THE DACIA SPIRIT: GOOD THINKING

DISCOVER

THE AUTHENTIC SUV

SIMPLY RUGGED

Nothing can stop it. Now, more than ever, Dacia Duster is the archetypal SUV. Its iconic style, assertive design and new body-tone colours enhance its adventurous character. Today, Duster is available in the Extreme finish, which adds the exclusive Cedar Green colour to its palette for an even more off-road look.

EXTREME, A LOOK MORE DUSTER THAN EVER

Dacia Duster Extreme is instantly recognisable thanks to the attention given to the finishes. Inside, screen-printed door sills and floor mats welcome you on board. As for the shimmer provided by the Copper Brown finishes, it embellishes the air vents and the base of the gear lever, the front door topstitching, the central armrest and the handbrake. Finally, the washable mixed MicroCloud plasticcoated fabric upholstery is designed to cope with any type of adventure.

On the outside, Copper Brown details can be found on the mirrors, identity marking on the sides, modular roof bars and rear tailgate. It exudes a thirst for adventure with its glossy black alloy wheels decorated with Copper Brown centre caps, its wheel arch mouldings and its shark fin antenna.

COPPER BROWN CENTRE CAPS

COPPER BROWN DACIA LOGO ON THE TAILGATE

OVERCOME OBSTACLES

Feel free: Dacia Duster takes you wherever you want to go with complete peace of mind.

With its robust chassis, high ground clearance and off-road capabilities (in the 4-wheel drive version), it makes light work of rough terrain and uneven surfaces. Hill Start Assist allows you to tackle the steepest of slopes; adaptive Hill Descent Control* prevents skidding by controlling the speed of your SUV.

The 4x4 Monitor feature with built-in compass and altimeter makes sure you always have the right information at the right time. Adjust the knob*, switch from traction to four-wheel drive and enjoy your adventure playground!

* On 4x4 versions.

REAL OFF-ROAD CAPABILITIES

COMPASS AND ALTIMETER

4X4 KNOB

URBAN ADVENTURER

Because adventure begins at the corner of your street, Dacia Duster is just as at home in the city. With its electrical power-assisted steering, blind spot warning and brand-new EDC automatic gearbox,⁽¹⁾ driving has never been so smooth. And on the engine front, Duster offers a real choice: diesel, petrol or bi-fuel (petrol and LPG).

(1) Available with the TCe 150 engine.

A FULLY-EQUIPPED PASSENGER COMPARTMENT

Inside, comfort is also on the agenda with the sliding centre console offering additional storage space (almost 1.1 L). On the steering wheel, the backlit buttons are easier to identify. The dashboard accommodates a large 8-inch, semi-flush touch screen, as well as two USB ports.

Two multimedia systems are now available to meet all individual needs: Media Display and its intuitive, user-friendly interface feature an 8-inch screen, four speakers, Bluetooth® connectivity and smartphone replication with Android Auto™ and Apple CarPlay™.

Media Nav, meanwhile, comes with MAP CARE on-board navigation (Western or Eastern Europe maps + 6 free updates for 3 years on-board) and two additional speakers. In the back, passengers have two USB* sockets for charging tablets and smartphones. Peace of mind on long journeys!

Android Auto™ is a trademark of Google Inc.

Apple CarPlay™ is a trademark of Apple Inc.

* Depending on version.

SMARTPHONE MIRRORING VIA USB CABLE AND WIFI

BOOT SPACE AND FULL OF IDEAS

You won't believe what you can take with you in Duster. So don't hold back! Luggage, parcels, furniture... your SUV is always ready. The extremely modular layout lets you adapt the passenger compartment to your needs or desires: the loading capacity of the boot, the flexibility in using the interior space (60/40 split fold rear bench seat, but all of the seats can be folded down) maximise your carrying options.

The many storage spaces in the doors and on the backs of the front seats invite you to empty your pockets and enjoy freedom while driving!

