

Helpful reminders of road-sign information, such as the current speed limit.

Lane Keeping Assist System

Ensuring you stay in the middle of your lane, providing a less stressful driving experience by reducing the need for steering correction movements and driving effort on the motorway.

**Adaptive Cruise Control
with Low Speed Following**

Decelerates and stops automatically, as well as maintaining a constant speed and a set following interval behind the vehicle in front.

Auto High-Beam Headlights

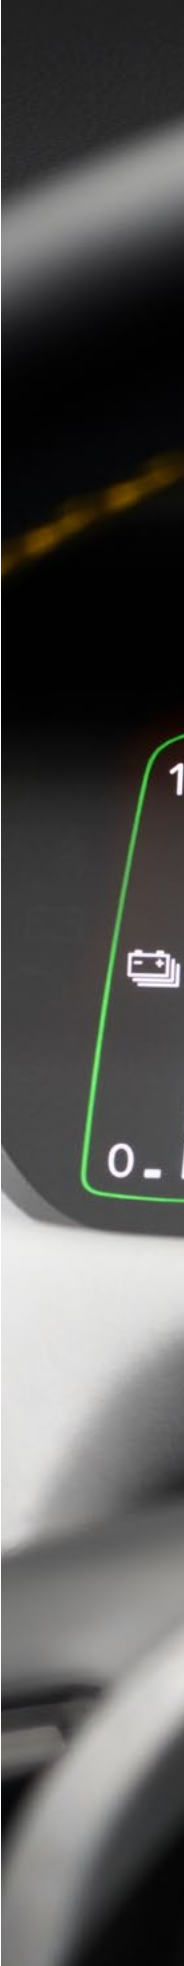

Detects vehicles in front, including oncoming vehicles and automatically switches between high beam and low beam.

Blind Spot Information*

Makes lane changes and overtaking safer, warning you when vehicles are detected in your blind spot by illuminating a light in your door mirror.

Cross Traffic Monitor*

When reversing, the Cross Traffic Monitor can detect approaching vehicles from either side and warns of imminent danger.

Our Packs

Honda **genuine accessories** have been designed and built to the same exacting standards as every Honda. All you need to do is choose the options that are right for you.

Sports Pack

The Sports Pack adds a striking dash of colour to your Jazz, with exterior and interior Active Yellow touches that will get you noticed in this ultimate sporty small car. This pack is a combination of a front bumper inlay, side body trims with accent colour inserts, a tailgate spoiler decoration, cup holder decorations and a set of matching Elegance floor mats.

SIDE BODY TRIMS

Avoid scratches and dents in your car's bodywork with these side body trims. Made out of soft, impact-resistant material the side body trims feature striking Active Yellow inserts and provide all-round protection for your car.

TAILGATE SPOILER DECORATION

If a distinguished sporty look is what you want, this Honda genuine spoiler decoration is exactly what you need. The tailgate spoiler decoration is specifically developed to complement the standard tailgate spoiler and emphasise the sporty appearance of your Jazz Advance Sport grade.

FRONT BUMPER INLAY SPORTS

The front bumper inlay adds a sporty and dynamic touch to the lower front of your car.

CUP HOLDER DECORATIONS SPORTS

Enhance the sporty look of your Jazz's interior with the cup holder decoration which has a striking yellow finish.

ELEGANCE FLOOR MATS SPORTS
