Full Hybrid

Model shown is the Honda HR-V 1.5 i-MMD Advance Style in Urban Grey Pearl. For more information on which grades this and other features are available on please refer to the specification pages 68-73.

HR-V e:HEV full hybrid

The HR-V uses a combination of electric motors and a petrol engine to create copious, electric power that drives you along for mile after enjoyable mile, while a regenerative braking system returns waste energy to top-up the EV battery. Simple and yet clever, the HR-V is dependable, dynamic electrification.

The beating heart of the HR-V is the advanced e:HEV powertrain with its performance, economy and three autonomous drive modes: Electric drive provides silent, instant power; Hybrid drive gives you sporty responsiveness and long-range potential, while Engine drive engages during sustained higher-speed cruising.

SELF-CHARGING FULL HYBRID
NO NEED TO PLUG IN

5-YEAR BATTERY WARRANTY
OR THE FIRST 100,000KM

Performance

Model shown is the Honda HR-V 1.5 i-MMD Advance Style Plus in Premium Sunlight White Pearl. For more information on which grades this and other features are available on please refer to the specification pages 68-73.

A full-hybrid machine that moves you

The HR-V's responsive, self-charging hybrid engine is ready for any occasion: whether you're travelling through town or high-speed motoring, it's always ready with an exhilarating burst of acceleration.

Choose between three different performance modes: **Sport** for a responsive drive, **Normal** for a smooth ride and **Econ** for greater fuel efficiency.

**253NM TORQUE
POWER 131PS***

**LOW EMISSIONS
OF JUST 122G/KM****

*Electric motor.

**CO₂ emissions based on combined WLTP results.

Model shown is the Honda HR-V 1.5 i-MMD Advance Style Plus in Premium Sunlight White Pearl. For more information on which grades this and other features are available on please refer to the specification pages 68-73.

Feel **your** way

As you drive, the **regenerative braking system** gets to work by recovering energy and recharging the battery along the way – so you never need to plug in.

For ultimate control and a ride that feels more electric, increase your HR-V's energy recovery by selecting Drive Mode B and adjusting the level of **deceleration effect** via the steering wheel-mounted paddle-shifters.

Enjoyable and engaging, with an engine sound linked to your driving dynamics and a drive mode chosen by you. And when you also consider its outstanding fuel economy – the result is a fun, effortless and efficient drive.

REAL-WORLD EFFICIENCY
OF UP TO 740KM ON A FULL TANK*

WLTP COMBINED FUEL ECONOMY
OF 5.4 L/100KM**

*Economy & Emissions figures: (WLTP**) Range of 5.4 l/100km, CO₂ 94-162 (g/km). Put the **fun** into function

The HR-V comes with the benefits of an SUV and behaves with the playful character of a coupé.

Whether you're driving the kids to school or shuttling to the shops, the new HR-V comes packed with practical features designed to get you from A to B, fuss-free and the **Power Tailgate** makes loading a breeze.

Designed for **your** life

The new HR-V embodies a clean simplicity that blends **stand-out style** with exceptional efficiency and ultimate usability.

Alongside its striking looks come thoughtful touches – there's always a place for your coffee cup.

A new panoramic glass roof is also available on our Advance Style Plus grade, letting light flood inside the cabin, whilst giving a more connected feeling to the world outside.

In short, this car was built with modern life in mind.

Hey, **good** looking

With a charismatic physical presence that combines the confident stance of an SUV and the **elegance of a coupé**, you're guaranteed to turn heads.

Simple, clean shoulder lines give the HR-V a bold look and a forward momentum that's always ready for action.

After all, why stand back when you can stand out?

Down to the last detail

Our Advance Style boasts premium luxury finishes and innovative features. The distinctive new **integrated front grille**, hidden rear passenger door handles and tailgate spoiler ensure a sleek silhouette that will get you noticed in town, country and everywhere in between.

Looks aside, it's also a joy to park, with an MVCS rear camera and eight parking sensors to guide you into the snugest of spaces.

Premium Sunlight White Pearl

The new HR-V Advance Plus

The HR-V Advance Plus stands out with its exclusive, stylish look – the single-colour body work is accentuated by a contrasting gloss black front grille, and a set of sleek 18" alloys.

The body-coloured lower bumpers and wheel arches deliver a premium aesthetic. Get ready for admiring glances at every turn.

Putting **you** in the driving seat

Have the city in your sights: the elevated driving position puts your viewpoint above the bonnet, with excellent outward visibility that feels like you're on top of the world. Whilst privacy glass, now standard across all grades, reduces glare and restricts the view into the car for added security.