418 LITRES OF BOOT VOLUME

FOLDING REAR BENCH SEAT

DRIVE IN COMPLETE SAFETY

True adventurers prioritise safety. Dacia Duster is no exception to this rule, comprising features that let you drive with complete peace of mind, wherever you choose to go. A reinforced body structure, front and side airbags and the Isofix child seat mounting system make sure that everyone is protected.

MULTIVIEW CAMERA
The MultiView Camera gives you more eyes! It provides front, rear and side views, helping you detect holes, rocks or obstacles that are not always easy to see, and making driving easier for you.

HILL DESCENT CONTROL
Hill Descent Control maintains a constant speed that is adaptable between 5 km/h and 30 km/h in «Lock» mode to prevent skidding in the 4x4 version.

AUTOMATIC WINDSCREEN WIPERS
The rain sensor at the top of the windscreen automatically activates the wipers.

AMBIANCES

ESSENTIAL

MAIN EQUIPMENT

EQUIPMENT

- 6 airbags (front, shoulders, curtains)
- ABS and emergency brake assist
- Automatic headlights
- Luggage cover
- Remote central locking
- Electric variable power steering
- Eco Mode, Stop & Start and gearshift indicator
- ESC and hill start assist
- Storage spaces in rear doors
- Isofix anchorage for lateral rear seats
- Inflation kit
- Electric front windows
- Speed limiter and cruise control with steering wheel controls
- Front central ceiling light
- 12 V socket in front
- Manual adjustable door mirrors
- Eco-LED headlights
- Split and folding rear bench seat 1/3-2/3
- Dacia Plug & Music (DAB radio, jack and USB sockets, Bluetooth® phone connectivity with steering wheel-mounted controls)
- 4 speakers
- Adaptive descent control system (on 4x4 version)

- Height- and reach-adjustable steering wheel
- Soft feel steering wheel
- Manual air conditioning
- Front fog lights
- Rear parking sensors

DESIGN

- New grille featuring the new emblem and white decorative inserts
- Body-coloured bumpers
- Steel Grey air vent grilles
- Steel Grey circular air vent surrounds
- 16-inch steel wheels
- Black door handles and exterior mirrors
- Fabric upholstery
- LED daytime running lights
- Black longitudinal roof bars

OPTIONS

- Spare wheel and jack (not available on TCe100 Bi-Fuel versions)
- Slate Grey metallic paint
- Dusty Khaki special paint

EXPRESSION

MAIN EQUIPMENT EXPRESSION = ESSENTIAL +

EQUIPMENT

- 2 central front roof lights (driver and passenger)
- Driver's side one-touch electric window
- Rear electric windows
- Seat-back pockets for front seats
- 12 V socket at the rear
- Rear parking sensors
- Reversing camera
- Electric and heated exterior mirrors
- Driver's seat with height adjustment lever
- Soft-feel steering wheel with Steel Grey decorations
- 8" Media Display: DAB radio, smartphone replication via USB cable and WIFI, compatible with Android Auto™ and Apple CarPlay™, Bluetooth® connection, 4 speakers, 8" touch screen, audio streaming and Bluetooth® telephony with controls on the steering wheel

DESIGN

- 16" Oraga alloy wheels
- Body-coloured exterior door handles
- Silver-look exterior mirrors
- Steel Grey interior door handles
- Steel Grey circular air vent outlines with white sliders
- Glossy Black gear lever knob
- 'Expression' upholstery

OPTIONS

- Spare wheel + jack (except for TCe 100 Bi-Fuel)⁽²⁾
- Metallic or special paint, except for Cedar Green

(1) Available on 4x4 versions only.
(2) The "spare wheel" option replaces the "inflation kit" equipment.
Android Auto™ is a trademark of Google Inc. Apple CarPlay™ is a trademark of Apple Inc.

JOURNEY

MAIN EQUIPMENT

JOURNEY = EXPRESSION +

EQUIPMENT

- Automatic air conditioning
- Automatic wipers
- Automatically folding exterior mirrors with control pad on driver's door
- Multiview camera
- Media Nav 8": navigation with MAP CARE (Western or Eastern Europe map + 6 free updates over 3 years), DAB radio, smartphone replication via USB cable and wifi compatible with Android Auto™ and Apple CarPlay™, 6 speakers, 8" touchscreen, Bluetooth® audio streaming and telephone controls on steering wheel, 4x4 info⁽¹⁾, Eco-driving coaching
- Driver's seat with lumbar adjustment
- Blind spot warning
- Semi-high center console with sliding TEP armrest and 1.1L storage
- Plastic driver's footrest
- Central ceiling light for rear passengers
- Illuminated glove box
- Modular roof bars
- Heated front seats
- Keyless entry card
- Two USB sockets in the rear

DESIGN

- Exterior Look Pack: front and rear skis, roof bars, and exterior mirror covers in Megalith Grey, tinted windows, side windows, and rear hatch
- 17" Tergan alloy wheels
- TEP door panels with stitching
- Front door pull handles in Fog Grey
- "Journey" upholstery
- Fog Grey interior decorative elements with climate controls

OPTIONS

- Spare wheel + jack (except for TCe 100 Bi-Fuel)⁽²⁾
- Metallic or opaque paint except for Cedar Green

(1) On 4x4 version.
(2) The "spare wheel" option replaces the "inflation kit" equipment.
Android Auto™ is a trademark of Google Inc. Apple CarPlay™ is a trademark of Apple Inc.

EXTREME

MAIN EQUIPMENT
EXTREME = JOURNEY +

DESIGN

- 17" black alloy wheels with Dacia emblem and Copper Brown center caps
- Black metallic shark antenna
- Grille with the new Dacia visual identity
- Copper Brown mirror shells, door and side stickers with topographic patterns, Dacia logo on the tailgate
- Plastic wheel arches front and rear
- Modular roof bars with Copper Brown Duster lettering
- Washable TEP MicroCloud mixed upholstery with specific screen printing
- Washable MicroCloud TEP door medallions with Copper Brown stitching
- Copper Brown details on air vents and gear lever base
- Copper Brown stitching on gear lever (only on automatic transmission), handbrake and central armrest
- Serrated rubber floor mats front and rear
- Screen-printed front door sills

OPTIONS

- Spare wheel + jack (except TCe 100 Bi-Fuel)⁽¹⁾
- Metallic & special paint (Arizona Orange not available on Extreme trim)

(1) Only available on diesel and petrol versions.

range of digital tools, you
can select and reserve
your Duster Journey
Up&Go. A friendly Dacia
Guide will be in touch
to help you through the
reservation process.

Your car will be held for
3 days to give you time
to finalise your order.

DELIVERY

Why wait? By ordering
a new Duster Journey
Up&Go, you can receive
your new car sooner
than you may think.**

From Couch to Car,
we're with you every
step of the way.

VALUE

With Up&Go, you get all
the great features of the
popular Journey version
as well as Dusty Khaki
paint and a Spare
Wheel as standard.

All this for £22,145[†].
It's just more Good
Thinking from Dacia.

[†]Manufacturers Recommended Retail Price excluding metallic paint.**Dacia Up&Go available on Dacia Duster Journey TCe 130 4x2 Up&Go. Subject to availability. Retail customers only. The vehicle will be delivered to your selected Dacia dealer 30 days starts from the point the vehicle is order by the dealer. Vehicle customisation is not available.

ACCESSORIES

EXTREME OFF-ROAD PACK

Accentuate the rugged style of your Duster with the pack including front light protectors and lower door side protectors.

SIDE STEPS BOARD AND PROTECTIVE MUDFLAPS

A must-have accessory to enhance the 4x4 style of the vehicle whilst providing easy access to any loads on your roof. And to protect the lower part of your vehicle's body from water, mud, and gravel splashes: set of 2 mudflaps.