A **stylish and refined dashboard**, centre console and steering wheel layout, sets the scene for a ride focussed on the road ahead, eliminating clutter with an intuitive infotainment screen that defines contemporary design.

And another refreshing change: the HR-V's unique **Air Diffusion System** is devised to gently circulate warmed or cooled air around you and your passengers, making every journey more comfortable and relaxing.

**HEATED STEERING WHEEL
FOR COLD MORNINGS***

**L-SHAPED AIR VENTS
FOR WARM AFTERNOONS**

*Selected grades only.

please refer to the specification pages 68-73.

Winning the **space** race

From the daily commute to a weekend at the beach, the HR-V has you covered: reconfigure the **rear Magic Seats** with a single motion and instantly convert the modular interior into somewhere for bikes, skis, or a surfboard or two.

It pays to be versatile: tip them up for vertical space or fold them flat into the floor in one easy motion, or select the 60:40 split for even more flexibility.

With this much space and lots of legroom, how much can you pack in?

**60:40 MAGIC SEATS SPLIT
WITH MULTIPLE CONFIGURATIONS**

**UP TO 1289 LITRE BOOT CAPACITY
AND A CLASS-LEADING CABIN SPACE***

*Boot capacity for selected grades only - Rear Seat Down Load to Roof (litres, VDA method). Model shown is the Honda HR-V 1.5 i-MMD Advance Style in Urban Grey Pearl. For more information on which grades this and other features are available on please refer to the specification pages 68-73.

Safety

Model shown is the Honda HR-V 1.5 I-MMD Advance Style Plus in Premium Sunlight White Pearl. For more information on which grades this and other features are available on please refer to the specification pages 68-73.

Safety comes as standard

Honda SENSING technology reads road signs and driving conditions before you do, pre-empting any potential hazards with features like Lane Keeping Assist System, Collision Mitigation Braking System and Intelligent Speed Limiter. A Multi-View Camera System* will also provide all-round visibility when manoeuvring at low speeds.

It's all because we want you and your passengers to enjoy the journey in comfort, safe in the knowledge you're prepared for whatever comes your way.

Wherever you're going, driving a Honda is driving with a sense of security.

**TRAFFIC JAM

Honda SENSING innovation

The HR-V comes packed with Honda's innovative SENSING technology.

Collision Mitigation Braking System

If there is the possibility of a collision with a vehicle or a pedestrian, this feature will alert you to the danger as well as reducing your speed to help minimise the severity of any impact.

Lane Departure Warning

If the car moves out of its lane without you activating the indicator, then alerts will flash and sound to help bring your attention to correcting the lane drift.

Road Departure Mitigation

A windscreen-mounted camera detects whether the car is veering off the road and applies subtle steering corrections to keep your vehicle in its lane in certain conditions.

Multi-View Camera System*

Helps expand the driver's awareness of what's in front, alongside or behind the car and reduce blind spots, with images displayed on the central touchscreen*.

Lane Keeping Assist System

A feature that helps keep you in the middle of your lane, providing a less stressful driving experience by reducing the need for steering correction movements and driving effort on the motorway.

Adaptive Cruise Control with Low-Speed Following

This function maintains a set cruising speed and following distance relative to the vehicle in front of you. If the detected vehicle comes to a stop, the function will decelerate and stop your vehicle without you having to keep your foot on the brake. Once the car in front starts moving again, simply tap the accelerator to resume the operation.

**Selected grades only.

Sport Pack

This pack gives your car a distinguished sporty look with a combination of Berlina Black and body-coloured accessories with chrome accents.

The pack includes: A front lower sport bumper, a front grille, a rear decoration sport, side lower decorations and a tailgate spoiler extension.

Items in the pack are also available separately. Alloys shown are the HR1812 alloy wheels, these are optional and sold separately. Model shown is the Honda HR-V 1.5 i-MMD Advance Style in Urban Grey Pearl.

FRONT LOWER SPORT BUMPER

Enhance the dynamic looks of your car with the body-coloured front lower sport bumper. It features a chrome accent.

TAILGATE SPOILER EXTENSION

If a distinguished sporty look is what you want, this spoiler extension is exactly what you need. The spoiler extension is specifically developed to complement the standard tailgate spoiler.

SIDE LOWER DECORATIONS

These body-coloured side lower decorations (two parts per side) are giving a muscular look to your car.

FRONT GRILLE

Change the complete front look of your HR-V, replacing the standard body-coloured front grille with a shiny black finished unit grille.