CUSTOMISATION STICKERS

Set of 3 stickers that are perfect for the boot lid, rear side sections and door mirror shells, allowing you to stand out in style.

CHROME FRONT AND SIDE STYLE BARS

Enhance your look and turn heads where ever you go with our chrome styling bars.

SHARK FIN ANTENNA

Add an elegant touch with this shark fin aerial, which merges seamlessly into the lines of your vehicle.

DACIA ROOF BOX

Increase the carrying capacity of your Duster. Practical and robust, essential for travel without compromise. Available in 400L or 480L.

MODULAR ROOF BARS BIKE RACK

Easy and quick to adapt, they are ideal with the bike rack for easy and safe transportation of the latter.

HITCH MOUNTED BIKE RACK

Quick and easy to attach to your car's hitch without any adjustments, it is the safest way to transport up to three bikes.

REAR SEAT PROTECTION COVER

Travel with your pet with peace of mind! The waterproof cover will protect your rear seat from stains, hair, odors, and accidental damage.

MODULAR EASYFLEX TRUNK PROTECTION

Cover the entire loading space to transport bulky objects. Versatile and waterproof, it folds and unfolds easily to adapt to the position of the rear seats, even when folded down.

(1) Petrol engines with particle filter (DPF): to reduce particle emissions, the new direct injection petrol engines now include a particle filter in the exhaust line. The filter removes particles in the exhaust gases, then burns them using automatic and very regular regeneration. The particle filter requires no maintenance. (2) The vehicle's starter and battery are adjusted for use with the Stop & Start system. (3) Official consumption and emissions according to applicable regulations. (4) Blue dCi Diesel engines: to reduce pollutant emissions, the new Blue dCi Diesel engines are equipped with a selective catalytic reduction device (SCR*) operating with AdBlue® (a non-toxic solution, available at most service stations). This technology converts the nitrogen oxides from Diesel engines into harmless gases. Your vehicle reminds you when it is time to refill the AdBlue® tank. *Selective catalytic reduction involves injecting ammonia (NH3) from the AdBlue® into the exhaust catalytic converter. The resulting chemical reaction transforms nitrogen oxides (NOx) into non-polluting gases (water vapour and harmless nitrogen). Actual fuel and AdBlue® consumption depends on vehicle use, equipment, the user's driving style and the load. (4) WLTP (*Worldwide Harmonized Light Vehicle Test Procedures*): this new protocol provides results much closer to those found in daily use compared to the NEDC protocol. Fuel consumption and CO₂ emissions are certified using a standard, regulated method. It is identical for all manufacturers and allows vehicles to be compared. (5) The payload indicated is for the lowest equipment level. (6) According to ISO standard 3832.

(1) Moteurs essence avec filtre à particules (FAP) : pour réduire les émissions de particules, les nouveaux moteurs essence à injection directe intègrent dorénavant un filtre à particules au niveau de la ligne d'échappement. Le filtre retient les particules présentes dans les gaz d'échappement, puis les brûle via une régénération automatique et très régulière. Le filtre à particules ne nécessite pas d'entretien. (2) Le démarreur et la batterie du véhicule ont été adaptés pour l'utilisation du système Stop & Start. (3) Consommations et émissions homologuées selon la réglementation applicable. (4) WLTP (*Worldwide harmonized Light vehicles Test Procedures*) : ce nouveau protocole permet d'obtenir des résultats beaucoup plus proches de ceux constatés lors des trajets quotidiens réalisés que le protocole NEDC. L'émission de CO₂ est homologuée conformément à une méthode standard et réglementaire. Identique pour tous les constructeurs, elle permet de comparer les véhicules entre eux. (5) Moteurs Diesel Blue dCi : pour réduire les émissions polluantes, les nouveaux moteurs Diesel Blue dCi sont équipés d'un dispositif de réduction catalytique sélective (SCR*) fonctionnant avec de l'AdBlue[®] (une solution non toxique, disponible dans la plupart des stations-services). Cette technologie transforme les oxydes d'azote provenant des moteurs Diesel en gaz inoffensif. Votre voiture vous rappelle quand il est temps de remplir le réservoir d'AdBlue[®]. *La réduction catalytique sélective consiste à injecter dans le catalyseur d'échappement de l'ammoniac (appelé NH3) provenant de l'AdBlue[®]. La réaction chimique ainsi provoquée transforme les oxydes d'azote (NOx) en gaz non polluants (vapeur d'eau et azote inoffensif). La consommation en usage réel de carburant et d'AdBlue[®] dépend des conditions d'usage du véhicule, des équipements, du style de conduite du conducteur et du chargement. (6) La charge utile (CU) indiquée est à niveau d'équipement minimum. (7) Selon norme ISO 3832.

WE'VE GOT YOU COVERED

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Dacia range is one tough cookie. To prove it, you get a 3-year* warranty (or 60,000 miles, if you reach that first). This means we will replace any part which has been deemed by a Dacia approved dealer to be defective due to a manufacturing fault, free of charge. To keep the good times rolling, you can extend your warranty up to 7 years for a great price. We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Dacia will stay looking good-as-new for years to come.

ROADSIDE ASSISTANCE

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in the UK or Northern Ireland. This offer also stands for the first 3 years/60,000 milesΔ after you buy your new Dacia.

DACIA CAR INSURANCE 1

Dacia Insurance has been specifically created to provide superb protection for you and your car. Unlike most other UK insurers, in the event of an accident, your Dacia will be repaired at a Dacia Approved Bodyshop using only Dacia approved parts and approved repair methods. This maintains your Dacia's safety rating, protects its resale value and helps to maintain its Dacia warranty^.

Dacia Insurance also offers a courtesy car for the duration of a repair at a Dacia Approved Bodyshop.

Dacia car insurance: 0330 102 7795 www.daciacarinsurance.co.uk

Lines are open Mon - Thurs 8.30am - 7pm, Fri 9am - 6pm, Sat 9am - 5pm

SERVICING

Dacia Service Plans are the ultimate hassle free way to take care of your vehicle. Depending on the Service plan you purchase (see opposite grid) your servicing needs are covered and you benefit from;

- Inflation Proof Servicing – You know exactly what you'll pay and there are no hidden costs
- Peace of Mind – No matter where life takes you, we'll be there in over 5000 workshops across Europe
- Dacia Expertise & Quality – Our highly trained technicians know your Dacia inside out

The Dacia Service Plan contains Dacia services in-line with the manufacturer's service schedule, plus comes with a complimentary vehicle health check to ensure your Dacia is in the best condition possible.

SERVICE PLAN^	Cash Price	Monthly payments with Dacia Finance**
2 years / 20,000 miles Service Plan	-	£10.99 per month

6 years / 100,000 miles†	£690

Dacia Extended warranty ends when you reach the age or mileage limit (whichever comes first). For full Warranty Terms and Conditions visit www.dacia.co.uk/warranty-and-assistance/assistance

SERVICE INTERVALS◊

Annual servicing **OR** servicing at 18,000 miles (whichever comes first)

Service Schedule◊	Year 1	Year 2	Year 3
	Cabin filter change	Oil change + Cabin filter change	Cabin filter change + Brake fluid change
	Year 4	Year 5	Year 6
	Oil change + Cabin filter change + Brake fluid change	Cabin filter change + Coolant 150km change	Cabin filter change + Belts 150km change

*Dacia warranty ends when you reach the age or mileage limit (whichever comes first), from date of registration. Subject to status, terms and conditions apply. For full Dacia Extended Warranty Terms and Conditions visit www.dacia.co.uk/warranty-and-assistance/warranty

ΔRoadside assistance for the first 3 year / 60,000 miles, which ever is reached first, from date of registration. For full Terms and Conditions visit www.dacia.co.uk/warranty-and-assistance/assistance

† Dacia Extended warranties are available to purchase from first date of registration up to end of manufacturer warranty. For full Dacia Extended Warranty Terms and Conditions visit www.dacia.co.uk/warranty-and-assistance/warranty

The monthly service plan offer is available at point of signing agreement for vehicle purchased under HP and PCP finance agreement provided by Dacia Finance Ltd. (Not available on cash purchases).