REAR DECORATION SPORT

Add to your Sport Pack with the body-coloured rear decoration sport. Like the front lower sport bumper, it features a chrome accent.

Patina Bronze Exterior Pack

Strengthen the premium character of your HR-V's exterior even more with the Patina Bronze Pack.

This pack includes: Fog light decorations, a set of door mirror covers and a front and rear lower decoration.

Items in the pack are also available separately. Alloys shown are the HR1814 alloy wheels, these are optional and sold separately. Model shown is the Honda HR-V 1.5 i-MMD Advance Style Plus in Premium Sunlight White Pearl.

REAR LOWER DECORATION

The rear lower decoration, standard on the car, gets a Patina Bronze finish and maximises the premium feel and refinement of the car.

FRONT LOWER DECORATION

The front lower decoration, standard on the car, gets a Patina Bronze finish and maximises the premium feel and refinement of your HR-V.

DOOR MIRROR COVERS

Add a little uniqueness with these stylish door mirror covers in Patina Bronze. The covers fit your Honda perfectly.

FOG LIGHT DECORATIONS

It's all about the little details. These Patina Bronze fog light decorations perfectly complement the fluent styling of the front of your HR-V.

Model shown is the Honda HR-V 1.5 i-MMD Advance Style in Urban Grey Pearl.

Transport

1. **Thule Roof Box – 400L Motion XT M**

This sturdy, waterproof box, which is Thule certified by Honda, gives you an extra 400 litres of storage space. It features the Power-Click system for easy mounting, an anti-theft lock and dual-side opening. Its dimensions are 175cm length, 86.5cm width and 46cm height.

2. **Thule Bicycle Rack Expert 298**

This universal, easy-to-install, bike carrier is designed for easy loading and unloading of your bike. It is lockable to prevent your bike from theft. Maximum bicycle load: 20kg.

3. **Bicycle Carrier Attachment with 13-Pin Harness**

This detachable bicycle carrier attachment kit offers the perfect solution if you're planning a bicycle trip. With a maximum vertical load of 35kg, and a 13-pin trailer harness, you'll be set for day trips and longer adventures alike. It's designed for easy handling, complete compatibility and integration with your Honda's electrical and safety systems. It also has the benefit of being less visible when detached.
N.B. Thule Bicycle Carrier sold separately.

4. **Foldable Boot Mat**

The foldable boot mat offers protection to your boot and to the complete loading floor in case the rear seats are folded down. This boot mat is reversible as well: one side is made of tufted carpet and the other side has a water-repellent anti-slip pattern. In addition, this mat comes with a flexible flap to prevent scratches on your bumper when (un)loading your car.

5. **Dog Guard**

The dog guard keeps your pets safe by separating the rear passenger area from the luggage compartment. It fits perfectly between the rear seat back and the roof interior. It's a must for those who have pets.

Cargo Pack

If you frequently transport luggage or specialised equipment, the Cargo Pack will help keep it organised and secure.

The pack includes: a boot tray with dividers, a tailgate illumination and boot sill decorations.

BOOT TRAY WITH DIVIDERS

This waterproof anti-slip boot tray is perfectly shaped to fit your car's rear storage space and will protect the boot from dirt and scratches. It has raised edges and features the HR-V logo and comes with dividers to help secure your items while driving.

TAILGATE ILLUMINATION

The Honda tailgate illumination has been developed to increase your comfort and safety, by illuminating not only the boot, but also the surface behind your car. The LED light installed on the inside of the tailgate provides a powerful and consistent light in the boot, even when fully loaded. It lights up as soon as the tailgate is opened.

BOOT SILL DECORATIONS

A practical and stylish accessory to keep your boot sill safe from all the loading and unloading of your car. The stainless steel finish also enhances the look of the rear of your car.

Alloys

O1

ALLOY WHEEL 18" HR1811

The HR1811 alloy wheel comes in full Gunpowder Black with a shiny clear coat. The wheel dimensions are: 18" x 7.5J.

O2

ALLOY WHEEL 18" HR1812

The HR1812 alloy wheel features a diamond-cut A-surface with a shiny clear coat and Gunpowder Black windows. The wheel dimensions are: 18" x 7.5J.

O3

ALLOY WHEEL 18" HR1814

The HR1814 alloy wheel comes in full Gunpowder Black with a matte clear coat. The wheel dimensions are: 18" x 7.5J.

These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specifications, including colours, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor or Dealer, copies of which may be obtained from them on request. This publicity material applies to the UK only Trade Descriptions Act (1968). Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer especially if your model selection is dependent upon one of the features advertised.