^ The Service plan offer is available for eligible retail vehicles only and valid at participating dealers only. Vehicles must be ordered between 4 April to 3 July and registered by 31 December 2023. The Dacia Service plan covers the manufacturer's minimum maintenance programme requirements for the term of the Service plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/- 1 month or 1,000 miles of the service interval and can only be carried out at a Dacia Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. For Service plan full Terms & Conditions visit www.dacia.co.uk/services-and-finance/service-plan. Cannot be part exchanged, refunded or transferred.

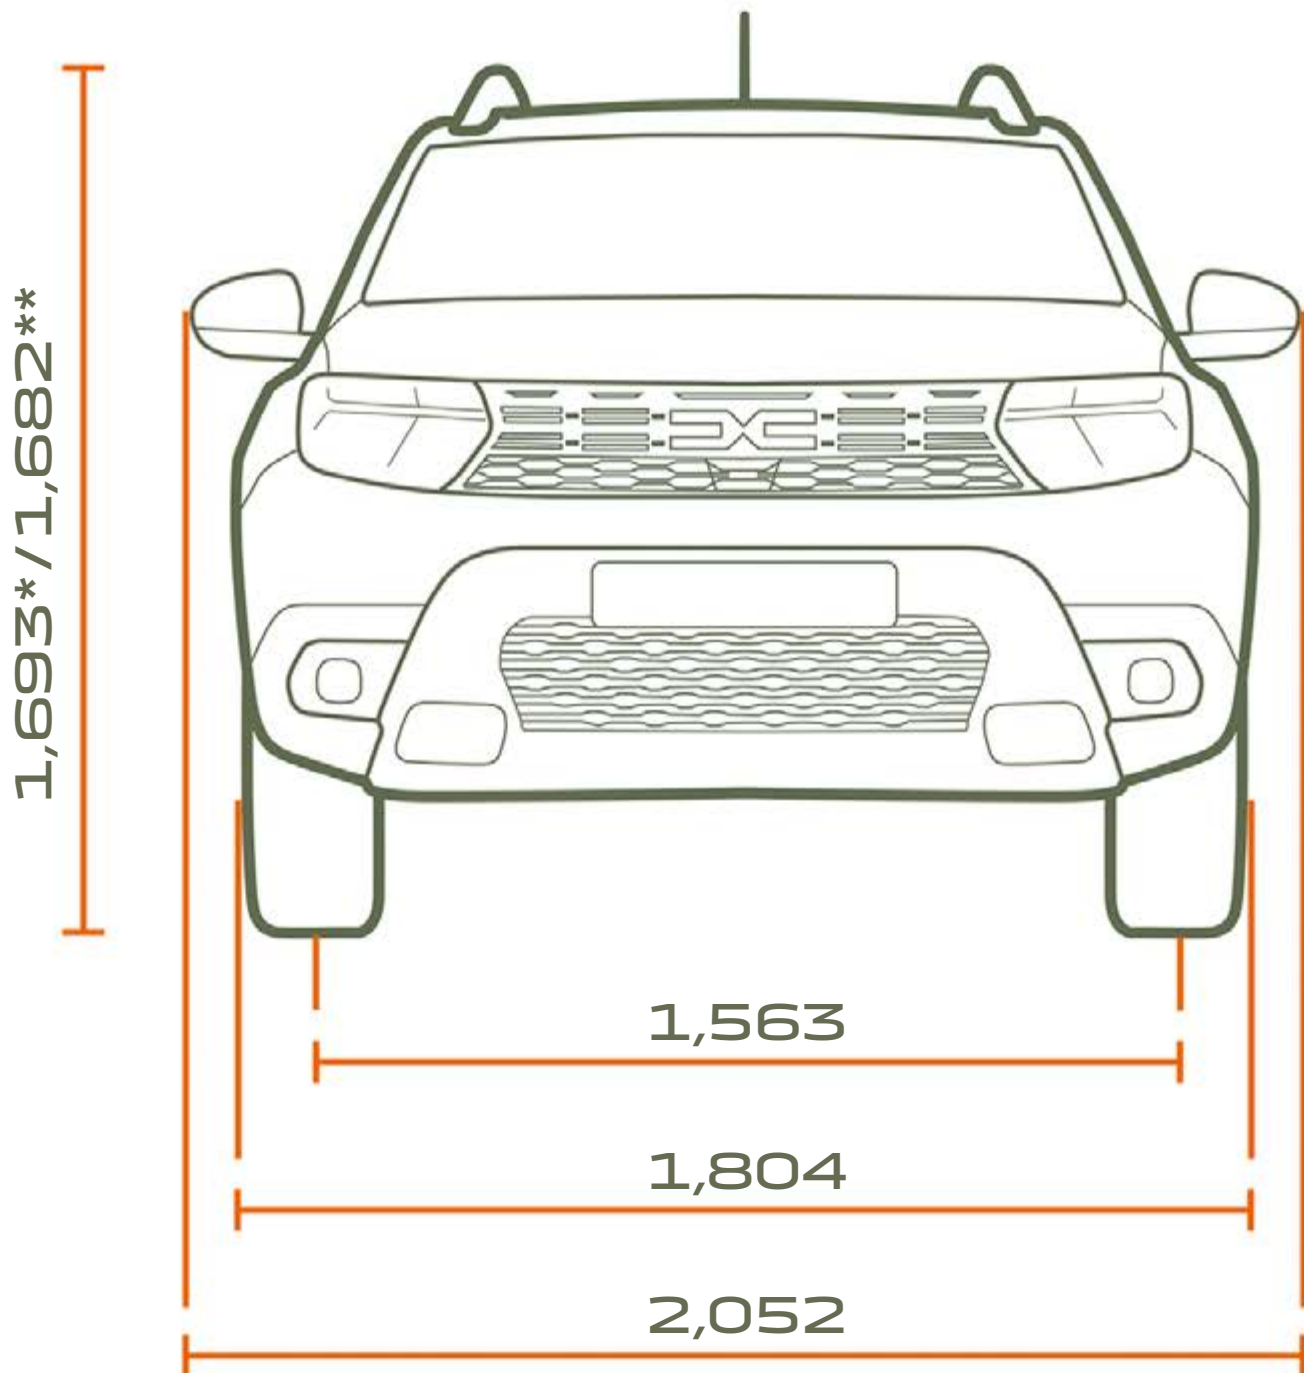

◊ The service schedule and intervals are subject to the registration number. Ask your local dealer to confirm your service schedule / intervals as the above is a guideline.

**36 or 48 monthly payments options are only available at point of signing a finance agreement provided by Dacia Finance, Rivers Office Park, Denham Way, Rickmansworth, WD3 9YS. Guarantees and indemnities may be required. You must be a UK resident (excluding the Channel Islands) and over 18 to apply for finance. Terms and conditions apply.

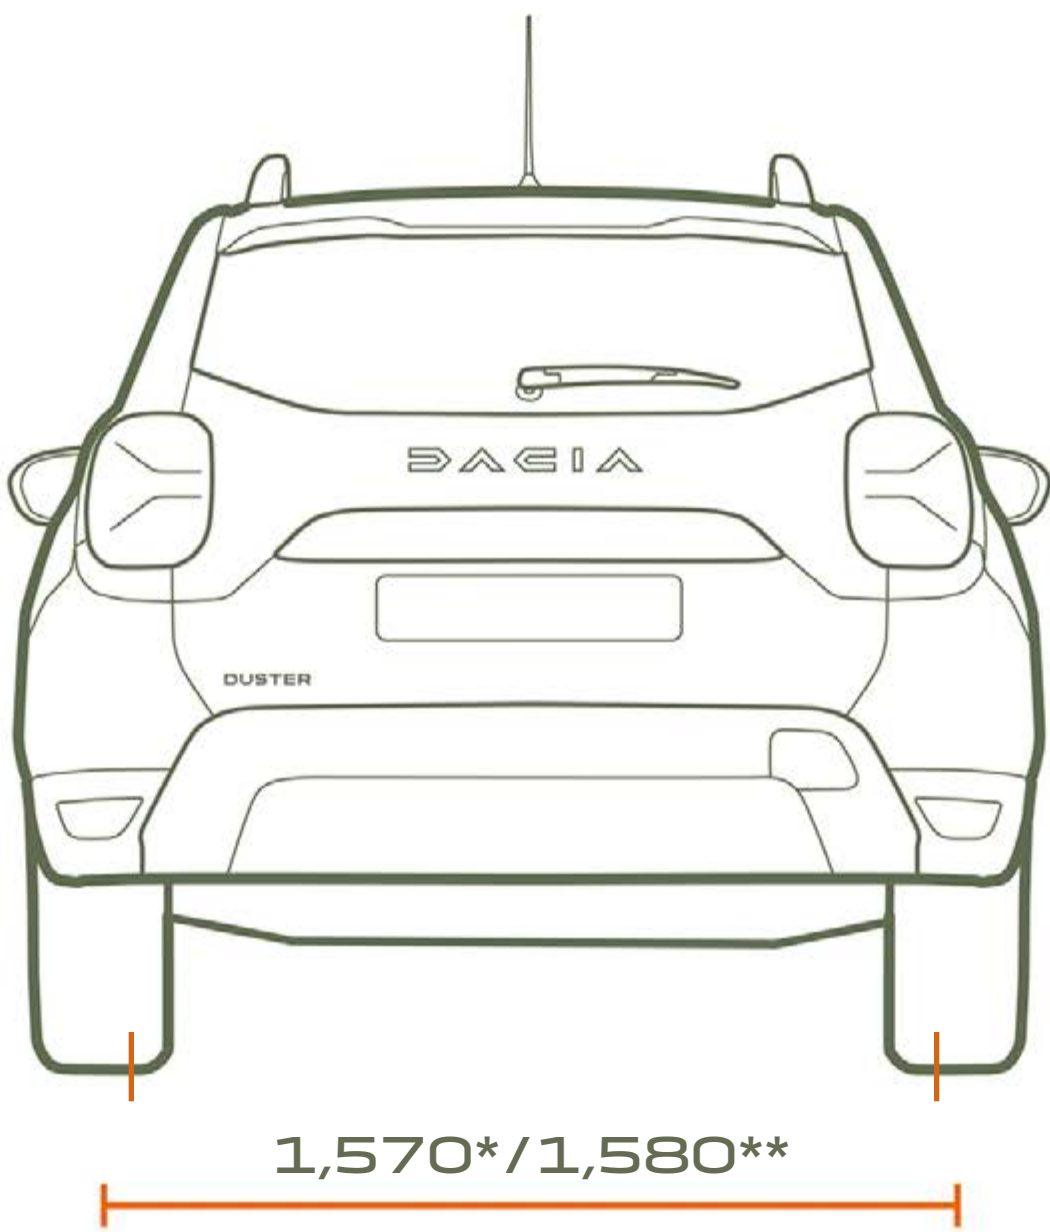

1 Dacia Insurance is arranged and administered by Verex Insurance Services Ltd, which is registered in England and Wales No. 05686831 at Batchworth House, Church Street, Rickmansworth, Herts, WD3 1JE and authorised and regulated by the Financial Conduct Authority, No. 487185. Verex Insurance Services Ltd arranges policies from a panel of insurers, details are available on request.

^If your insurer uses non-approved parts which subsequently fail, they may not be covered under your manufacturer's warranty.
